10:59 Quentin LECLER What's the most important thing for you in relationships ? Also the thing you really don't like?

11:02 AuAii The important thing is royalty

11:03 AuAii I don't like cheating

11:03 AuAii What's about you?

11:16 Quentin LECLER "Most important : Honesty, sincerity, kindness and caring

What I really don't like : hiding things behind the back, cheating, lies

"

11:16 Quentin LECLER (And cannot accept)

11:17 AuAii Yes same as me too

11:17 Quentin LECLER it's hard to trust someone who lied to you especially in relationships

11:17 Quentin LECLER And love

11:18 Quentin LECLER "It's also hard to love alone so need to be mutual

Caring can be in simple details"

11:18 Quentin LECLER And attentions

11:19 AuAii Yes it's also hurting when you love someone and truly trust him/her but finally he/she's cheating on you

11:19 Quentin LECLER Yes I learn hard way

11:19 AuAii Yes me too

11:20 AuAii We learnt very hard from the last relationship

11:20 Quentin LECLER I actually try very hard sometimes the love you have for someone is not the same as the love he has for you

11:22 Quentin LECLER The personality and spirit is actually what's matter the most and kindness to each other

11:24 Quentin LECLER I also believe like you in simple details that show your love and cares

11:29 Quentin LECLER I think it gives us chance to learn from it and understand what really matters

11:32 Quentin LECLER "For me when I love I love very hard and do everything I can in the relationship

But if it's not mutual love it's never can work "

11:33 Quentin LECLER And it's hard to trust someone who broke your trust before

11:33 AuAii "

Yes it's hard to trust someone who hurt you"

11:34 Quentin LECLER I did that but people not change that easy about they behavior

11:34 Quentin LECLER That why it's so important to know someone

11:37 AuAii Yee it's hard to change someone

11:38 AuAii Better change yourself for someone you love

11:38 Quentin LECLER You don't need to try that hard with someone who love you
11:39 Quentin LECLER And he'll accept you the way you are
11:39 Quentin LECLER And not try to change you
11:39 Quentin LECLER And you can be yourself
12:11 AuAii Yes that's right
12:32 Quentin LECLER Did you had something to eat yet ?
12:39 AuAii [Photo]
12:39 AuAii Not yet

13:02 Quentin LECLER And so yummy 😊
13:13 AuAii Yes it's also cheap here with the street food
13:14 Quentin LECLER Yes very cheap
13:20 AuAii [Photo]
13:21 Quentin LECLER Beautiful where did you get those ?
13:21 AuAii Just got flowers from the man who makes video for the content at the shopping mall
13:21 AuAii One for me and one for my sister lol
13:22 Quentin LECLER Wow lucky you :)
13:22 AuAii He's making a content with his gf i guess
13:23 AuAii She did the video and he gives flowers to everyone
13:23 Quentin LECLER Oh I see
13:27 Quentin LECLER Do you like roses ?
13:31 Quentin LECLER "How can someone cheat on someone beautiful and kind like you is beyond me

I never could understand the cheating maybe I'm still naive "

13:32 AuAii Yes i like it
13:32 AuAii I think all girls like flowers
13:33 Quentin LECLER Not my ex she didn't like much so I take her diner or buy gifts for her
13:33 AuAii It's never be enough for the man like him
13:34 AuAii I just known and find out from his friend and i asked him to stop with her but he doesn't so i prefer to stop

13:34 Quentin LECLER Yes I think I get that personality I had with my
ex same
13:34 Quentin LECLER Issue
13:34 Quentin LECLER There more I do and the more I try to please her
the less I get and not appreciate much
13:35 Quentin LECLER The *
13:35 AuAii If he's start cheating on you one time, it'll be again and
again
13:36 Quentin LECLER Cannot cheat the one you truly love
13:38 Quentin LECLER "I did the same I forgive and forgive

But it keep happening until it was too much for me

Someone who that don't actually love you"

13:38 Quentin LECLER True Love is pretty rare thing
13:39 Quentin LECLER Do *
13:41 Quentin LECLER Anyway it's for the best
13:43 AuAii Yes if you're trying so hard and you will never get it back,
it's better to walk away from them
13:44 Quentin LECLER Seems we both love hard and tried our best
13:44 Quentin LECLER You won't believe the things I tried you'll think
I'm crazy
13:44 Quentin LECLER Just because I tried so hard
13:44 Quentin LECLER And love hard
13:45 Quentin LECLER It actually caused me issues in my life
13:46 AuAii Yes i know how you feel
13:46 AuAii Me too
13:46 AuAii I tried to changed myself for him
13:46 Quentin LECLER I did trips around Europe with her I did
everything for her so she be happy with me but it wasn't enough
13:47 AuAii She's so lucky but it's still never be enough for her
13:47 Quentin LECLER "If he really love you he wouldn't ask you to
change but accept you

She tried the same with me"

13:48 Quentin LECLER I bring her with me to stay and be happy in Europe
we bought house and I find her work
13:48 Quentin LECLER I really did everything I could
13:49 AuAii I always been royalty to him even many guys try to get in
touch with me i always said to them i already have a bf
13:49 AuAii But i never get back to from him
13:50 Quentin LECLER She actually said I can find better than you many
men wanted me more rich than you
13:51 Quentin LECLER You think someone who love you would say that ?
13:52 Quentin LECLER And you did the right thing
13:53 Quentin LECLER It's like it wasn't about our happiness but about
what I can offer her
13:55 Quentin LECLER "You see any place I can be happy with the one I
love

I don't need things from her to be happy

Just little details is enough for me "

13:56 Quentin LECLER I know people who cheated on but never can understand them and better not keep contact with people like that also
13:57 Quentin LECLER It's better I stay naive but at least honest simple guy with good heart
13:59 Quentin LECLER People like this is never happy or satisfied
14:17 AuAii Yes 100
14:17 AuAii Sorry my better is almost dead
14:17 AuAii Home now charging battery
14:17 AuAii How's your work going?
14:17 Quentin LECLER It's ok 😊
14:18 Quentin LECLER It's pretty relax this afternoon
14:19 Quentin LECLER My mom never really liked her and me but I ignored it
14:19 Quentin LECLER I think she knows me better than myself
14:20 Quentin LECLER What's good for me
14:21 Quentin LECLER Can said I was blinded by love
14:37 AuAii Yes everyone get blind with love
14:37 AuAii Everything is sweet at the beginning
14:37 AuAii After all changes
14:45 Quentin LECLER Yes like I said still a bit naive :)
14:50 Quentin LECLER Maybe you think too much naive 😊
14:51 AuAii Yes maybe 😊
14:54 Quentin LECLER It's a bit my fault I didn't take enough time to know her really
14:55 Quentin LECLER And I actually think she was good person
14:56 AuAii Yes me too
14:56 Quentin LECLER We just stay 2-3 months together before she come here
14:57 Quentin LECLER and It was more like holiday than real life for me
14:57 Quentin LECLER there
14:58 Quentin LECLER You know all I wanted is you be happy together thats all
14:58 Quentin LECLER we
15:02 Quentin LECLER I think I should take my time to know someone to see if we share same interests
15:02 Quentin LECLER same mindset and spirit
15:02 Quentin LECLER sometimes we want different things in life and have different expectations
15:02 Quentin LECLER and behaviors
15:05 AuAii Yes that's right
15:05 Quentin LECLER but at least for me you know most of it :) we talked al lot already it seems about many things
15:06 AuAii It's not easy to find a life partner
15:06 AuAii Yes we have learned many things from the last experience
15:06 Quentin LECLER I think it start by having the same mindset and interests
15:07 Quentin LECLER then by knowing each other pretty good
15:08 AuAii Yes good 🖤
15:08 Quentin LECLER and by staying honest to each other
15:08 Quentin LECLER there is always ups and downs in relationships but it's how you deal with them that matters
15:09 AuAii Yes you're right

15:10 Quentin LECLER "Sometimes there is something happened and we never talk about it and it actually get worse.

There should always be talking and communication is pretty important."

15:11 AuAii Yes you're right

15:12 Quentin LECLER I hope I not bored you (moon laugh)

15:12 AuAii No

15:13 AuAii It's alright what's your talking

15:13 Quentin LECLER I actually knows couple that together for all their life

15:13 Quentin LECLER they actually know each other since very young

15:13 Quentin LECLER in my mother village

15:13 Quentin LECLER and knows each other very well

15:14 Quentin LECLER they already 70-75years old

15:15 Quentin LECLER pretty impressive nowadays there is a lot of divorce I think arround 70%

15:15 AuAii Yes they're so lucky to find real love

15:15 Quentin LECLER Yes

15:16 Quentin LECLER I impressed even they had probably issues and arguments

15:16 Quentin LECLER they always must have find ways to be together

15:19 AuAii Yes maybe nowadays there're many technologies that can change people mindset more easily

15:20 Quentin LECLER "the village of my mother is very remote only 100 peoples live there.

its mostly same families for long time.

there is very big difference between peoples who lived there and people who lived more in cities"

15:23 AuAii Yes i see

15:24 Quentin LECLER Yes actually we've met on Tinder but I don't know it bring a lot of life long couples

15:24 Quentin LECLER together (moon laugh)

15:25 AuAii Yes i first met my ex there

15:25 AuAii What's about you?

15:25 Quentin LECLER We've meet in bangkok during my holidays at event with my friends

15:26 AuAii Ok i see

15:26 Quentin LECLER She seems serious and hard working she has mba and good work

15:26 Quentin LECLER in real estate

15:27 AuAii I see

15:27 Quentin LECLER but I didnt pay enough attention to the red flags

15:28 Quentin LECLER but you laugh if I tell you

15:29 Quentin LECLER she actually did the same with me with every ex she had before

15:29 AuAii How can you know

15:29 Quentin LECLER I know because I kept contact with her ex he's from belgium but lives in bkk

15:29 Quentin LECLER and she did the same with him the lies and cheating

15:30 Quentin LECLER and stay with him but save money for her own

15:30 AuAii Oh really?

15:30 Quentin LECLER yes pretty sad
15:30 AuAii How can you know her ex
15:31 Quentin LECLER because when we left to go belgium she had to take all her things
15:31 Quentin LECLER and some things of her left at her ex place
15:31 Quentin LECLER that she never mentionned before
15:31 Quentin LECLER they broke up before we've met
15:32 Quentin LECLER but he told me she was on dating sites when still with him before
15:32 Quentin LECLER and he had doubts about her honesty
15:32 Quentin LECLER but all that I knew after she was already in belgium
15:32 AuAii Oh i see
15:33 Quentin LECLER you would think i'm so naive
15:34 AuAii Yes 😊
15:34 AuAii But all you did it's about love
15:35 Quentin LECLER yes
15:35 Quentin LECLER too much in love
15:37 AuAii May i ask how old is she?
15:37 Quentin LECLER 33
15:38 AuAii Same as you
15:38 Quentin LECLER Yes
15:39 AuAii Good
15:40 AuAii My ex was younger than me 2 years
15:42 AuAii I never thought to have a younger bf in my life but he kept trying so hard every day, texted me every day and sent me flowers often until i gave him a chance
15:46 Quentin LECLER You prefer older than you?
15:46 AuAii We had a long distance relationship almost 3 years, i always trusted him, never checked, never called and gave him more freedom, maybe that's why he's cheating on me
15:48 AuAii Yes i always thought older man, has more experience and more serious about love
15:50 AuAii But i know ages is not guaranteed about love
15:50 AuAii Love is all about 2 people, loving and understanding
15:50 Quentin LECLER Yes
15:50 AuAii What about you?
15:51 AuAii Prefer younger or older than you?
15:51 Quentin LECLER actually doesn't make difference much
15:51 Quentin LECLER i'ts more about personality and mindset
15:51 Quentin LECLER but pretty much same age is ok
15:52 AuAii I think i'm older than you
15:52 Quentin LECLER Yes one year I think
15:52 AuAii Yes
15:53 Quentin LECLER I think we think the same pretty much about it
15:55 AuAii Yes
15:56 Quentin LECLER wow
15:56 Quentin LECLER 3 years is pretty long time
15:56 Quentin LECLER I would've go thailand by then (moon laugh)
15:58 Quentin LECLER even 6 months long distance feels like very long time
15:58 AuAii Yes i know
15:58 Quentin LECLER thats actually why I bring her
15:58 Quentin LECLER that quickly

15:59 Quentin LECLER and go there few times per year
15:59 Quentin LECLER to meet
15:59 Quentin LECLER and it's part of my mistake but actually I just wanted we be together and long term relationship is hard
15:59 AuAii Yes he used to do that too
16:00 Quentin LECLER you know like really together
16:01 Quentin LECLER Did you planned to visit him also?
16:02 Quentin LECLER hard to understand for me how he could do that
16:02 Quentin LECLER to you
16:04 Quentin LECLER we had also long distance relationship but it was about 1y only and I visisited her 2 times 1 month
16:05 Quentin LECLER in between
16:05 Quentin LECLER then she visit me for 3 months with EU visa
16:06 AuAii Yes he asked me to do the tourist visa but it's hard to get it there
16:06 Quentin LECLER everyday I wished I could go thailand just to meet her
16:06 AuAii America is not easy to in
16:06 Quentin LECLER "pretty easy actually

the thing they dont want is people how stay here after"

16:06 Quentin LECLER in europe
16:07 Quentin LECLER I you have job in thailand its almost good enough
16:07 Quentin LECLER and I signed for her as garantor
16:07 Quentin LECLER so there was no issues
16:07 AuAii Yes maybe it's hard for me because i have never been outside Thailand and my passport is so clear lol
16:07 Quentin LECLER [Sticker]
16:08 Quentin LECLER Yes but it's not actually that hard if you have all the documents
16:08 AuAii Sorry it's late here, I'm going to shower now
16:08 AuAii Talk later 🖐️
16:08 Quentin LECLER oh sorry didn't notice its getting late for you :)
16:09 Quentin LECLER wish you nice evening :)
16:09 AuAii Yes i did but the girl who interviewed me didn't even look at the documents lol
16:09 Quentin LECLER oh maybe belgium embassy is nicer (moon laugh)
16:09 AuAii I paid for the agency to help and do it but it's still not approved lol
16:10 Quentin LECLER sometimes they ask tricky questions I know
16:10 Quentin LECLER but they just testing you
16:10 AuAii So i thought now i will never had American bf again lol
16:10 Quentin LECLER [Sticker]
16:11 AuAii Do you still want to have a Thai gf?
16:11 Quentin LECLER she didn't have issue and actually she didnt work as employee
16:11 Quentin LECLER she was real estate agent
16:12 Quentin LECLER "actually yes

its about personality and behavior and its the same everywhere actually"
16:12 Quentin LECLER also i told you about thailand, culture, food, etc :)
16:12 AuAii Even i get the letter from work to guarantee that i will come back Thailand, the interview still not looked at it lol

16:12 Quentin LECLER lol
16:13 AuAii I saw one couple before me also not approved too
16:13 Quentin LECLER they just want see statement on the bank account maybe
16:13 AuAii She didn't even see it
16:13 Quentin LECLER For me US is pretty nice dont need passport
16:13 AuAii I also prepared my bank statements too
16:13 Quentin LECLER but I actually never go yet
16:14 Quentin LECLER weird
16:14 Quentin LECLER do she ask tricky questions?
16:14 Quentin LECLER was she suspicious?
16:14 Quentin LECLER sometime it really depends on the people who interview you
16:14 Quentin LECLER only
16:14 AuAii I read reviews on internet she's so hard, not easy to get approved for anyone
16:15 Quentin LECLER maybe europe is different i'm not sure
16:15 Quentin LECLER but we didnt have any issue to get it on the first try
16:15 AuAii If i interviews with the man might be approved, i heard many of reviews
16:16 Quentin LECLER but she had 3 month visa for family / friends visit
16:16 Quentin LECLER which visa did you asked?
16:23 Quentin LECLER "I actually think the main issue wasn't about the country.

It was more about the fact that we didn't know each other enough and we had different views on things.

I feel good in thailand, the culture, the food, pretty much everythings attracts me there and I'm not exactly sure why.

So yes I want to try again but this time I want we know each other more, have common interests in life."

16:26 Quentin LECLER I shouldnt' have rush it last time its also my mistake and most important we should accept each other and not ask them to change but we actually dont want to change ourself

16:28 Quentin LECLER [Sticker]

16:29 Quentin LECLER [Sticker]

16:32 Quentin LECLER I had to sign one myself in belgium and they accepted it. I was garantor in case something happened here.

It was freezing cold about -5 or -8 degrees.

After groceries I saw a homeless person in the parking.

Most people just give coins to him but I actually go talk with him and offer him warm coffee then I called ambulance to take him for the night.

Police came later and ask me if I know him and why do I care about him ?

I said he just needed help so I helped him."

07:57 Quentin LECLER Yes it's very yummy 😊

07:59 Quentin LECLER Sometimes people pretend to care and other actually care you know

08:05 Quentin LECLER "My mom also proud of me that day

08:12 Quentin LECLER "I think so

Sadly not everyone is like this and sometimes they just pretend to help or care you but actually they just do for their own benefits or to get something back or to show off "

08:13 Quentin LECLER I believe if you give you shouldn't expect something back

08:32 Quentin LECLER Do you wish to have children one day ?

13:50 Quentin LECLER I like it
13:54 Quentin LECLER <https://www.salaryexpert.com/salary/job/dental-assistant/luxembourg>
13:58 AuAii [Sticker]
14:03 Quentin LECLER What music do you usually listen to relax ?
14:15 AuAii I like Luk Tung songs, and Thai indy music
14:15 AuAii And you?
14:19 Quentin LECLER Mostly Thai Issan songs I like also sometimes jazz music
14:19 Quentin LECLER For relaxation
14:21 Quentin LECLER I actually go dance on stage one time band played Issan song 😊
14:21 Quentin LECLER They teach me basic Thai traditional dances moves 😊
14:25 Quentin LECLER Testez cette playlist : Chill Jazz Vibes 🎵 mellow jazz beats & jazzhop
https://open.spotify.com/playlist/4vCAD6vcB6mSE1LM1Whb4r?si=ubknCD1PRFCe_osNh90lDQ&pi=e-aVXXVGr6TIih

14:45 AuAii At my work also open jezz music
14:46 Quentin LECLER It makes me more calm
14:48 AuAii [Sticker]
14:49 Quentin LECLER Did you go to Issan festival or karaoke in your province ?
14:55 AuAii Yes i went sometimes when I were young
14:56 Quentin LECLER Maybe you'll laugh but I was the one more interested about Issan songs and karaoke 😊
14:57 AuAii That's good
14:57 AuAii Are you a good singer?
14:58 Quentin LECLER "Actually no I just played piano when I was kid

But my mother was a singer in the opera in Belgium "
15:00 Quentin LECLER So she take me everywhere since i was a kid and teach about about music also and instruments before she make me sing but I was about 10-14 years old
15:00 Quentin LECLER Maybe I was not bad that time 😊

15:02 AuAii That's good 😊
15:02 AuAii So you might be a good singer too
15:02 Quentin LECLER Maybe that's why I care more than her about Thai music and instruments that we don't have here
15:03 Quentin LECLER If I choose that path maybe but I choose IT 😊
15:03 Quentin LECLER But still care about music also
15:04 Quentin LECLER "And the Thai instruments I never played but would like to learn maybe one day

Can you play instruments ?"

15:04 Quentin LECLER Music *
15:08 AuAii No i'm not good about it
15:08 AuAii IT it's also good, it's hard to understand too
15:10 Quentin LECLER "Yes ok but it's not for everyone but it's actually pretty good here

I tried to apply in bkk but it's actually harder than here for lower wage "

15:11 Quentin LECLER It's*
15:12 Quentin LECLER I think I find maximum 100k thb
15:12 AuAii Ok i see
15:12 AuAii Oh you meant a job here
15:13 Quentin LECLER Here we still have benefits like healthcare free, retirement plan, education free even universities , special allowances for children, extra day off to take care of the children all paid
15:14 Quentin LECLER Yes I planned to come here before and searching jobs
15:15 AuAii That's good there
15:15 Quentin LECLER But to have a family there it's pretty tough and it's actually pretty expensive
15:16 AuAii Yes in Thailand it's low salary that's why a lot of people want to go to work abroad
15:16 Quentin LECLER It's very different than our country
15:16 AuAii Yes it's good government there
15:17 AuAii Not same here
15:17 Quentin LECLER Yes about work it's pretty hard especially for Thai people
15:17 Quentin LECLER And working hours is also very different
15:18 AuAii Yes it's big difference
15:18 Quentin LECLER I saw on the news about new government and thought it's going to get better but it doesn't seems it's going that way
15:19 AuAii Yes it's all about corruption here
15:20 Quentin LECLER I saw that yes but I don't want to criticize many things I love there don't get me wrong
15:20 Quentin LECLER Also no country is actually perfect
15:21 AuAii Yes i know
15:21 Quentin LECLER Thing is Thai people deserve better actually
15:22 Quentin LECLER But it's better not say too much there 😊
15:24 AuAii Yes Thai people want government to solve the problem and make have a better life
15:25 Quentin LECLER "Yes but the issue is the government corruption and military / royalty involved in this corruption

So it's pretty hard to change because they have so much power"

15:26 AuAii Yes that's right :(

15:29 Quentin LECLER "Before (about 100y ago) in Belgium and other countries workers had to fight to earn weekend paid and regulated working hours, healthcare, retirement ,etc it didn't come free.

It was actually pretty big fight and they stopped working until they get the rights they asked "

15:30 Quentin LECLER What I like about Thailand is more about the cultural aspect and the people, food, music, etc :)

15:31 Quentin LECLER Don't want to break the mood sorry

15:31 Quentin LECLER I'm sorry you must be sleepy now

15:33 AuAii It's ok, 😊

13:43 Quentin LECLER Isn't expensive that area ?
13:44 AuAii Will try to find another the place
13:44 AuAii Yes it's expensive here because it's closed to BTS
13:44 Quentin LECLER Yes I thought so
13:45 Quentin LECLER For me I just have my loan to pay so if I want to move I just put for rent
13:45 Quentin LECLER Yes some shops in thong lor even more expensive than Luxembourg
13:46 Quentin LECLER Specially for jewelry, etc
13:46 Quentin LECLER Surprised me a lot
13:47 Quentin LECLER Also for all imported stuff and brands
13:50 AuAii Yes everything is expensive in Thonglor area
13:50 AuAii I used to stay with my sister in Prompong, the food it's more cheaper there
13:51 AuAii Maybe i will move there again after i finish with this contact
13:51 Quentin LECLER you move there because of the bts only ?
13:53 Quentin LECLER What is she doing for a living your sister ?
13:54 Quentin LECLER must not be easy for you to pay all by yourself
13:58 AuAii It's closed to my work
13:59 AuAii She's teaching at Thai cooking school
13:59 Quentin LECLER Oh that's right you told me I could go learn about thai cooking with her :)
14:01 AuAii Actually i moved here because my ex just made a contact here for 1 year so i have to stay here until finish the contact

14:02 Quentin LECLER Oh I see did you make contract together ?
14:02 Quentin LECLER Did he stayed in bkk ?
14:08 AuAii No he's not in Bangkok
14:08 AuAii He's working and living in Boston
14:09 Quentin LECLER I see
14:09 Quentin LECLER thanks for your honesty :)
14:10 Quentin LECLER You probably had different plans that time
14:10 AuAii And my mom just come to be with me since i broke up with him
14:10 Quentin LECLER so bad what happened :/
14:10 Quentin LECLER But its for the best
14:11 Quentin LECLER its good you have your mother support you

14:11 Quentin LECLER my mom also support me
14:11 AuAii Yes and the bad thing he came to Thailand and stayed at the hotel opposite the condo with another girl he just met and he lied to me that he's in Boston
14:11 Quentin LECLER and she warned me many times about her
14:12 Quentin LECLER omg
14:12 Quentin LECLER this is crazy
14:12 AuAii Yes it's crazy
14:12 Quentin LECLER anyway what could you possibly do with someone like that anyway?
14:12 AuAii He's always live at Marriott hotel every time he comes to Thailand
14:12 Quentin LECLER have kids and family?
14:13 AuAii And i just known this from his friend
14:13 Quentin LECLER it's good he warned you
14:14 Quentin LECLER same for me if I didn't cough her I wouldn't know and stay with her even she cheated on me
14:14 Quentin LECLER better be done with it quick so I would not waste more time
14:15 Quentin LECLER and actually be with someone who deserve it
14:15 AuAii No he just told me by accidently
14:15 Quentin LECLER not someone who stay for benefits and lie and cheat
14:16 Quentin LECLER really
14:17 Quentin LECLER you must feel so bad
14:17 Quentin LECLER took me more than 1 month
14:17 AuAii Yes it hurts me a lot
14:17 Quentin LECLER why anyone would do this I don't get it
14:18 AuAii I used to love ,trust and be royalty to him
14:18 Quentin LECLER I like to be honest and talk you know any issues that happened we just talk
14:18 Quentin LECLER about it
14:18 AuAii But the thing he gave back to me, it was so painful
14:19 AuAii It's just wasted my time with the wrong man
14:19 Quentin LECLER Maybe he just doesn't deserve you
14:19 Quentin LECLER same as me
14:19 AuAii He just met that girl from the party that his Thai friend made it here
14:20 Quentin LECLER how long where you together ?
14:21 AuAii She's working at the bar, like the entertainer, his friend told me that he didn't think that gonna happen to be like this, he feels sorry to me so he told me about this story
14:22 Quentin LECLER Imagine you would be married with kids and this happened
14:22 Quentin LECLER would be much much worse
14:22 Quentin LECLER better this way
14:23 Quentin LECLER we both waste too much time on someone that wasn't worth it better be done with it :)
14:24 Quentin LECLER He clearly wasn't serious so you would just waste more time like I did
14:25 AuAii Yes why did we waste so much time with these people
14:25 Quentin LECLER I learn hard way I loose a lot of time
14:25 Quentin LECLER and forgive her
14:26 Quentin LECLER and she did again

14:26 Quentin LECLER part of our issue is that we love too hard
14:26 Quentin LECLER I think
14:26 AuAii Yes i thought he'd be last
14:27 Quentin LECLER I just try everything to please here and forgive her but someone cannot change that easy
14:27 Quentin LECLER you know
14:27 AuAii Yes i know
14:28 Quentin LECLER Its about her behavior you cannot change that
14:28 Quentin LECLER I tried
14:28 Quentin LECLER It didnt work
14:29 AuAii Yes me too i tried so hard with him
14:30 AuAii He's a party man, i thought he'd changed for me , he's always said he'll try to be a better man
14:30 Quentin LECLER She was a party girl
14:31 Quentin LECLER Now I understand it was already red flag
14:31 AuAii I always trusted him, and try to understand sometimes he has to go with friends
14:31 Quentin LECLER for someone that wanted serious relationship to buikd a family and children
14:31 Quentin LECLER have
14:32 Quentin LECLER cannot change that easy
14:32 AuAii Yes i know now
14:32 Quentin LECLER my god the same happened to me
14:32 Quentin LECLER so I let her go alone
14:33 Quentin LECLER and she just cheated on me in my back :O
14:33 AuAii Oh that's bad
14:33 Quentin LECLER and pretend nothing happened and I take her work everyday
14:33 Quentin LECLER and smile at me
14:33 Quentin LECLER until I cough her in that house
14:33 Quentin LECLER she still try to denied it but I said its too much you need to leave
14:34 Quentin LECLER she didnt want to leave actually
14:34 AuAii I'm not a party girl, i don't drink alcohol i only drink and go with him when he came to Thailand only
14:34 Quentin LECLER same
14:35 AuAii I tried to be a good gf and want him to be happy so i just go with him
14:35 Quentin LECLER Did you feel you could have a family together ?
14:35 Quentin LECLER and children ?
14:36 Quentin LECLER Honestly I never feel I could actually
14:36 AuAii Yes he said he wants to have a baby
14:36 Quentin LECLER having fun is one thing having family and children is another thing
14:37 Quentin LECLER she wanted her mother come to take care of the kids
14:37 Quentin LECLER because she cannot do herself
14:37 Quentin LECLER imagine that
14:37 Quentin LECLER even blacko she dont even care to bring him outside
14:38 Quentin LECLER how can she care children if she cannot even care one dog
14:39 Quentin LECLER but she was partying a lot and drink a lot so she wasnt just serious and I just loose my time with her

14:40 Quentin LECLER Instead of choosing someone that deserve it
14:40 AuAii He told me before we were in a relationship he wanted to get married and have a family before 30 years old, and it's same as me i always dreamt to have a warm family but now he's break everything
14:40 Quentin LECLER how old was he?
14:41 AuAii He's younger than me 2 years
14:41 AuAii 32
14:42 Quentin LECLER many guys are not mature actually before 35 sometimes even older
14:42 Quentin LECLER but not all I have friends who already married with kids and serious
14:42 Quentin LECLER and have couple life for more than 10 years
14:43 Quentin LECLER Depends but mostly party guy
14:43 Quentin LECLER is red flag
14:44 AuAii Yes it's hard for me to trust a guy again
14:44 Quentin LECLER same with her actually and time go very fast
14:44 Quentin LECLER Same
14:45 AuAii But when I started talking with you i feel more comfortable, maybe we have same issue and understand each other
14:45 Quentin LECLER I think we have very similar personalities
14:46 AuAii Yes i think so
14:46 Quentin LECLER and have same lifestyle pretty much
14:46 AuAii Yes :)
14:47 Quentin LECLER I'm happy we find each other na :)
14:47 AuAii Thanks me too
14:47 AuAii ☺
14:47 Quentin LECLER maybe bad things bring good things after all
14:48 Quentin LECLER And its for the best
14:48 AuAii Yes i hope so and heard about that:)
14:48 AuAii My family always said that to me, try to cheer me up
14:48 Quentin LECLER we just dont know it yet
14:48 Quentin LECLER whats good for us
14:50 Quentin LECLER actually I feel it didnt work
14:51 Quentin LECLER but choose to close eyes
14:51 Quentin LECLER because of love
14:51 Quentin LECLER I think they right about it
14:52 AuAii Yes we're just blind when we really love someone
14:52 Quentin LECLER yes I know everyone told me but I didnt listen
14:52 AuAii Yes me too
14:53 Quentin LECLER I would do anything for someone I love maybe too much
14:54 Quentin LECLER I did that and almost loose my job before
14:56 AuAii It was so terrible last time i went to the club with him and his friends, i was drunk and we get losted and he left me alone and went with his friends
14:56 Quentin LECLER but someone who really love you dont want to cause you issues actually
14:56 Quentin LECLER and be supportive
14:56 Quentin LECLER wow
14:57 Quentin LECLER You won't have that issue with me (moon laugh)
14:57 Quentin LECLER but honestly who could do that
14:57 Quentin LECLER to the one he trully love
14:57 Quentin LECLER its beyond me

15:00 Quentin LECLER like she did in the past
15:01 Quentin LECLER maybe its meant to be like this
15:01 Quentin LECLER so we know whats good for us and warned us

16:03 AuAii Maybe you won't talk with me anymore after i tell you this
but i want to be honest and tell you the truth. I already have a baby
with my ex, it was my big mistake that i trusted him that he told me he
wanted to have a baby so i give him a baby and now he left me and the
baby to have a new gf. It was so hard for me, i tried so hard for my
baby, i want her to have a warm family , i want her to have a dad same as
other baby but i couldn't allowed and accepted that he's cheating on me
and have another gf, i asked him to stop with that girl for the baby, but
he told me he can't do that he loves her so much and it's hurting me so
much, i just feel sorry for my baby and i hope one day she will
understand and forgive me. Sorry i didn't tell you this story before, but
you seem a good guy so i don't want to hide and hurt you again, maybe you
can find a better girl to than me
16:05 Quentin LECLER how old is your baby ?

16:07 Quentin LECLER "I am good guy and you looked like good girl

If you have anything you didnt told me just tell me

If you want to know something about me just ask me

But don't keep any secrets with me because I already hurt a lot"

16:07 Quentin LECLER I want one thing honesty
16:09 Quentin LECLER You did the right thing and it doesnt change
anything between us
16:10 Quentin LECLER Just please if you have more things to say just
tell me everything
16:10 AuAii Ok i will tell you everything
16:10 Quentin LECLER I want us to be completely honest
16:10 Quentin LECLER 100%
16:11 Quentin LECLER most guys will not but Im not most guys
16:11 AuAii I don't want to lie to anyone and i don't want anyone lie to
me too
16:12 Quentin LECLER Same for me
16:12 Quentin LECLER all I showed you is the truth
16:12 Quentin LECLER and I didnt hide or lie to you about anything

16:12 Quentin LECLER I never have children
16:12 Quentin LECLER yet
16:13 Quentin LECLER We could have but I never felt it was good idea
16:13 Quentin LECLER My mom raised me alone
16:13 Quentin LECLER no dads

16:14 Quentin LECLER all I shared you is my life all true
16:15 AuAii Yes i trust you 100
16:15 Quentin LECLER you know you can trust me
16:15 AuAii Yes that's why i told you

16:25 AuAii And i understand them my baby is too young,
16:26 Quentin LECLER if you done with him and dont want him involved
with your daughter
16:26 Quentin LECLER then its different you can build your own family
16:27 Quentin LECLER but its hard for most guys because they dont want
to take care of someone else children
16:27 Quentin LECLER but not all
16:28 AuAii You're a good man, and i think maybe you can find a perfect
girl who is better than me

16:28 Quentin LECLER I still want to see you and nothing changes just so you know
16:28 AuAii Thanks for your kindness
16:28 Quentin LECLER but I just want we stay honest from now on
16:29 Quentin LECLER because I learn hard way the lies eventually you'll know them
16:29 AuAii Yes i know
16:30 Quentin LECLER If you dont want to see him and be involved then we can meet and I would be happy to see your daughter also
16:30 AuAii When you hate something you don't do it and don't want anyone do the same to you
16:30 Quentin LECLER I'm never going to judge you

16:34 AuAii Yes i know
16:34 AuAii I could never trusted him again
16:34 Quentin LECLER you can still have family with someone else that will accept you
16:34 Quentin LECLER and your daughter

10:11 Quentin LECLER did you have days off to take care of her ?
10:11 AuAii Yes she's always happy to go outside ☺
10:12 AuAii I spent 3 months taking care of her
10:12 Quentin LECLER when is last time we come see her ?
10:13 Quentin LECLER yes its important you spend time with her
10:13 Quentin LECLER he*
10:13 AuAii September since she was born
10:14 Quentin LECLER Do you want to see him again ?
10:15 Quentin LECLER incredible
10:16 Quentin LECLER umbelievable for me I would be ashamed of lyself
10:16 Quentin LECLER myself
10:17 Quentin LECLER I still have hard time understanding really
10:21 Quentin LECLER She look so cute
10:38 Quentin LECLER If you are an American citizen and you have a
child born in Thailand, your child is a US citizen by birthright. In
order to prove your child's US citizenship and receive a US passport, you
have to register the birth at the US Embassy or Consulate in Thailand.
10:38 Quentin LECLER <https://www.thaiembassy.com/us-visa/us-embassy-thailand#:~:text=If%20you%20are%20an%20American,Embassy%20or%20Consulate%20in%20Thailand.>
10:38 Quentin LECLER But I'm sure you dont want him involved with you
or her
10:38 Quentin LECLER anymore and you would be right
10:51 Quentin LECLER how is your work going ?
10:53 AuAii Yes i have been talking with his Thai friend, he's a man, he
said i can do that for myself but i have to pay for the progress, if her
father do at the USA will be more easily so i don't know
10:54 AuAii Sorry have been busy with work for a while
10:54 Quentin LECLER If you don't want him in your life or your
daughter better move on
10:55 AuAii Yes i know and I'm trying to
10:56 Quentin LECLER I know you're very strong :)
10:57 AuAii But i want my daughter to also have the USA nationality too
for her future when she grows up
10:58 Quentin LECLER I understand
10:58 AuAii But he's really don't care about anything
10:59 AuAii He just cares about himself
10:59 AuAii Never thought about his daughter
11:00 AuAii I don't know why i was so blinded to loved and trusted a
selfish man like him
11:00 Quentin LECLER "if we love each other I can accept her as my
daughter and we can actually have family together here in europe I think
it would be good for ploy also

it's sad but this guy is just not serious"
11:02 AuAii Thanks for being so kind to my baby :)
11:02 Quentin LECLER if he be serious you'll know by now
11:02 Quentin LECLER no one do like that to one of his children
11:02 Quentin LECLER I never heard that before and feel so sorry for you
11:03 AuAii Everytime i bring Ploy outside with me, many people always love and care about her accepting her dad
11:04 Quentin LECLER She deserve someone who's going to take care of her
11:05 AuAii He doesn't have a parents, he told me he didn't know he's his dad and his mom dead when he were young
11:05 Quentin LECLER doesn't matter
11:05 AuAii His grandmother takes care of him
11:06 Quentin LECLER no one could do that
11:06 Quentin LECLER or he must care himself only
11:06 AuAii But i thought he would be nice to his daughter and fix what he did in the past
11:06 AuAii But i also did the same thing to Ploy same as him
11:06 Quentin LECLER cannot change so easy like that
11:07 AuAii Yes he only wants to make himself happy
11:07 Quentin LECLER hes' not family guy
11:07 AuAii Don't even care who will be sad and hurt
11:07 AuAii All my family used to love him like a son because known about his parents story
11:08 Quentin LECLER It's no excuse
11:08 Quentin LECLER nothing can explain what he did
11:08 Quentin LECLER I don't even understand how its possible myself
11:09 AuAii Yes i believe one day he will regret and get what he did to me and Ploy
11:09 Quentin LECLER If I where him I would be so happy already to have beautiful wife and daughter
11:09 AuAii I always believe in Buddha's
11:09 AuAii When you do the good things you will get it back
11:10 Quentin LECLER its his karma
11:10 Quentin LECLER i believe that also
11:10 AuAii If you do bad things bad thing will return it back
11:10 Quentin LECLER exactly
11:10 Quentin LECLER why did we waste time so much
11:11 Quentin LECLER with someone who dont deserve it
11:12 Quentin LECLER I wasted 4 years
11:13 Quentin LECLER I'm lucky I didnt have children with her
11:13 Quentin LECLER she also is same as your ex
11:13 AuAii My mom doesn't have a son, she really wanted to have a son before, and she used to loved him like a son and gave him a special monk before he upgraded and promoted to be a manager but the things he gave it back to my family is hurting and sadness 😞
11:14 Quentin LECLER same as me my mom always be good to her
11:14 Quentin LECLER but she just not good to my mom
11:14 Quentin LECLER or me
11:15 AuAii As i used to tell you before why good man never met a good girl, why do we have to be hurt and sad before find the right person
11:15 Quentin LECLER even I sick she dont care

11:15 Quentin LECLER when she sick i take her doctor take care of her everytime
11:15 Quentin LECLER Yes exactly
11:16 Quentin LECLER I just want someone kind and ready to accept her like she is
11:16 Quentin LECLER just honest person
11:16 AuAii I believe my mom will like and love you like her son, because you're easy man
11:17 Quentin LECLER :)
11:18 Quentin LECLER My mom would also love you I think she's very easy going person
11:18 Quentin LECLER and just want me happy
11:18 Quentin LECLER She want to be grandmother so bad
11:18 Quentin LECLER actually
11:19 Quentin LECLER but she knows its not good idea with her
11:19 Quentin LECLER so she very sad
11:19 Quentin LECLER for me and didnt understand why i tried so hard with her
11:19 Quentin LECLER we never could have children together
11:20 Quentin LECLER because she just not serious enough
11:20 Quentin LECLER and she lie and cheat and hide things from me
11:20 Quentin LECLER It never could have worked
11:22 Quentin LECLER I would be honored to see your family :)
11:23 Quentin LECLER I always try to be honest about everything even it hurts
11:23 Quentin LECLER its better than lie for me
11:24 Quentin LECLER because the lies you will discover one day and it will hurt you more
11:37 AuAii Yes that's right
11:37 AuAii Better to say the truth
11:38 Quentin LECLER I learn hard way
11:38 Quentin LECLER but I was always honest with her
11:39 Quentin LECLER and never understand her
11:39 Quentin LECLER I'm happy you trusted me enough to tell me everything
11:40 AuAii Yes sorry i didn't tell you before
11:40 Quentin LECLER I understand why
11:40 Quentin LECLER But I'm not most guys
11:41 Quentin LECLER and most guys on tinder are not actually looking for serious relationships I think
11:42 Quentin LECLER We don't know each other for long
11:43 Quentin LECLER but actually seems like more than 2 weeks
11:43 Quentin LECLER we talked a lot :)
11:51 AuAii Yes i feel like we know each other for a long time
11:52 Quentin LECLER I feel the same :)
11:53 AuAii [Sticker]
11:55 Quentin LECLER I'm happy we've met :)
11:55 AuAii Yes me too i feel the same
11:56 AuAii I feel we're really closed even we just know each other
11:56 Quentin LECLER We both have very difficult time maybe it bring us closer
11:58 Quentin LECLER share the same lifestyle and have many things in common :)
11:59 Quentin LECLER and we can understand each other better

12:00 Quentin LECLER we seems both easy going and understanding
12:02 Quentin LECLER you helped me more than you think already

12:12 Quentin LECLER But its good for me I think
12:12 AuAii That's long with the cold temperatures
12:12 Quentin LECLER the water is 27 degrees so it's ok
12:12 Quentin LECLER not too cold

12:16 AuAii That's good
12:16 AuAii It's ok now not so busy for me

12:17 AuAii She's always excited to see me when i get back home
12:18 Quentin LECLER ":)

My mom always wanted to be grandmother"

12:19 Quentin LECLER it's normal you should spend as much time with her as possible
12:19 Quentin LECLER she still so young and so cute
12:35 Quentin LECLER I really don't understand him I would be so happy already
12:35 Quentin LECLER And my mom also :)

12:46 AuAii And they don't want him go back to step their home anymore
12:47 AuAii First they want me to keep patient and wait for him to come back because they want Ploy to have a warm family
12:47 Quentin LECLER If I was your dad I want to punch him in the face for sure
12:48 Quentin LECLER Such an asshole
12:48 AuAii But since they known the story that he came to Thailand and stayed with another girl at the hotel opposite the condo and didn't even come to visit Ploy
12:48 AuAii They was so angry and upset about him

12:49 Quentin LECLER "How can you have family with someone like that ?

15:04 AuAii Your mom also a strong woman that you take care you alone and teach you to be a good guy
15:05 Quentin LECLER very strong she divorced my dad and I go court to the judge at only 7 years old

15:27 Quentin LECLER I'm pretty understanding person I always try to talk and be open about anything
15:27 Quentin LECLER I tried that before but not everyone is willing to be open and honest
15:27 Quentin LECLER about anything like that
15:28 AuAii Yes not anyone can't do that
15:28 Quentin LECLER But I think it's building trust between us and trust is the most important thing
15:29 Quentin LECLER I think we both learn the hard way
15:30 Quentin LECLER I naively though that everyone can be that way
15:31 Quentin LECLER some people like to hide things and just not honest and never face the truth never want to admit their wrong doing
15:31 Quentin LECLER even its obvious they'll denied it
15:32 Quentin LECLER some people live in the lies and other live in the truths
15:32 Quentin LECLER and we cannot change them
15:33 AuAii Yes that's right 100
15:33 Quentin LECLER better avoid them and stay in the light and go forward with better people
15:34 AuAii Yes i agree with you
15:34 Quentin LECLER they never can be satisfied or happy

So she has someone who take care of her like a dad "

17:34 AuAii Actually Ploy doesn't like to play and smile to strangers but this man, she's smiling at him
17:35 AuAii Thanks she's deserved that kind of love
17:35 Quentin LECLER She need a dad and she saw your ex so try yo identify him
17:35 Quentin LECLER Somewhere else
17:36 Quentin LECLER To someone else

17:36 Quentin LECLER When I go to meet you I would like to spend as much time with her
17:36 Quentin LECLER :)
17:37 Quentin LECLER Dont actually need to travel just see her and you happy would make me happy ☺
17:37 AuAii Thank you so much , i just feel you're a good man, why your ex didn't want to keep you
17:38 Quentin LECLER And take care of her and you
17:38 Quentin LECLER "She never satisfied or happy

I never be enough"

17:38 Quentin LECLER For her
17:38 Quentin LECLER Never have enough never travel enough or do enough things
17:39 AuAii You're the only who i feel free to talk and share this story with
17:39 Quentin LECLER The more I tried the less she good to me
17:39 Quentin LECLER The worst she treat me
17:39 Quentin LECLER Even my mom notice and cannot accept
17:39 Quentin LECLER She treat me so bad like that almost like I work for her
17:40 Quentin LECLER Give me orders and never be nice to me
17:40 Quentin LECLER I feel better with someone like you we similar somehow
17:40 AuAii Sorry to hear that, i think my ex same as her too
17:41 AuAii He's like to be a boss
17:41 Quentin LECLER "I take her work everyday and pick her she never appreciated

I let her drive company car so it's easier until I had issues my boss noticed "

17:41 Quentin LECLER And I almost got fired
17:42 Quentin LECLER I did everything so she have easy life here and do everything for her so she don't need to do a lot
17:42 Quentin LECLER But it's never be enough
17:42 AuAii "At first he was nice to me, after i'm pregnant everything changes
hee's asking me to do and follow him"
17:43 Quentin LECLER Exactly
17:43 Quentin LECLER She want to decide everything and change me
17:44 Quentin LECLER She don't want I question anything she said
17:44 Quentin LECLER She never accept her own mistake but blame others
17:44 Quentin LECLER She never admit she's wrong
17:45 Quentin LECLER She want I follow her in everything even it's just not smart at all
17:45 Quentin LECLER If I don't do it she get mad and try to blackmail me
17:45 Quentin LECLER Or pretend she's leaving me
17:46 Quentin LECLER Or say I'll find better men I can go see my ex he can take care of me better than you
17:46 Quentin LECLER Just so I feel bad and do what she asked
17:46 Quentin LECLER She's just toxic
17:46 Quentin LECLER And abusive person

17:46 AuAii Yes that's not a real love, if you want to be a boss, just find a slave not love
17:47 Quentin LECLER "Now she alone she tried to contact me I didn't reply and blocked her

I'll"

17:48 AuAii Is she in Thailand now?
17:48 AuAii Or still there?
17:48 Quentin LECLER She has her own apartment
17:48 Quentin LECLER I never want to see her again
17:49 Quentin LECLER She try to destroy me almost
17:49 Quentin LECLER She will probably need to back Thailand anyway
17:50 Quentin LECLER Still in Belgium but we're divorced
17:50 AuAii Ok i see
17:50 Quentin LECLER Her visa might get cancelled
17:51 AuAii Why not?
17:51 Quentin LECLER Because the only reason she get it is because we where married
17:51 AuAii Oh i see
17:52 Quentin LECLER And now we divorced so the government might cancel her visa
17:52 Quentin LECLER Like 2years ago when she cheated on me for the first time
17:52 Quentin LECLER And I forgive her
17:52 Quentin LECLER I did more than I could with her
17:52 Quentin LECLER Don't you agree ?
17:53 AuAii Yes i know it's because you love her and forgive her
17:53 Quentin LECLER I don't have choice I had to make her leave and divorce
17:53 AuAii And hope she could never done it again
17:54 Quentin LECLER Exactly
17:54 Quentin LECLER I just naive too much
17:54 Quentin LECLER About love
17:55 Quentin LECLER And try hard for someone that didn't deserve it
17:55 AuAii Same as my ex ,
17:55 AuAii He's also did the same as her
17:55 Quentin LECLER Yes
17:56 Quentin LECLER I know that's why we understand each other
17:56 Quentin LECLER Just I stay 4 years married trying hard
17:56 Quentin LECLER Loosing time
17:57 AuAii He used to say it he wants to have a baby with me, if i couldn't have a baby he'll find a younger girl who can give me that, it wasn't a joke to say that
17:57 Quentin LECLER My god
17:58 Quentin LECLER Someone like that doesn't love you
17:58 AuAii He said i'm joking, but i wouldn't say that to anyone i loved
17:58 Quentin LECLER Same here
17:58 Quentin LECLER Her
17:58 Quentin LECLER They just love themself
17:58 Quentin LECLER Selfish
17:59 Quentin LECLER I would never say that to you
17:59 AuAii Yes, after i give him a baby, he's has a new gf
17:59 Quentin LECLER Or anyone I love
17:59 AuAii His friend told me that his new gf might be older than me

17:59 Quentin LECLER Actually I would never would make you in difficult situation but waited you get visa and come here and then have family

18:00 Quentin LECLER Not leave you there alone

18:00 Quentin LECLER With daughter it's nonsense

18:01 Quentin LECLER And selfish

18:01 Quentin LECLER And very immature

18:01 AuAii Yes i still not get married with him, it's just a small engagement with family and some relatives

18:01 Quentin LECLER You never had Thai wedding ?

18:02 AuAii But as i told you my parents is getting old, and they really want a grandchild so they allowed me to have a baby with him

18:02 Quentin LECLER Honestly the best thing he did in his live is your daughter

18:03 Quentin LECLER And mostly everyone can do it

18:03 Quentin LECLER It's not make you a dad

18:03 AuAii Because they just loved and trusted him like a son who can take care of their daughter

18:04 Quentin LECLER It's huge responsabilité

18:04 Quentin LECLER Responsibility

18:04 Quentin LECLER You know

18:04 Quentin LECLER To be a dad

18:04 Quentin LECLER I don't think he mature enough to get it

18:04 AuAii Yes i know

18:04 Quentin LECLER Probably he will understand one day

18:05 Quentin LECLER He just made big mistake

18:05 AuAii He's always fix the problem with the money

18:05 Quentin LECLER And maybe he will want to go back to you

18:05 Quentin LECLER Like her

18:05 AuAii He always thought money can buy everything

18:05 Quentin LECLER Very stupid

18:06 Quentin LECLER I won't blame you to choose him because I choose her

18:06 Quentin LECLER Also

18:06 Quentin LECLER Very big mistake

18:06 AuAii I'll never walk back to him anymore

18:06 Quentin LECLER I hope so

18:06 Quentin LECLER For your own good

18:07 Quentin LECLER Same as me

18:07 Quentin LECLER People like that never changed

18:07 AuAii I had enough hurt and painful from him

18:07 Quentin LECLER I feel you 100

18:07 AuAii I always try to keep patient and wait for him for him to be a better man

18:08 AuAii I had enough tear for this

18:08 Quentin LECLER We be honest 100

18:08 Quentin LECLER To each other

18:08 AuAii And i never want to walk back to that again

18:09 Quentin LECLER You right but he might try to manipulate you

18:09 Quentin LECLER She try that before

18:09 Quentin LECLER And use ploy

18:09 Quentin LECLER Against you

18:10 Quentin LECLER I don't know him like you do

18:10 Quentin LECLER But my ex do that to me

18:10 Quentin LECLER Make me feel bad

18:10 AuAii I know him really well
18:10 AuAii He likes freedom life
18:10 Quentin LECLER Try to manipulate me to get what she want
18:11 AuAii He never told anyone that he has a baby
18:11 Quentin LECLER Even text me said I'm depressed
18:11 Quentin LECLER And wanted me to back
18:11 Quentin LECLER I just blocked it all
18:11 Quentin LECLER Maybe she going to come to cry here so I pick her
back
18:11 Quentin LECLER But I won't
18:11 AuAii He told me don't post pictures of the baby
18:12 Quentin LECLER Why not
18:12 Quentin LECLER Immature life
18:12 AuAii You know i trusted him and never posted any during pregnancy
18:12 Quentin LECLER He should be with my ex
18:12 Quentin LECLER Actually the same
18:12 Quentin LECLER Personality
18:13 AuAii I only posted the first time Ploy birthday
18:13 Quentin LECLER Why did I choose her
18:13 Quentin LECLER I wonder
18:13 AuAii His Thai friend still doesn't know that he has a baby
18:14 Quentin LECLER She played someone she was not
18:14 Quentin LECLER When we met
18:14 Quentin LECLER Then she changed when she come here
18:15 Quentin LECLER I should have noticed some details in Thailand
that I shouldn't have accepted
18:15 Quentin LECLER What he can do about it
18:15 Quentin LECLER He not even a dad
18:16 Quentin LECLER He should be the one who care her
18:16 AuAii Yes we had a bad experience about last relationship
18:16 Quentin LECLER Not give you stupid requests
18:16 Quentin LECLER He really don't have anything to say because he
not behave like dad
18:17 Quentin LECLER It's a shame really
18:18 Quentin LECLER Im sorry isn't it late for you ?
18:18 AuAii He's never been to the hospital with me during my pregnancy
until now
18:18 Quentin LECLER If I where him I would be there every single day
18:18 Quentin LECLER Sleeping there
18:19 Quentin LECLER It's normal thing to do !
18:19 Quentin LECLER Just be there and support you and your daughter
18:20 Quentin LECLER I don't understand really
18:20 AuAii He has been to Thailand only 1 time since i pregnant, on the
day i have to go follow up with the doctor he just didn't want to go with
me and say to me that he doesn't feel good and told me to go alone
18:21 Quentin LECLER I would give you hug if I where there to you now
18:21 Quentin LECLER With
18:21 Quentin LECLER I feel bad for you
18:21 AuAii He's always said he didn't feel good with the sun and hot
temperature
18:22 Quentin LECLER lol
18:22 Quentin LECLER [Sticker]
18:22 Quentin LECLER So stupid (haha)

18:22 AuAii You know i have been keeping patient since i pregnant because i want my baby to have a warm family

18:23 AuAii I thought he would change after he saw Ploy

18:23 Quentin LECLER I know but it's not possible with him

18:23 Quentin LECLER Like it's not possible with her

18:23 Quentin LECLER I could give her a baby also

18:23 Quentin LECLER I just didn't want to

18:24 Quentin LECLER And I didn't want the baby to have mom

11:13 Quentin LECLER Because we had exchange programs between eu countries all free
11:13 Quentin LECLER And can work and live in any eu country we want without anything to do
11:15 Quentin LECLER It's not perfect but it's more fair
11:22 Quentin LECLER "It's one of the few things I don't like in Thailand

11:30 Quentin LECLER Always makes me sad to see we don't have that much difference here
11:31 Quentin LECLER There is poor people also but we have government help for everyone
11:31 Quentin LECLER Not like Thailand

15:03 Quentin LECLER "Would have been different with you probably 😊

Seems we understand each other about many things "

15:04 AuAii My ex was a sensitive guy, he didn't want to go anywhere or
get into the sun, last time we went to Phuket, we didn't go outside much,
just stayed around hotel area, sometimes i just bored, want to go outside
and explore more but he didn't want to, even the food he always not easy
to eat anything, can eat only a few food here, can only eat 5 stars
hotels, sometimes i'm just boring want to eat street food or spicy food,
i always keep patience and want to make him happy same as you did to your
ex

15:04 AuAii We have been tried so hard with the ex to keep the
relationship

15:05 AuAii I would be happy to travel with someone i love and share the
moment together

15:05 Quentin LECLER Me too 😊
15:05 AuAii That's the value time

15:07 Quentin LECLER Spend time together and travel see new place visit temples
15:08 Quentin LECLER Enjoy together actually
15:08 Quentin LECLER That's why I don't really like Phuket for me it's touristic too much and not really Thailand like Issan part
15:08 Quentin LECLER But the beach is beautiful
15:10 Quentin LECLER If I want to go 5 star or expensive hotel I just stay here I don't go Thailand 😊
15:10 Quentin LECLER But actually it's not interesting for me either
15:10 Quentin LECLER I'm not that kind of guy
15:11 Quentin LECLER I think you know also a bit about me
15:12 Quentin LECLER One time in Phuket we planned to go visit temple and she supposed to have massage one hour she did 4 hours without telling me
15:12 Quentin LECLER And I just stay waiting
15:12 Quentin LECLER On the beach

15:23 Quentin LECLER "I think the same 100

It's not the place that's important "

15:23 Quentin LECLER I know 😊
15:24 Quentin LECLER So why did he go Phuket in first place ? 😊
15:30 Quentin LECLER "- I just like to go and explore
- like to sunbathing
- hate to stay in hotel or 5star places
- just enjoy local food (Issan especially)
- don't like tourist place or restaurant much
-love street food and can eat spicy(spicy)

15:31 Quentin LECLER Maybe I should have go with you and him with her in Phuket 😊
15:33 AuAii Hungry boy 😊
15:40 AuAii Hmm, actually I'm easy going going, can go sightseeing, eating local food , not only stay bored at hotel, it might be better to stay and relax at home

15:41 AuAii There's many small islands there that i wanted to visit but i couldn't go because he's always tired with the Sun and food and
15:41 Quentin LECLER For me just be together anywhere is enough enjoy local food together go see temples just share good moments together
15:43 Quentin LECLER I always wanted to similan islands

15:52 Quentin LECLER Isn't it very long for her to?
15:52 Quentin LECLER She strong like her mom already :)
15:53 AuAii When i was pregnant 5 months and was inside my belly, i bring her to the beach with my sister to Koh Larn
15:54 Quentin LECLER "I also love the beach we have in Belgium but it's not beautiful like Thailand

16:45 AuAii Yes i think so
16:45 Quentin LECLER My ex I never could understand her also
16:45 Quentin LECLER And even now I still cannot understand her
16:45 AuAii Yes it's not easy to understand someone who doesn't love us
16:46 Quentin LECLER Last thing she send me before I blocked her months ago was photo of her with sport car 😊
16:46 Quentin LECLER Probably with another guy just to make me feel bad
16:46 AuAii Even we tried to hard and tried to change everything for him/her it was still never been enough
16:47 AuAii Sorry to hear that 😊
16:48 AuAii I also see pictures of ex with new gf too
16:48 AuAii His Thai friend sent me because i asked him too
16:48 Quentin LECLER She just like that she care not about you but just things she want from you
16:48 AuAii It was hurting me a lot
16:49 AuAii I'm always working hard and taking care the baby alone
16:49 Quentin LECLER I block her everywhere and not think about her but about you better 😊
16:49 Quentin LECLER And focus on positive things
16:49 AuAii He didn't care, go to party and stay with another girl

16:50 Quentin LECLER I know
16:50 AuAii Even last time Ploy sicked and stayed at hospital 1 week, he still didn't care, still went party and drink
16:51 Quentin LECLER I would give you hug if I where there you be very strong already
16:51 Quentin LECLER With
16:52 Quentin LECLER You work very hard and take care of ploy and he just behave like kid
16:52 AuAii Yes i always try to be strong for Ploy
16:52 Quentin LECLER So sad
16:52 AuAii Be a good mom
16:52 Quentin LECLER She also behave like a kid like him partying and not serious just looking for fancy things and sport cars..
16:53 AuAii Yes same my ex
16:53 Quentin LECLER You are good mom
16:53 AuAii He's always looking for fancy things and sports car too
16:53 Quentin LECLER Cannot build family or anything with people like that just want to have fun ..
16:54 AuAii He always try to be a luxury guy
16:54 Quentin LECLER It's completely different than having a family and take responsibility and be a dad or mom

16:55 Quentin LECLER Im so sad for you
16:55 AuAii Yes I have been trying so hard with him

16:59 Quentin LECLER She said buy me new bed and we can sleep together I buy king size she sleep one night then go watch tv downstairs
16:59 AuAii But i didn't understand why he lied to me that he wanted to have a baby and family
16:59 Quentin LECLER "Until 4-5am
"
16:59 Quentin LECLER Every day
16:59 Quentin LECLER She also did that
17:00 Quentin LECLER The thing she want and the thing she think she want is totally different
17:00 Quentin LECLER "She wanted family but keep party

She want have baby but want her mother do for her"

17:00 AuAii Yes it's same as him

17:00 Quentin LECLER Nothing make sense

17:00 AuAii They should be together

17:01 Quentin LECLER Like that if I had kid with her I would be the mom and the dad

17:01 Quentin LECLER Together

17:01 Quentin LECLER And she just keep drinking and party

17:01 Quentin LECLER I think so

17:01 Quentin LECLER It's so weird we had same kind of relationship

17:02 Quentin LECLER And seems to share many things

17:02 AuAii Yes just wasted our times

15:26 Quentin LECLER until I found out 2 years ago she wasnt at her friend place but with another guy
15:27 Quentin LECLER she always said "her friend"
15:28 AuAii Sorry to hear that
15:29 Quentin LECLER "So I forgive her and even have trip with her

15:32 Quentin LECLER too much
15:33 Quentin LECLER thats why I know how it feels like
15:33 Quentin LECLER she even called before I blocked her she want I clean her clothes!!
15:34 Quentin LECLER and then she say I miss blacko I want to see him
15:34 Quentin LECLER umbelievable
15:35 AuAii Maybe that man just leaves her so she wants to come back to you
15:35 Quentin LECLER she searching someone else and still come back to the house
15:35 Quentin LECLER like nothing happened smiling
15:36 Quentin LECLER and I would take her work everyday if I didnt catch her
15:36 Quentin LECLER imagine that would even be worse than now
15:36 Quentin LECLER and then one day one guy come take all her things with sport car
15:37 AuAii Same as my ex he said he loves new gf, and he ever broke up with her , he 'll just come back to me , i just told him that i'm not a beggars who waiting for your love
15:37 Quentin LECLER "now she just had to find her own place and do everything her own

15:07 Quentin LECLER usually she go to the park with her?

15:08 AuAii Yes sometimes she just take her outside for a walk around the
condo, or the park
15:08 Quentin LECLER good you have her :)
15:08 Quentin LECLER you have good mom also :)
15:09 AuAii Yea but at first she's really doesn't want to go outside much
since i broke up
15:09 Quentin LECLER hope can meet her also :)
15:09 Quentin LECLER why ?
15:09 AuAii She's sad and shy when people asked about Ploy's dad
15:10 Quentin LECLER actually I'm said too for you
15:10 Quentin LECLER sad
15:10 Quentin LECLER and her
15:11 Quentin LECLER but I think its good for ploy to go outside
15:11 Quentin LECLER in the park :)
15:11 AuAii I also felt the same as her last time i bring Ploy to the
mall to kids zone, one baby just comes to play with Ploy and asking about
her dad, where's her dad from? Why does he come with you? i felt so bad
for her
15:11 Quentin LECLER your mother should'nt be shy or sad but just angry
to him
15:12 Quentin LECLER its not your fault
15:12 AuAii Yea she's sad and shy about Ploy
15:13 Quentin LECLER she can have a dad when I'm there :)
15:13 AuAii She's also feel sorry for Ploy that many children go outside
with parents but Ploy go alone with her because i have to work
15:14 AuAii Even go downstairs the lobby she doesn't want to go because
many people always asking about her dad
15:15 AuAii It's sad but it's real life that we had it here
15:15 Quentin LECLER I hope I can make you and her happy even just for
a week :)
15:15 Quentin LECLER I know how you fee
15:15 Quentin LECLER feel
15:16 AuAii I still never told anyone here about this story because i'm
planning to move out end of June after finished the contract here
15:16 Quentin LECLER Yes not everyone can understand
15:17 Quentin LECLER do you know where you'll go ?
15:21 Quentin LECLER "I also want to move out and rent this house.

I would be closer to my mom and Luxemburg for work."

15:21 Quentin LECLER and blacko would be more happy in countryside
15:22 Quentin LECLER I actually buy there for her so she find work in
the city but nothing there for me anymore
15:23 Quentin LECLER it's nice place but I like countryside better
15:26 Quentin LECLER before I just lived 10mn from my work in
Luxembourg but decided to move there so she had more jobs opportunities
15:28 Quentin LECLER I thought it's more time a lot for me but she can
have a job here so I did it
15:42 AuAii Ploy's waking up again lol
15:42 AuAii She's always waiting to sleep with me 😊
15:43 Quentin LECLER she want mommy with her :D
15:50 AuAii I don't know still looking for it
15:51 AuAii Yes she's always wanted to wake up and feel me next to her
15:51 Quentin LECLER yes she miss you :)

15:53 Quentin LECLER same as blacko when we go sleep always stick to me (moon laugh)
15:53 Quentin LECLER sometimes even sleep on me cannot breath (moon laugh)
15:54 AuAii Yes i know i have working all day long, when she's first see me arriving home, she's always happy and smiling to me, so i don't feel tired anymore
15:55 AuAii Because he's always thought he's a little boy

15:55 Quentin LECLER she's your little angel :)
15:56 Quentin LECLER yes he think he still little puppy (moon laugh)
15:57 AuAii Yes i heard the story dog always thinks they're a small baby and need love from the owner
15:58 Quentin LECLER in the beginning after I take him from shelter he not attached to me like this but now he very attached
15:58 AuAii Yes that's true, he'll be like this forever □
15:59 Quentin LECLER [Photo]
15:59 Quentin LECLER first time I go forest after taking him from shelter
16:00 Quentin LECLER she always want to buy dog even I told her many abandonned dogs in the shelter to take care
16:01 Quentin LECLER so I rescue one myself
16:01 Quentin LECLER she never had courage to go at the shelter and see for herself
16:02 Quentin LECLER they abandonned him he didnt even had 1y old
16:02 AuAii He's a cute boy
16:02 Quentin LECLER and stay in small room alone and look so sad and skinny
16:03 Quentin LECLER I go to him and he come to me directly

16:05 Quentin LECLER it was right thing to do :)
16:06 Quentin LECLER it so sad peoples take animals like objects like her
16:06 Quentin LECLER so materialistic and selfish
16:06 Quentin LECLER that they bring they own dog to shelter (moon unwell)
16:07 Quentin LECLER I really hate that
16:07 Quentin LECLER they just poor animals
16:08 Quentin LECLER they just want to make their owner happy and be happy always
16:08 AuAii Yes bad people always do that
16:08 Quentin LECLER its sad but it's everywhere also in thailand
16:09 Quentin LECLER for me better I don't eat than put my dog in the shelter
16:09 Quentin LECLER I really dont get them
16:10 Quentin LECLER it's also responsibility to have animals

16:12 Quentin LECLER I think you see how someone take care of others, family and animals it tells a lot about them actually
16:15 AuAii Yes this is the reason that's why I don't have a dog here, because i don't have much time to take care of him
16:15 Quentin LECLER "Even in thailand one time I go eat seafood buffet they take crabs and cooked them alive.

I didn't like it at all

here we put them on ice first so they dont feel pain and not cooked them alive like that"

16:16 Quentin LECLER yes you be very busy already :)
16:16 AuAii I used ro have a dog when i were young and we live un the countryside so he has more freedom to run outside

16:01 AuAii Ok i see
16:02 Quentin LECLER Yes she very strong like you :)
16:02 AuAii I think she's more stronger than me
16:03 AuAii Because she can handle and take care you alone
16:04 Quentin LECLER "Maybe because she divorced and have issues with custody for the me in the court

She sacrifice many things to take care of me

16:04 Quentin LECLER Now*
16:04 Quentin LECLER I think you strong like her to take care of ploy
16:05 AuAii I still have my mom to help and take care Ploy
16:05 Quentin LECLER Yes
16:05 Quentin LECLER She didn't have family to take care of me
16:05 Quentin LECLER She did all by herself
16:06 Quentin LECLER It's good you're not alone and have sister and mom with you and your dad
16:06 AuAii No it's not because of you, maybe it's because of what had eaten
16:07 Quentin LECLER Im sure why she got cancer
16:07 Quentin LECLER She always eat good food
16:07 AuAii That's why i said she's mire stronger than me to take care of you all alone
16:07 Quentin LECLER She take care of herself never drink or smoke her entire life
16:08 Quentin LECLER Yes maybe but it's good you don't have to do all by yourself
16:08 Quentin LECLER And have family support
16:09 Quentin LECLER Because alone it's very hard
16:09 AuAii Yes i know it's so hard
16:09 AuAii And i know how your mom feels

16:09 AuAii How strong she's
16:10 Quentin LECLER She work has to take care of me and no one to help
16:10 Quentin LECLER So it's normal I try everything for her and support her everything I can after what she did for me
16:10 AuAii That's so hard for her, sorry to hear that :(
16:13 AuAii Because you're a good son and have only her now
16:13 Quentin LECLER She just gave me and I just have her for family and I know what's like to not have dad who actually support and care
16:13 Quentin LECLER Have *
16:15 Quentin LECLER Maybe that's why I feel touched and actually understand about what happened to you
16:15 AuAii Yes it's hard and sad :(
16:16 AuAii Yes because you're a good man and we have many things similar
16:16 Quentin LECLER I wish you wont have all the problems she had

16:18 Quentin LECLER Yes we have :) It's good we get to know each other more everyday:)
16:19 Quentin LECLER mostly my mom has same personality as me and she was very sad ex didn't share anything with her and not interested at all
16:20 AuAii Yes everyday we talk every day we get to know each other more:)
16:20 AuAii Sorry to hear that 😞
16:21 Quentin LECLER I think it's good we could have met in real life but I'm not sure we would speak so openly
16:21 Quentin LECLER about details of our personal life
16:22 AuAii I think we won't do that if we have met in a real life
16:23 Quentin LECLER I think so too
16:23 Quentin LECLER so maybe we would know less about each other
16:23 Quentin LECLER and maybe not understand each other that much
16:24 Quentin LECLER like we do now
16:24 AuAii Yes i think so
16:25 AuAii It's good that we could talk and share via messages first before we meet in real life
16:25 Quentin LECLER And I think knowing each other well is very important :) and also trust each other and keep being honest
16:25 AuAii Yes that's true:)
16:26 AuAii Sorry I'm sleepy now

14:33 Quentin LECLER so they make it for baby (moon laugh)

14:34 AuAii Yes i know

14:34 AuAii It's better to wait to have it here in Thailand

14:35 Quentin LECLER Yes 2 month left :)

14:36 AuAii It's the same as you want to have Isan food, it's better to have in the street food or normal restaurants, if you have in 5 stars hotels the taste it's different

15:26 Quentin LECLER So I know a bit about what it feels like

15:28 Quentin LECLER I'm happy you feel better I hope I can make you smile again one day :) and forget the bad things that happened to us

15:28 AuAii I feel that I'm not alone to be in this situation, you make me forget the bad things that happened in my life

15:29 Quentin LECLER I feel the same way talking and seeing you :)

15:30 Quentin LECLER It may sound odd it's just 3 weeks we talking and seeing each other few times :)

15:30 Quentin LECLER but I feel that way

15:32 AuAii I sleep much better since i started talking to you even i still have to wake up for breastfeeding but i could sleep after that, i don't have a nightmares like before

15:35 Quentin LECLER We do already :)

15:35 AuAii [Sticker]

15:41 Quentin LECLER "Now I eat better, I exercise more with blacko and I go pool more often. actually I feel a lot better than before all thanks to you :)

15:52 Quentin LECLER Yes similar lessons :)

15:54 AuAii I can't do that because i have to log in and manage Line at work too

15:55 Quentin LECLER we cannot just be the only person who care, who fight for us, think about us, would do anything for us, we can't just be the only one who loves hard it doesn't work that way

15:55 Quentin LECLER I see for me I bring my own macbook :)

15:56 AuAii That's good, but i hope you will finish your project on time i don't want to disturb and make you in trouble

16:23 Quentin LECLER "It's because the one we loved didn't actually love us the same way. It could never work that way it needs to be mutual love.

Sometimes I stop caring about myself to care her instead.

I find it normal to sacrifice myself for her if it could make her life easier even if it would make my life harder.

It's the issue when you love so hard you forget about yourself."

11:45 AuAii Are you okay with that?
11:47 Quentin LECLER It's ok I worked 5 years with him before but he had issues with money and had to let me go
11:48 AuAii Ok i see
11:48 AuAii Hope everything will be fine with you this time
11:49 Quentin LECLER he loose clients a lot
11:49 Quentin LECLER lately
11:49 Quentin LECLER I hope so

11:51 Quentin LECLER he was actually pretty understanding 2y ago when i had first issue with ex
11:51 AuAii Why not?
11:51 Quentin LECLER so cannot blame him
11:51 AuAii Ok i see
11:51 Quentin LECLER I'm not sure but clients cancel projects I should have worked on so I didn't have much things to do anymore
11:51 Quentin LECLER maybe he ask too much money for theses projects
11:53 Quentin LECLER and that time ex was more interested about the car than me. When I had to give the company car back she checking other guys
11:53 Quentin LECLER such a waste of time
11:54 Quentin LECLER she actually put me in trouble at my previous work
11:59 AuAii Sorry to hear that
12:00 Quentin LECLER I cared about her more than myself that time and just wanted to make things easier for her. but she was just abusing it
12:01 AuAii Yes i understand when we truly love someone we always care about them
12:02 Quentin LECLER I let her use the car even she not supposed to so she dont need to take bus or anything, move to the city even I don't like and it's far from my work just so she get job more easily
12:03 Quentin LECLER but It was never enough
12:04 Quentin LECLER now I get my previous package back with car and I dont need to care about someone that doesnt deserve it
12:04 AuAii Yes it's good that you can come back to love and care about yourself
12:06 Quentin LECLER It's my issue that I love too hard and forget about myself
12:07 Quentin LECLER maybe it's her karma I never wish her bad things but she did even to my mom who has cancer
12:09 Quentin LECLER I never wish bad things to anyone actually I don't think it can bring any good
12:30 Quentin LECLER almost lunch time :)
12:32 AuAii Sorry have been busy with work
12:34 AuAii What she did to your mom?
12:35 AuAii Yes they said when you wish and do good things to other you will get it back. Same as when you smile to someone you will get a smile back too 😊
12:35 Quentin LECLER she told her before she left the house that she hope she die from cancer ..
12:36 Quentin LECLER I think so too
12:36 Quentin LECLER even small things can make all the difference :)

12:38 Quentin LECLER She's not good person
12:39 Quentin LECLER I don't know whats wrong with her
12:40 Quentin LECLER the things she said and done she might get it back later

"
12:44 Quentin LECLER I don't know a lot about it but I know she do wrong for any religion
12:45 Quentin LECLER I prefer to care about people that deserve it

12:53 Quentin LECLER It's so sad for my mom to have her as
stepdaughter she deserve so much better than her (cony cry)
13:05 AuAii Yes she shouldn't say that to anyone especially people who
sick, they are so sensitive about it
13:06 Quentin LECLER yes its too much

14:57 Quentin LECLER I think parents knows whats best for their children
14:58 AuAii Yes when you loved someone you won't listen to anyone, only listened and followed to your heart
14:59 Quentin LECLER I know
15:00 Quentin LECLER I did same as you did
15:00 Quentin LECLER Just with some people it's not worth it
15:00 Quentin LECLER with people with good heart yes
15:01 Quentin LECLER because they won't abuse of our love
15:02 Quentin LECLER I should have put boundaries early on and respected myself it's most important
15:02 Quentin LECLER if I did that probably It would be over very early but I wouldn't have waste so much time with her
15:03 Quentin LECLER And I would be someone who deserve it
15:04 AuAii Yes me too i was trying so hard to keep the relationship work
15:05 Quentin LECLER Shouldn't be like this if there is mutual love and respect
15:06 Quentin LECLER it's too hard to try alone :/
15:06 Quentin LECLER I tried that like you for years
15:08 Quentin LECLER I just refuse to see that it cannot work
15:09 Quentin LECLER she also tried to change me
15:09 Quentin LECLER like your ex exactly same
15:09 AuAii But everything is getting worse since i'm pregnant, until i give birth to Ploy, i was always keep patient for him to change and be a good man, some people told the man will be changing after having a baby, but he's not kind of man, he changed in bad way until i find out that he has a new gf, so i can't handle anymore
15:10 Quentin LECLER but he tried to change you before you pregnant no
15:10 Quentin LECLER about plastic surgery
15:11 Quentin LECLER meaning he was exactly the same just didn't show that much
15:11 Quentin LECLER in early days
15:12 Quentin LECLER did he change completely or was he like that since the beginning?
15:14 AuAii He's changed a lot since i'm pregnant until i give birth to Ploy everything is getting worse until i can't handle anymore
15:15 AuAii Yes he tried to change me before i'm pregnancy
15:15 Quentin LECLER "For me she was different in thailand, she was caring and make up story about having family and kids.

After she come to belgium she stopped caring after just few months.

But actually even in thailand she was abusing it. I just was in holidays so I didn't notice it that much."

15:15 Quentin LECLER It's mean he was like this since the beginning he just try to not show it that much

15:16 AuAii Yes he's make up the story about having a family since the beginning we met so i just feel like ok we have same thing

15:17 AuAii So I always trusted him

15:17 Quentin LECLER But she was actually a party girl and just wanted to have fun

15:17 AuAii And be royalty to him
15:17 Quentin LECLER Yes me als
15:17 AuAii But the things he gave me back, it's so badly
15:17 Quentin LECLER also
15:18 Quentin LECLER I always faithful to her but she never did
15:18 Quentin LECLER she never was
15:18 Quentin LECLER she said I want my freedom
15:18 Quentin LECLER meaning she can do what she want
15:18 Quentin LECLER including cheating
15:19 Quentin LECLER and I should just accept it
15:19 Quentin LECLER But I couldn't do that
15:20 Quentin LECLER if she want her freedom to party and drinking,
cheating like she said she should not marry or have family
15:20 Quentin LECLER or have any serious relationship
15:21 Quentin LECLER someone like that cannot bring you anything good
sadly
15:23 Quentin LECLER "you have ploy and its all that matters really

she just deserve a caring dad and you a good husband "

15:36 Quentin LECLER "Maybe he don't know what it means to actually be
a dad and take responsibility

Someone who just party and have fun cannot understand"

15:39 Quentin LECLER we both wanted the same thing but go with people
who just wasn't ready to have a family and take responsibility

15:41 AuAii Sorry just finished shower, Ploy's waking up and didn't see
me next to her, she's just crying

15:44 Quentin LECLER no worries take care of her she need her mom with
her :)

15:47 Quentin LECLER it's good she has a strong mom to take care of her
:)

15:48 Quentin LECLER and love her :)

15:48 AuAii Yes he's really don't know and don't understand how to be a
dad and take responsibility, he's only want to have fun and freedom

15:49 Quentin LECLER I wanted to have children so much but I see that
she cannot take care and take responsibility and it make me so sad

15:51 AuAii Yes it's sad to talk about the past again

15:51 AuAii We should stopped talking about the past to hurting us

15:51 Quentin LECLER yes better focus on next good things to come :)

15:54 AuAii We should move on and keep going to be happy

15:55 Quentin LECLER I moved on from her but still shock about what
happened

15:56 Quentin LECLER I will try not to mention the past anymore it's
true it doesnt' bring any good :)

16:50 Quentin LECLER "Wat Dhammapateep Mechelen
015 29 00 99

<https://g.co/kgs/vayHN2j>"

16:50 Quentin LECLER This one mostly
16:51 Quentin LECLER I feel it's normal to care and be ingested in your partner believes even it's not same as yours
16:51 Quentin LECLER And I had very yummy dishes that they cook there original Thai
16:52 Quentin LECLER *Here it's mostly Christian religion

16:52 Quentin LECLER But not everyone believes and care about that but I do
16:53 AuAii That's good to hear:)
16:53 Quentin LECLER What do you think ?
16:54 AuAii Yes i think it's good to open and learn new things and good things
16:54 Quentin LECLER Is it important for you to have someone actually care about your culture and religion ?
16:54 Quentin LECLER Oops interested *
16:56 Quentin LECLER I feel if we be open about anything and not force our views to our partner but just keep open mind and understanding many relationships problems just don't happened
16:58 AuAii Yes i think it's good that he loves and opens to new culture , it's meant you don't even love her but you also care
16:58 Quentin LECLER And religion teach us to be good person also 😊

16:59 AuAii Yes i think all religious teachers us to be good people
17:01 Quentin LECLER "I tried my best so she not miss anything here :)

I go pray with her at temples and always get everything she needed or missed from Thailand "

17:01 Quentin LECLER I think so Christian and Thai Buddhism may not be that different after all
17:02 Quentin LECLER I feel that way even I don't know a lot about it just what I experience
17:04 AuAii That's good 100
17:04 Quentin LECLER Im also kind of curious person :) but if you share someone life it's just normal to care about her, what she believes in, what she likes to do,...

16:32 Quentin LECLER My mom also teach me to never come empty handed
when you go see someone it's just basic polite way here :)

16:37 Quentin LECLER Actually it's not normal how he did with them here
also people would think he careless and selfish

16:38 AuAii Just finished

16:39 AuAii She teaches you so well 🖐

16:48 Quentin LECLER I think so :)

16:49 Quentin LECLER Are you sleepy ?

16:49 AuAii Yes i think he's so selfish who asked me to have a baby after
that leaves me and the baby to be happy and have more freedom with
another girl, good person would never done like that, I don't have any
word to compare with him, if i could go back to the past i wouldn't never
met and known him, so Ploy won't born to be like this, sometimes i just
looked at Ploy and would say sorry to ger a million times, it's my fault
to love and trust him more easily so this happened to her life :(

16:50 AuAii Not yet, i just had some milk will go to shower soon, i still
have to wait for the machine to be done in 40 mins

16:51 Quentin LECLER "It's not your fault and ploy is just innocent
angel and she's lucky to have strong mom like you ☺

You just love him too hard even he doesn't deserve your love like me and
hope he would change "

16:53 AuAii Yes i just picked the wrong dad for her ☺

16:53 Quentin LECLER You can still have a warm family with the right
person ☺

16:53 AuAii I pray for that

16:54 Quentin LECLER Me too

16:54 AuAii Hope he'll loves Ploy same as i do :)

16:55 Quentin LECLER Yes probably but it's what we do next that matters and how we learn from it ☺

16:55 Quentin LECLER I think so ☺

16:57 AuAii Yes that's a big and hard lessons to learn in my life

16:57 Quentin LECLER Anyone would love her I do also she's so cute angel ☐

16:58 Quentin LECLER For me I would not even know how to do what he did I couldn't look myself in the mirror

16:59 AuAii Thank you for her ☺

17:00 Quentin LECLER Someone like this don't have a heart

17:00 Quentin LECLER If you don't have a heart you don't have anything money won't save you

17:01 AuAii Yes he always thought money can buy everything

17:01 Quentin LECLER "In the end it's him who loose someone too good for him
You didn't loose anything "

17:01 AuAii And i think he wants me to accept that he can has someone else

17:02 Quentin LECLER You don't need someone like that

17:03 Quentin LECLER Money cannot buy you good heart ☺

17:03 AuAii But i'm not kind of that person i prefer to be hurt and stop so i won't be in this situation, he thought i couldn't never stopped with him because i have a baby with him

17:03 Quentin LECLER So selfish

17:04 AuAii But i just choose the right thing because i don't want to be hurt all my life

17:05 Quentin LECLER I would give you hug honestly you so brave and strong to get over all this ☐

17:05 Quentin LECLER Im impressed

17:06 AuAii Even i hurt now but still have to be strong for my baby who's belonged to my heart now

17:07 Quentin LECLER It's ok I did also

17:07 Quentin LECLER And you listen

17:08 Quentin LECLER You can talk about anything with me ☺

17:09 AuAii I just met with the neighbour who played with Ploy, she talked about her baby and talked about her husband takes good care of the baby in Phuket now, I'm just feeling sorry for Ploy

17:09 Quentin LECLER Even we will meet for just one week we can forget all that happened to us focus on future and have happy memories and let's see how it goes ☺

17:10 AuAii I always try to forget about the past but sometimes when people come to talk with me about their warm family, i always feel sadness for Ploy :(

17:12 AuAii Sorry I'll try to be more stronger i promise

17:12 AuAii Thanks for understanding and listening to me , I'm appreciated that ☺

17:12 Quentin LECLER You're stronger than me I don't know how I would be in your situation

17:13 Quentin LECLER And I'm impressed by you

The good news is in Thailand you have every rights about your child and he don't as long as he don't do child legitimisation because you were not married.

Here it's different and more complicated that's why my mom had so hard times to have custody of me.

13:40 Quentin LECLER any normal person who care about you would do :)
13:44 Quentin LECLER for me I would not just be there but stay there all the times if I where her dad and try to help and be supportive
13:51 AuAii Yes it was so painful before giving birth but they just gave me injection to reduce the pain same as surgery and i paid for that more
13:54 Quentin LECLER yes my mom told me she didn't want to have the injection so she suffer a lot
13:54 AuAii First i tried to do without injection because i heard they said it's so painful before giving birth so i want to feel that but in the end i just decided to get in the injections
13:55 Quentin LECLER I wish I be there that time must have been so hard
13:55 AuAii But it's wonderful when i first see Ploy , I'm so excited and no more painful
13:55 Quentin LECLER you must be very strong

13:57 Quentin LECLER i think it's better this way I cannot imagine how much it must hurt
13:57 Quentin LECLER maybe one of the strongest I know :)
13:58 Quentin LECLER you must have been so happy to see her :)
14:00 Quentin LECLER I think women are stronger than men actually
14:01 Quentin LECLER when I see what you've been through I don't know I would be so strong like you
14:05 Quentin LECLER Did you finish work yet ?
14:06 AuAii Yes so happy to see her, I'm so lucky to have her, i have never been sick during my pregnancy

14:38 Quentin LECLER enjoy time with her :)
14:56 Quentin LECLER "Is there something like this in thailand?"

15:32 Quentin LECLER and then we use to play games with staff after
15:32 Quentin LECLER so it's pretty chill
15:33 Quentin LECLER and we can order food just downstairs

15:34 AuAii Ok that's good:)

15:35 AuAii [Sticker]
15:36 Quentin LECLER I think for you also dont need to go far
15:36 Quentin LECLER to eat something (moon laugh)
15:36 Quentin LECLER it's good location
15:38 Quentin LECLER but last time I go eat some places is similar
price as here
15:45 AuAii Yes i always bought to eat at work, because it's hot to go
outside for lunch
15:47 Quentin LECLER I see
15:47 Quentin LECLER me too but because it's cold outside (moon laugh)
15:48 Quentin LECLER it's good you have places to eat near your job too
15:48 AuAii Yes it's opposite weather
15:49 Quentin LECLER but I like hot better than cold :)
15:51 Quentin LECLER spring and summer here is also beautiful maybe

15:55 Quentin LECLER but the cold when it's like -20 degrees outside

15:56 AuAii Yes the weather here it's always hot
15:56 AuAii Sometimes it ups to 41-42 🔥

16:25 AuAii When she'll go again?
16:25 Quentin LECLER I think tomorrow she need to see the doctor
16:25 Quentin LECLER to discuss about treatments
16:25 AuAii Ok i see
16:25 Quentin LECLER because I convinced her to take the treatments even new ones
16:26 AuAii Will you go with her?
16:26 Quentin LECLER for me it's better than chemotherapy if there is a chance to work she should take it
16:26 AuAii Or will she go there alone?
16:27 Quentin LECLER the hospital bring her there
16:27 Quentin LECLER every week
16:27 AuAii Hope it's the best one for her
16:27 Quentin LECLER and I go see her also after work
16:27 Quentin LECLER every time she in hospital
16:27 AuAii Ok good she needs you :)
16:27 Quentin LECLER yes :)
16:28 AuAii So she won't be lonely there alone
16:28 Quentin LECLER because she scared of treatments she didnt want to do it
16:28 Quentin LECLER but she should do if there is a chance
16:28 AuAii Who takes care of her dog while she's in hospital?
16:28 Quentin LECLER Everytime she go hospital I always with her
16:29 Quentin LECLER I never leave her alone
16:29 AuAii Sorry I can't remember her dog's name
16:29 Quentin LECLER maki :)
16:29 Quentin LECLER like the sushi (moon laugh)
16:29 AuAii Good son 😊
16:29 Quentin LECLER I try to be good son and like she be good mom with me
16:29 AuAii Oh that what i thought 🐱
16:30 Quentin LECLER I take maki with me
16:30 AuAii Yes i know you both have been together in difficult times

16:30 Quentin LECLER there is a lot of room here
16:31 Quentin LECLER and garden
16:31 AuAii Ok good so Blacko has friends
16:31 Quentin LECLER yes very difficult but I was still young I dont remember all the details
16:32 Quentin LECLER I was like 5 when they divorced
16:32 AuAii Yes but i know she treats you really well, and it's not easy to be a single mom
16:32 AuAii Because you told me she's working and taking care of you alone
16:32 Quentin LECLER Yes I know you do and you're strong women for ploy :)
16:33 AuAii She's super strong woman and be a super mom for you :)
16:33 Quentin LECLER yes she did all alone
16:33 Quentin LECLER her parents not very supportive like yours
16:33 Quentin LECLER and relatives
16:33 AuAii Yes i try my best but i still have my mom and sister to support me too
16:33 Quentin LECLER she didn't have anyone
16:33 Quentin LECLER just her friends
16:34 Quentin LECLER It's good you have them with you :)
16:34 Quentin LECLER even groceries she did all by herself with me
16:34 AuAii She has good friends:)
16:34 Quentin LECLER here also it's very hard to be single mom
16:35 Quentin LECLER so I can understand you a little bit
16:35 Quentin LECLER even I don't really knows how it is
16:35 Quentin LECLER because it's her how take care of everything when I was young
16:36 Quentin LECLER So now it's normal I do everything for her
16:36 Quentin LECLER and she teach me like this also not to be someone like my dad was selfish and careless
16:36 AuAii Yes everywhere is not easy to be a single mom, it's hard to explain but all mom has to do is be strong for the children
16:37 Quentin LECLER only care himself and money and never think about someone else including his own children
16:38 AuAii Yes she's doing the right thing if i were her i will do the same thing
16:38 Quentin LECLER not care about my healthy, he even smoke inside the car with me, I almost had issues with health after that
16:38 Quentin LECLER when I was very young
16:38 Quentin LECLER my mom also didn't know him well and think he would change
16:38 Quentin LECLER but he never did
16:39 Quentin LECLER because you're good mom with good heart and care about others :)
16:39 AuAii Sorry to hear that ☹️
16:40 Quentin LECLER Yes I know and I'm proud of you and impressed :)
16:40 Quentin LECLER I was too young to remember just what my mom told me she bring me to doctor because I had issues with lungs very young
16:41 Quentin LECLER and he just did to upset my mom
16:41 AuAii I would say thank you to you because you help me to move on and be more stronger:)
16:41 Quentin LECLER We did that to each other :)

16:42 Quentin LECLER somehow we understand each other and can make each other feel better

16:42 Quentin LECLER even we never met yet

16:42 AuAii Yes because we have many things similar

16:43 AuAii So that's why we understand each other more easily

16:43 Quentin LECLER Yes more than I could think :)

16:43 Quentin LECLER You already very strong :)

16:44 AuAii Yes if we never broke up from the ex, we couldn't never met now

16:44 Quentin LECLER Maybe you like my mom you don't like to show if something not ok

16:44 Quentin LECLER atleast to people not very close to you

16:45 Quentin LECLER maybe bad things bring good things :)

16:45 AuAii So thank you to the ex that lets us meet and get to know eachother until now

16:45 Quentin LECLER I think if it was meant to be it's meant to be

16:45 Quentin LECLER you couldn't stay with him forever

16:45 Quentin LECLER like I couldn't stay with her

16:46 AuAii Yes i kinda be like your mom

16:46 Quentin LECLER Yes at least they do one good thing without knowing :)

16:46 AuAii Yes that's true

16:47 Quentin LECLER I can see :)

16:47 Quentin LECLER but sometimes it's ok not to be ok :))

16:48 Quentin LECLER even my mom don't want to bother me even she hurt she don't want to show it

16:48 AuAii Yes i tried so hard to keep the relationship work, but when you always tried alone, it's not enough

16:48 Quentin LECLER you don't need to try hard if it's real love or change yourself

16:48 AuAii Yes same as me

16:48 Quentin LECLER he should have accepted you like you are

16:49 Quentin LECLER actually him and her are very similar just like us

16:49 AuAii Yes he tried to change and control me for everything

16:50 Quentin LECLER yes same as her

16:51 AuAii But the thing i can't accept is cheating and have someone else

16:51 Quentin LECLER but I just don't do everything she said and in the end she just go someone else

16:51 Quentin LECLER exactly same that's why she's gone I couldn't accept it

16:52 Quentin LECLER I accept many things but not that

16:52 AuAii He tried to control me to accept that because he knows that i have a baby and can't do anything and should accept that

16:52 Quentin LECLER you know she also told me she remove her profile on tinder and she actually just uninstall the app and still using even just few days before marriage and after

16:52 AuAii Because he knows that i love Ploy so much and could do everything for Ploy to be happy

16:52 Quentin LECLER one friend show it to me after

16:53 AuAii And he knows that i always want to have a warm family

16:53 Quentin LECLER she even use our pictures I take for her

16:54 Quentin LECLER did you notice anything before you have ploy?

16:54 Quentin LECLER anything you didn't like

16:54 AuAii Omg
16:55 AuAii How she could do that
16:55 Quentin LECLER I didn't know just 2y ago one friend told me he saw her
16:55 AuAii I don't know because i always trusted him, and never checked on him
16:55 Quentin LECLER with my photos I take in my mom village
16:55 Quentin LECLER or her
16:56 Quentin LECLER of*
16:56 Quentin LECLER she just care herself I don't think she ever really loved mee
16:56 Quentin LECLER me
16:56 Quentin LECLER i mean about his personality
16:56 Quentin LECLER his behaviors
16:57 Quentin LECLER For me she pretend to be someone she wasn't and I didn't know her enough
16:57 Quentin LECLER until she come here with me
16:57 AuAii Yes same as him
16:58 Quentin LECLER sheshe pretend she wanted a family and children and take care of them with me here
16:58 Quentin LECLER actually she just wanted to have fun with cars and party and trips
16:59 Quentin LECLER I try to make her travel to make her happy but she never was the more I did for her the worse she treated me
17:00 Quentin LECLER she just happy when I buy things for her not to be with me
17:00 Quentin LECLER I'm sorry to say all this must be late and you must be exhausted I don't want to make you headache
17:01 Quentin LECLER with the past
17:01 AuAii Same as him, he made up the story same as her, want to have a family and be together, he'll be a good dad
17:02 Quentin LECLER I cannot believe I was so naive
17:02 Quentin LECLER even I know she party often
17:03 Quentin LECLER I just didn't know her
17:04 Quentin LECLER I just believe her blindly and because I loved her I trusted she would change
17:04 Quentin LECLER if you sleepy we can talk tomorrow you must be tired
17:05 Quentin LECLER I'm ust glad I found you
17:05 Quentin LECLER just
17:05 Quentin LECLER I'll go see mom now :)

21:00 Quentin LECLER When you receive the book there is a typo I meant «feel» not «fell» (haha)
23:48 Quentin LECLER "I don't know where to start

I'm the stranger from far away that came into your life about one month ago

It felt like we known each other for much longer than that, like someone that where close to us, someone we used to know before and loose contact with long time ago

I never felt that way before

The more we talk the closer I felt to you

I found out we had the same hard love for the better (unconditional love) and the worse (we keep trying hard for the relationship to work even if

it meant to forget about ourselves), same taste, same wishes, similar personality, behaviors and values, same caring and loving good heart

I listen to you and the more I listen the more it reminds me about the 4 years I had before, about my wishes to have a warm family just like you, the sadness when I found out it would never be possible, about my past when I was still a child and had a selfish and careless dad and then no dad at all

I understood you directly even you didn't know that time about my past

I felt really bad for you, you reminded me of my mom who always so strong women, who always put me first, who always wanted the best for me and even sacrifice herself to take care of me alone

I wanted to be there for you and play

I wanted to do something even I never met you in real life

I decided to follow my heart, do the right thing and go see you and play and your family

I wanted to cheer you up, make you smile, make you feel better as much as possible, be the dad play needed so much

I wanted we forgot about all the bad things that happened to us, just be happy, relaxed, share good memories together

Quentin"

02:13 AuAii Thank you for sharing how you feel to me, i feel the same way as you, i don't know why we're so closed even we just known each other for a month and haven't met in real life yet but you're the only person who i can trust and share everything with. I never told anyone who i meet online before about where i work or live, only you who i can trust so i told about it because you're a good man, you don't care about past , always listen to my past and accept about my past, so I'm just so luck with to find you now even we still haven't met in real life yet but soon we're going to meet soon 😊, can't wait for that day to come, to be happy and have a good memory together 😊. I have more feelings about you and i don't know how to explain all about this, it's always in my mind, everytime you tell me about your story, it's always reminding me that we have so many things similar about the past and our personality and i'm so happy now that we meet each other even the real life yet but soon we'll meet soon 😊💎

16:07 Quentin LECLER I appreciate it and I not forget all that you did
:)
16:08 AuAii <https://vt.tiktok.com/ZSFqPX15P/>
16:11 Quentin LECLER exactly what I feel (red heart)
16:12 AuAii Yes i just feel we just met for a short term but feel we have
met and known each other for a long time:)
16:17 Quentin LECLER Yes me toot it's hard to explain
16:17 Quentin LECLER too
16:18 Quentin LECLER "I feel we understand each other very well

A lot more than the one I was before even we spent 4 years together"
16:18 Quentin LECLER we never could understand each other this way
16:18 Quentin LECLER not like with you
16:19 AuAii Yes i feel the same as you
16:19 AuAii I just feel like we don't have to change ourselves
16:20 Quentin LECLER She would not understand like you the videos I
sent her or small attention and details that I care about her
16:20 AuAii Yes same here
16:20 Quentin LECLER Exactly
16:21 AuAii We tried so hard for the past
16:21 AuAii Now we don't have to try or change anything
16:21 AuAii Just need to get to know more about each other
16:21 Quentin LECLER she just wanted to change me but not herself and
just for selfish reason

16:22 AuAii The more we talk ,the more we understand each other
16:22 Quentin LECLER Yes one thing I promise is that I would never ask you to change anything but just be yourself
16:23 Quentin LECLER I try to please her and change myself but it doesn't work like that
16:24 AuAii Yes same as the ex, he asked me to do all surgery plastics because he wanted me to change and do whatever he wanted
16:24 Quentin LECLER Yes we get to know each other a little bit every day
16:25 Quentin LECLER that's why want we be honest and just be ourselves
16:25 AuAii Yes that's good
16:25 Quentin LECLER so we can get to know each other and not hide anything from each other
16:25 Quentin LECLER and trust each other
16:25 AuAii Yes that's right 100
16:26 Quentin LECLER She tried to be someone she wasn't and it didn't work long until she show her real behavior
16:29 Quentin LECLER the thing your ex forgot and maybe never will understand is that he's the one who actually loose everything
16:30 Quentin LECLER someone like you that he will never find again
16:32 Quentin LECLER so selfish (cony cry)
16:33 Quentin LECLER I hope you didnt hurt because of all this
16:34 Quentin LECLER you look beautiful before I don't understand him
16:35 Quentin LECLER the ex also wanted to do I always told her she don't need to I just loved her like she is but she never understand me or listen
16:36 Quentin LECLER we all get old what we have left is the love for each other
16:36 Quentin LECLER that stay for life
16:36 AuAii I think he doesn't care, the selfish man like him could never thought about this, he's always think about himself and think he has enough money to buy happiness and buy everything he wants
16:37 Quentin LECLER you cannot buy happiness
16:37 Quentin LECLER he just going to have very sad life
16:38 Quentin LECLER and he not deserve someone good heart person like you
16:38 AuAii Yes i believe in do good things you will get it back
16:38 AuAii If you do bad things you will also get it back too
16:38 Quentin LECLER he will get back also one day
16:39 Quentin LECLER and if he is smart he will regret it
16:39 Quentin LECLER it's very hard to find someone like you
16:40 Quentin LECLER I know because she was just like him only care about things and money but never was happy
16:41 Quentin LECLER never be satisfied
16:41 Quentin LECLER She never can be happy to just be together
16:41 AuAii Maybe Ploy and i had been bad things with him in the past previous life, so now he do all bad things to us
16:42 Quentin LECLER I don't think so life teach us a lesson
16:42 Quentin LECLER people like this is not good for us
16:43 Quentin LECLER you did nothing wrong
16:43 Quentin LECLER you have nothing to blame you for
16:44 AuAii Yes we try to forgive him/him and pray for them to be happy so we don't have to see these kind of people in our life again
16:44 Quentin LECLER we found each other

16:44 Quentin LECLER it's the small window that opens :)
16:45 AuAii Yes :)
16:45 Quentin LECLER we know what actually is important and the kind of person we want in our life:)
16:46 AuAii Exactly 100
16:46 AuAii You'll finish work soon:)
16:46 AuAii What's your plan after work?
16:46 Quentin LECLER people don't really change
16:47 Quentin LECLER that the lesson I learn hard
16:47 Quentin LECLER they might try their best but you can only be yourself in the end
16:47 Quentin LECLER thanks for taking time to talk with me :) almost finish in 10mn
16:48 Quentin LECLER Just go relax with blacko :)
16:48 AuAii Your welcome ☐

16:49 Quentin LECLER you must be tired after long working day
16:49 Quentin LECLER Thanks I feel same talking with you :)
16:49 AuAii Tomorrow morning i will bring Ploy to the market across the street to buy some stuffs to cook for her
16:50 AuAii People at the market always asked me about Ploy
16:51 AuAii People around here like her
16:51 Quentin LECLER Don't blame yourself for him because he's the one who loose you
16:51 Quentin LECLER you didn't loose much
16:51 AuAii First i feel so sad about being a single mom
16:52 AuAii I know people will judge about me
16:52 Quentin LECLER probably he will never find good person like you and he don't deserve it anyway
16:52 AuAii And I don't want people to say bad things to Ploy when she's growing up and going to school
16:53 Quentin LECLER I just feel glad she gone she never bring anything good to my life I tried my best already
16:53 AuAii But i have been trying so hard to keep the family work for her
16:53 AuAii But when you tried to do everything alone it's not easy
16:53 Quentin LECLER It can never work alone
16:54 Quentin LECLER but you're not alone anymore :)
16:54 AuAii Yes i think he's only want to party and happiness for himself
16:56 Quentin LECLER people like that will never be happy and be old alone
16:56 AuAii Yes i feel that I'm not alone anymore, thanks for coming into my life :)
16:56 Quentin LECLER if he's smart he will realise that
16:56 Quentin LECLER he's the one who loose it all
16:57 Quentin LECLER but he not seems very smart
16:57 Quentin LECLER i should take you too :)
16:58 Quentin LECLER thank you*
16:58 Quentin LECLER he just seems so careless he probably don't even see what he loose

Now I only think about our future together ♥"

20:54 Quentin LECLER She ok she feel better now that she stop the previous treatment 😊

21:05 Quentin LECLER "We both love deep and always try so hard in the relationships

I think the same and that's exactly what I want for us

I did everything to make it work in the past even when everyone said it would be impossible

But the truth is that nothing is impossible

When you truly love someone you make it happen you make the impossible possible

I did sacrifices and I would still do it because I think that you would do anything for the one you truly love "

21:30 Quentin LECLER "I think so

We share so many things including the way we try in the relationships, the way we love so hard we can even go to the point where we forget to think and care about ourselves because we always put ourselves second and always think about someone else first. This can be abused if with the wrong person

We share the same good heart that can be abused also if with the wrong person

But with the right person everything is clear, everything is easy and effortless, we just be ourselves and it just work without doing anything special or change or ask to change anything, there is a special connection, like a special bond, its when we found our soulmate , it's what's called true love ♥"

21:47 Quentin LECLER "If you want I can add you to google photos album so you can see all the photos and videos in original quality ☺

21:24 Quentin LECLER "You know I don't think I told you already but ex tried also to make me change she wanted I get weight, I don't know why exactly , until I get health issues with stomach but even then she never cared me she only cared herself and I just needed to be like she wanted like her thing.

I cared her a lot for everything but she never did for me even I sick she never cared to ask how I was going.

Now I'm 80kg / 180cm.

I loose at least 5 to 7kg since she gone and I feel actually a lot better, even better since I start swimming few weeks ago.

I know It's nothing compared to what your ex did to you but it shows the same selfish behavior from them, that we are kind of their thing, that we should be like they want us to be.

It shows also that we always try so hard to please them in the relationship even if it's against our own good and our own health."
21:45 Quentin LECLER "Since we start talking and seeing each other about a month ago, I feel a lot better, I eat better, I feel more confident and can focus at work and be more happy and relaxed, not stressed anymore, not overthinking, not waking up in the middle of the night.

You changed me to be the best version of myself and I should thank you for that.

I try to show you how much I appreciate all the things you did for me even you don't think it's a lot but for me it makes all the difference. Sometimes just small details matters.

You genuinely cares about me and my mom I can tell

You have a good heart and that's one of the things I like the most about you and one of the most important things for me.

I was still heartbroken that time and you were always listening to my story, even we didn't know each other and I must have bored you to talk about it for so long, you never judging me even I was clearly too much naive.

You helped me move on from that toxic relationship I had that ended so badly.

You helped me focus on the present and the next good things to come instead of the past.

Now I try to forget about it and I feel better since I stop thinking about the past."

21:54 Quentin LECLER "You're the only one I told so much about this toxic relationship I had even my mom I didn't told her much I didn't want she feel so bad for me and she already sick

I choose to open my heart to you even I don't know what to expect and I just got heartbroken but I'm glad I did I'm glad I found you "

I know how you feel and i feel the same way as you, you're the only person who i share most stories about the past with, even my family i still not tell them all, not because i'm not trust them, it's because i don't want them to get hurt and be sad same as me, but i told you because we have the same issue so we understand more about each other and i trust to share with you. I feel much better since i started talking with you, i have been loosing my weight, sleep much better, eat before, and don't think too much same as before so thank you for that 😊

10:26 Quentin LECLER I feel the same for you we want the same for each other ♥
10:28 Quentin LECLER [Sticker]
10:34 Quentin LECLER We want the same and we tried so hard with wrong person
10:39 Quentin LECLER "I'm not complicated guy I think you see that already

I just want to have a warm family just like you did and I'm ready for anything to make it work :)

It just could have never work with the ex"

10:40 Quentin LECLER she just don't want the same thing like we do

10:42 Quentin LECLER "everything I care about she don't care and everything she care I don't

with you it's totally different we share many things"

10:42 Quentin LECLER not just that but you also good heart and caring person

10:42 AuAii Yes i know and i can feel that , hope we can make the dream comes through :)

10:43 Quentin LECLER we coulnd't go back to the past but with you I feel I wouldn't have waisted so many years

10:44 Quentin LECLER I think we can :)

10:46 Quentin LECLER We just love hard and do everything for each other that's what we always did so everything is possible

10:48 Quentin LECLER Yes it's exactly what I want for us :)

10:51 AuAii Yes we couldn't go back to the past but we can start the future together ☺

10:52 Quentin LECLER I'm glad it's done with her so I had chance to meet you

10:52 Quentin LECLER I feel like I have my freedom back

10:53 AuAii Yes i feel the same as you , thanks for the ex that give us a chance to meet each other

10:53 Quentin LECLER not someone always try to change me and never be satisfied whatever I try to do

10:54 Quentin LECLER Yes I just focus on that :)

10:58 AuAii Yes we can change ourselves in the good way, not because someone ask or force you to do

11:07 Quentin LECLER "Yes we don't have to try hard, pretend to be someone else or change anything when we're together.

I never asked her to change anything even if I don't agree or I don't like something about her I respected her choices.

I just talked with her and listen to her and told her if something I don't like.

She never wanted to talk or listen to me for anything.

I just told her she didn't need to surgery but she just wanted to do for herself only I never asked her to do it and I never want she do it actually"

11:09 Quentin LECLER I just cared about her well-being

11:10 Quentin LECLER but she never see it she just thought I just boring and want to annoy her

11:20 Quentin LECLER So I'm never going to ask to change anything because I never did before and I will never do in the future also

11:21 Quentin LECLER I feel it's selfish behavior to want someone to change

11:22 AuAii Yes i agree same as the ex did to me

11:25 Quentin LECLER I feel good with you and I feel I can just be myself for once since few years

11:26 Quentin LECLER it's all that matters now :)

11:31 AuAii That's good, we don't have to change anything, just be ourselves ☺
11:33 Quentin LECLER Yes and we can talk about anything together :)
11:34 AuAii Yes that's right 100
11:41 Quentin LECLER "It's just so easy to talk to each other and share our thoughts even we not meet yet

I didn't feel the same way before even I also did have long distance relationship in the past with ex but I didn't feel we connect so well together"

11:44 AuAii <https://vt.tiktok.com/ZSFgmVGKr/>

11:45 AuAii Yes me too

11:48 Quentin LECLER It's exactly what I feel for you ♥

11:49 Quentin LECLER I almost loose hope I would find someone like you

11:51 AuAii Yes thank you for the ex , if we never broke up with them , we couldn't have any chance to meet each other

11:53 Quentin LECLER Yes without knowing they bring us together :)

11:54 Quentin LECLER If he thought you would be alone because he just left you with ploy to take care all by yourself he wrong because I will take care of her :)

11:57 Quentin LECLER I will take care of you both :)

12:03 Quentin LECLER and he must be very stupid to think like that

12:04 Quentin LECLER take care I don't mean money like him

12:04 Quentin LECLER it's not actually take care

12:06 Quentin LECLER I will have lunch soon :)

12:07 AuAii Yes maybe he thought nobody want a single mom like me, and he thought i should accepted that he can have another girl same as he always asked me to do all stuffs he wanted and i was always did but this time it's different i couldn't accept it

12:08 Quentin LECLER Yes he must not be very smart

12:08 Quentin LECLER and very selfish

12:09 Quentin LECLER same her

12:09 AuAii I asked him to stop with that girl for Ploy, but he said can't because he loves her so i prefer to stop with her because I don't think he can't be the man who i can trust anymore

12:10 Quentin LECLER he cheated on you and you still give him chance

12:10 Quentin LECLER you try so hard like me

12:10 Quentin LECLER I also forgive her one time

12:10 AuAii I used to love, respect and royalty to him, i never thought he would do that to me and Ploy

12:11 Quentin LECLER I never cheated on anyone and I already heartbroken 2y ago but forgive her and try hard

12:11 AuAii Yes even it's hurt and hard for me but i tried to keep the family for Ploy but i didn't work

12:11 Quentin LECLER but this time it's just too much

12:12 Quentin LECLER same we were married and I just try hard

12:12 Quentin LECLER but she never cared she say marriage is just paper

12:12 Quentin LECLER it's mean nothing for her

12:13 Quentin LECLER but for me it means a lot

12:13 Quentin LECLER its not paper or words its supposed to be for life

12:13 Quentin LECLER for better or worse

12:14 Quentin LECLER So I forgive one time but this time I just let her go and divorced

12:14 Quentin LECLER Maybe I just naive to think like this about marriage
12:15 Quentin LECLER but for me there is meaning to do it
12:15 Quentin LECLER it's not just words and paper
12:18 AuAii Yes when you get married it means everything who you can trust and share everything together
12:19 Quentin LECLER Yes its commitment to each other whatever happened good or bad to always be there for each other
12:20 Quentin LECLER to support each other, be good to each other, respect each other
12:20 Quentin LECLER to build a family together
12:24 Quentin LECLER I just be serious about all this but she just pretend to be serious too actually she never cared

11:17 Quentin LECLER "I remember last year on the boat in issan we had gai yang.

I eat a lot and thought it's soo yummy but after relatives complained it's not that yummy (moon laugh)

I feel it was so much better than most restaurant here (moon laugh) "

11:20 Quentin LECLER [Sticker]

11:20 Quentin LECLER never hapened here its super strict
11:20 Quentin LECLER and annoying

11:22 Quentin LECLER mostly they want to get money from you (moon
laugh) In case you bought something expensive there and didnt say
anything
11:25 Quentin LECLER I think they don't really care much
11:26 Quentin LECLER it's easier to come and go from thailand from me

1pm
12:17 Quentin LECLER if you want to see him we can go together this
time or maybe next time for ploy birthday if he come :)
12:17 AuAii <https://vt.tiktok.com/ZSFpJ6Hjj/>
12:19 Quentin LECLER Cute :)
12:20 AuAii About 7-8 hours
12:20 Quentin LECLER is ploy ok to travel so long ?
12:22 AuAii Yes she likes travelling
12:22 AuAii We went there last time when she was 3 months old
12:23 Quentin LECLER I see
12:24 AuAii We will go back again on Sunday 21 night after work
12:25 AuAii Hope Ploy will be ok this time and hope she can sleep
12:26 Quentin LECLER He seems very wise and good men I would be happy
to see him one day
12:26 AuAii Thanks 😊
12:28 Quentin LECLER hope so it must be so long for her
12:28 Quentin LECLER hope it's not too hot too inside
12:47 Quentin LECLER is it faster by car or same time ?
12:48 AuAii Yes this time we will take the van
12:48 AuAii I hope so
12:49 AuAii I think it's more faster by car because don't stop a lot same
as bus or van
12:50 Quentin LECLER Yes I think so we go by car to samui
12:50 Quentin LECLER from bangkok one time
12:50 Quentin LECLER with rental
12:50 Quentin LECLER and to the ferry
12:51 Quentin LECLER but I just drive a little bit I'm not used to
drive on left lane
12:51 Quentin LECLER and the driving seat on right side
12:52 Quentin LECLER it's not expensive to rent a car there compared to
belgium
13:13 AuAii How many hours?
13:13 Quentin LECLER about 12-13h
13:17 Quentin LECLER Do you drive sometimes by car ?
13:18 AuAii Oh that's long
13:19 AuAii I can't drive the car :(
13:19 Quentin LECLER yes pretty long
13:19 Quentin LECLER I see
13:19 AuAii My dad taught me how to drive when i was in Surin
13:19 Quentin LECLER you didn't pass driving licence ?
13:20 Quentin LECLER "in thailand I can drive with international
driving licence

it's just different from here a lot"
13:20 AuAii No i haven't
13:21 AuAii I'm just afraid to drive in Bangkok
13:21 Quentin LECLER I see
13:21 AuAii It's crazy here
13:21 Quentin LECLER Yes me too (moon laugh)
13:21 Quentin LECLER very crazy

13:21 Quentin LECLER here there is no traffic like that
13:21 Quentin LECLER it's a lot less cars
13:22 Quentin LECLER and not much traffic jam
13:22 AuAii Every time i go back Surin, I'm just afraid to drive it,
always my sister and dad driving
13:22 AuAii Same as Surin
13:23 AuAii I used to drive there for a long time
13:23 Quentin LECLER Yes but here the public transport is bad
13:23 Quentin LECLER and always late
13:23 Quentin LECLER so people need car to work
13:23 Quentin LECLER mostly
13:23 Quentin LECLER depends the area but in countryside it's like that
13:23 Quentin LECLER it's better in big cities like brussels you don't
really need a car there
13:24 Quentin LECLER but if you can drive you should pass the exam I
think maybe someday you'll need it
13:24 AuAii And one time i drove to the city with my dad, we saw the
police in front so i stopped and my dad just drove it

You will not have to quiet the way you care, you will never feel like you are too much. You will not have to beg for the love you deserve. One day, you will be met where you are. One day, you will be someone's favorite thing, and you will not be confused – you will not feel like you are fighting for someone who isn't fighting for you. One day, you will understand that it never mattered how tightly you held on to the wrong people, how intensely you tried, because the right people were always going to find you. The right people were always going to stay."

By being so good listener to my problems in the very beginning even you had worse that happened to you and I didn't even know it but you still listening and never judge and always be so understanding ☺

By getting to know you more every day and realizing you have such a good heart, we both so similar in many things and talking with you just make me forgot the past. I felt better since a long time thanks to you ☐

Then I just follow my heart with you and you just healed it, everything just works with you and I don't need to do anything and you don't need to also, we seems to want the same things in life and share the same interests ☺

I feel I want to be with you both and help as much as I can but most importantly I want us to be together soon ♥

You're the one I was looking for since many years ☐"

16:17 AuAii "Thanks for always understanding and caring me, i know how you feel at the beginning that you told me about the story, it's good to share to someone that you can trust, i used to keep everything by myself it was so hurting, but since you come into my life, I feel much better you're the only one who i can trust and share everything with , i feel you're more understanding me because we had the same issues and we have many things seminar to eachother. Thanks for loving and caring Ploy, she's never got this kind of love from her real dad.

Today when i went outside with her, i always happy when people said she's so cute like a baby doll , but also sad when people asking about her dad :(

I hope one day when she grows up she'll understand and forgive me that i couldn't keep and give her a warm family.

I'll try to be more stronger same as your mom, so when Ploy's growing up she will be proud of me same as you do to your mom.

Thanks for helping me forgetting about the nightmare but it's not easy for me sometimes when i see Ploy i just feel sad and sorry to her, but i promise i will be more stronger because i can feel your love and care about us☐

Please just be yourself with me, you can show your true self to me, you can tell me anything even if it sounds boring it's never boring for me

I will never try to change you, that's a promise, I accept you just the way you are, I'm not selfish, I won't ask you to be this way or act this way just to selfishly please me

I want to know everything about you, everything that happened to you, if you're sad, if you have a bad day, everything

I know you usually don't like to show much about your emotions or what you're going through in your life and keep a lot to yourself but with me you can tell me everything without filters good or bad

I'm here for you and I will always listen to you

I love you just the way you are

I just want you both happy

I don't want anything back from you and I don't do something to get something back in return

I just want to make you feel loved and cared for, to make you both feel happier and make you feel supported and not alone in this situation

Of course I want we be happy together, have a future together, build a new family with ploy, be married, but the thing I want the most is to know you both are ok and safe and happy and feel loved, cared for and supported

♥"

22:54 Quentin LECLER "You said your need to be stronger for ploy but it's actually me who will need to be stronger for both of you

You know I always wanted a warm family just like you

You won't need to explain her because we will have our own warm family together with ploy

She will be proud of you and proud of us because you're not alone anymore

Don't feel sad and sorry for her just have faith in our future

It's not the end it's just new beginning for us"

21:25 Quentin LECLER "In the dance of chance, our worlds collide,
An unexpected meeting, hearts open wide.
Though miles apart, our love takes flight,
In the realm of dreams, shining bright.

Through the whispers of fate, our souls entwine,
A love so pure, transcending time.
Though yet to meet, our bond is strong,
In anticipation, we eagerly long.

Next month's embrace, a moment divine,
Together at last, our stars align.
Hand in hand, we'll conquer the miles,

In love's embrace, where joy beguiles.

Forever bound, in love's sweet embrace,
Our souls united, in timeless grace.
Distance may part, but love endures,
In each other's arms, forevermore."

07:21 AuAii Thanks for always loving and caring of us. I'll be happy to be with you and spend time there with you, Ploy and Blacko there. As you told me before about the past , i think it's much better to stay there if we want to have a family, and the most important thing i want you to stay close to your mom, she's really need you, if you move here she'll be here alone and it's not easy because she's still sick, when she's strong enough we can come to Thailand for vacation and visit my family. Also Blacko doesn't like hot weather so it's good for him to stay there too :)

16:04 Quentin LECLER [Sticker]
16:05 Quentin LECLER because I like almost everything there :)
16:05 AuAii Oh yeah ☐
16:06 Quentin LECLER I didn't try everything but I like almost everything I eat there
16:06 AuAii What you don't like?
16:06 AuAii So i have to be careful

16:24 Quentin LECLER ok
16:25 Quentin LECLER is there official document in thailand that said you have full custody of ploy ?
16:27 Quentin LECLER here they might ask that I think
16:27 AuAii Yes i have Ploy birth's certificate
16:28 Quentin LECLER ok
16:31 Quentin LECLER how is ploy going today?
16:34 Quentin LECLER we can talk about it later :) i just checking what they might ask you if you come here :)

16:41 Quentin LECLER why not ?
16:41 Quentin LECLER "The biological father is not recognized as the legal father under Thai law, even if his name is on the birth certificate of the child. In Thailand, a child born out-of-wedlock is the legitimate child of the birth mother. The biological father is not the legitimate father. Therefore, he shall have no legal rights over the child unless the father takes action for the child's legitimization.

I just hope he never fill the child's legitimization request"

16:47 AuAii Yes she's using his last name
16:48 AuAii But i read reviews the baby belongs to the mom only, if the parents didn't get married
16:49 Quentin LECLER I thought he not cared about her
16:49 Quentin LECLER did he ask for it?
16:49 Quentin LECLER Yes thats right
16:50 Quentin LECLER I just hope he never fill the child's legitimization request
16:50 Quentin LECLER "because if he do he might get partial custody

i think you should ask advices from lawyer and maybe see if you can change her name to yours"

16:52 AuAii No he's only filled the form for hospital that allowed the baby to used his last name only
16:53 Quentin LECLER maybe you can ask to change to yours?
16:53 AuAii That's i told you before Ploy just saw him a few days since she was born
16:54 Quentin LECLER I remember
16:55 Quentin LECLER It's just if I bring you both here they'll probably ask birth certificate and confirmation you have full custody of her
16:55 Quentin LECLER so there will be documents to provide to them
16:56 AuAii Yes but the birth's certificate can't change or edit anything
16:56 Quentin LECLER in belgium can change the name to the mother
16:56 AuAii But she can change last name
16:56 Quentin LECLER even after
16:56 AuAii I ever read some reviews before

I just care about you both a lot and I want to make sure everything is planned and checked :)"

17:09 AuAii Now we all hope your mom will be better and stronger before you come to Thailand so we don't have to be more worried about her there alone

17:09 Quentin LECLER I hope so
17:10 AuAii Yes i know you're caring about us even we're still haven't met yet
17:11 Quentin LECLER I do and I've been in same situation as her even worse because my mom married and fight for custody
17:11 Quentin LECLER So I know how it is
17:12 Quentin LECLER So it's good you not marry with him and hopefully he never ask for custody but might still check with lawyer to be sure
17:13 Quentin LECLER Sorry you need to rest we talk tomorrow
17:14 Quentin LECLER Wish you sweet dreams and good work tomorrow 😊

But when we first started and you told me about the long story, i just forget about my past and want to talk and help you because she's Thai girl and i don't want you to think all Thai girls are like her. We had the same issue so we're more understanding to each other.

16:27 Quentin LECLER "it just for once in few years i feel just good with you and just happy to make you happy because you always care and think about me

It never happened before and i felt i force myself for her but not with you"

16:27 Quentin LECLER yes :)
16:28 AuAii Yes i feel the same as you , even with the ex
16:29 AuAii I just felt we had tried and learnt so hard about the past
16:30 Quentin LECLER when we meet nothing will change just everything will be better we already know a lot about each other
16:30 AuAii I hope so :)
16:31 Quentin LECLER the only thing i wish is spend more time with you
16:31 Quentin LECLER both
16:31 AuAii Yes we hope that too :)
16:32 AuAii I know you could do that because you have more days off than me
16:32 Quentin LECLER yes I will take all for you both
16:33 AuAii But i don't have many days off and can't get off from work more than 1 week / time
16:33 Quentin LECLER i can see you for lunch for diner after work
16:33 Quentin LECLER i would be happy already :)
16:34 AuAii Thank you for all of your time for us
16:34 Quentin LECLER for now its hard but i'll do everything so we be together
16:35 Quentin LECLER thanks for trusting me already even we never met :)
16:36 Quentin LECLER I would do anything for the one I love
16:36 Quentin LECLER You just put them first even before yourself I think
16:37 Quentin LECLER I always done that just with the wrong one
16:37 Quentin LECLER and you too
16:37 AuAii Yes i know:(
16:37 Quentin LECLER so I know because we're the same

16:38 AuAii But it's still good that we still have chance to meet each other now

16:38 Quentin LECLER I think so :)

16:39 Quentin LECLER maybe it's meant to be like this

16:39 AuAii Yes i think so

16:39 Quentin LECLER even its hard for us in the past

16:40 AuAii Ploy's snoring lol

16:40 Quentin LECLER she do like blacko now ? (moon laugh)

16:41 AuAii [Message Vocal]

16:41 AuAii [Sticker]

16:41 Quentin LECLER now we have each other support :) and never need to think about the past just think about our future

16:41 AuAii Yee that's right 100

16:41 AuAii Never looked back to the past

16:42 AuAii Just look forward to our future

16:42 AuAii Stay happy and be happy together :)

16:42 Quentin LECLER Yes it wont be easy there will be issues but we can manage together :)

16:43 Quentin LECLER we both fight hard for each other :)

16:43 AuAii You just can be yourself and i will never force you

16:44 AuAii Yee i know it might happened

16:44 AuAii Yes*

16:44 Quentin LECLER Yes me too I just want you happy I will never ask to change because I just love you the way you are

16:45 Quentin LECLER and you not really love someone if you not accept her like she is

16:45 Quentin LECLER just want her like property and ask her to change because you just selfish and want for yourself

16:46 AuAii Yes that was the ex did to me

16:46 Quentin LECLER I know a little bit of what you felt

16:47 Quentin LECLER I felt it too not like you but also same

16:47 Quentin LECLER so we just understand each other so well also because of this

16:47 Quentin LECLER happened to us

16:48 AuAii Yes i think so

16:48 Quentin LECLER so we don't need to worry about anytghing when we are together

16:49 Quentin LECLER because we want the same for each other

16:50 AuAii Yes but if in the future we have something we have to talk, share and solve the problems together

16:51 Quentin LECLER there is always problems and arguments but if we keep talking to each other always respect each other and try to fix it together

16:51 Quentin LECLER then we can get through anything

16:51 Quentin LECLER the thing is before we argue about anything even small issues

16:52 Quentin LECLER because we didnt have good understanding and communication and have completely different views on life

16:52 Quentin LECLER and what we wanted

16:52 Quentin LECLER she more like your ex and it never could work and she wasnt honest

16:52 Quentin LECLER and sincere

16:53 Quentin LECLER and hidding many things in my back

16:53 Quentin LECLER and lying too

16:53 Quentin LECLER so we had that experience before and learn from it
16:54 AuAii Yes we have learned hard and pass the exam already
16:54 Quentin LECLER that's why I never felt the same I feel for you
before
16:54 Quentin LECLER yes but with you its totally different
16:55 Quentin LECLER its just easy like its supposed to be
16:55 AuAii Yes that's why we're getting to eachother so quickly
16:55 AuAii Because we have many things similar in life
16:56 AuAii Even the past too
16:56 Quentin LECLER I think so but even our personality and behavior
is similar somehow
16:56 Quentin LECLER I didnt feel this with anyone before
16:56 AuAii Yes i think so :)
16:56 AuAii Yes me too :)
16:57 Quentin LECLER before its wasnt that easy
16:58 Quentin LECLER but we respect each other always honest and
sincere to each other
16:58 Quentin LECLER and I always be like this before
16:58 Quentin LECLER maybe its our second chance that was brought to us
:)
16:59 AuAii Yes i think so :)
16:59 Quentin LECLER to just be happy together
16:59 AuAii It's a God plans for us :)
17:00 AuAii Or we call Karma
17:00 Quentin LECLER i think so
17:00 AuAii It's about our lives:
17:00 AuAii Finished work :)
17:01 Quentin LECLER I know also about it we have something similar in
christian religion
17:01 Quentin LECLER thanls for staying so late for me every night :)
17:01 Quentin LECLER take time for me
17:01 Quentin LECLER always support me and mom :)
17:01 AuAii You're welcome :)
17:02 AuAii You also spend much time for me even your working hours
17:02 Quentin LECLER its normal to take time for you because I make you
my priority :)
17:02 AuAii You also do the same to me and my family too :)

your family also :)

17:05 AuAii I'll go to hang the clothes
17:05 AuAii Just wait until you finish work so we have more time to talk
:)
17:05 Quentin LECLER It's easy to be with someone and pretend your love
him but when difficult time happened you know if she really love you
17:06 Quentin LECLER Because the one who truly love you never leave
17:06 Quentin LECLER They will always choose to stay and fight for you
even when you have hard time and especially when you have hard time
17:07 Quentin LECLER I think you same as me and fight for each other
17:07 Quentin LECLER In difficult times
17:07 AuAii Yes that's right 100

17:07 Quentin LECLER I had hard times she just gone when I loose the car and work

17:08 Quentin LECLER And search someone else in the back so she never love me all that 4 years

17:08 AuAii Yes also don't forget someone who gives you a hand when you're in a difficult time in your life

17:08 Quentin LECLER She never fight for me just profit and when something happened she never there for me to support or care

17:09 Quentin LECLER I feel more love and care from you even we never met

17:09 Quentin LECLER Yes I always fight for the one i love

17:09 Quentin LECLER Like you

17:10 AuAii Yes and i will never forget you ☐

17:11 Quentin LECLER Good night and sweet dreams to both of you ☐

17:11 AuAii Who gives me a hand and help me from the hard time in my life

17:11 AuAii Thanks ☺

17:12 AuAii I'll go hang the clothes first

17:12 Quentin LECLER Me too and I'll always be there for you

17:12 AuAii Drive carefully

17:12 AuAii And be safe home

17:12 AuAii Talk tomorrow:)

17:12 Quentin LECLER You also did

17:12 Quentin LECLER I will ☺

17:12 Quentin LECLER Thank you

22:24 Quentin LECLER "I just wanted to say this:

You're both so important to me now, in the beginning I almost directly felt we can understand each other and there was something going on I didn't felt before

Now I feel we're very close to each other and feel a special connection I never felt before

You said he abandon you, left you alone few times. What I didn't told you is that she did exactly the same thing, almost everything you told me is similar to her

We want the same things in life, the same goals, like the same things, love the same way, share the same kind of personality and behavior and my mom and your parents teach us the same values in life

We cannot go back to the past but I wish I met you just a few years ago life would have been so different for us

But maybe god had different plans for us and we needed to learn from this past experience first

For now I'm with you in your heart and you are with me in my heart everyday even we're so far away from each other

We will finally meet soon in one month and we will have beautiful moments and memories together that we will cherished and remember all our life

I'm here for you always

I'm thinking about you everyday and you always have special place in my heart

I love the same way as you do so you understand the love and caring and support and everything I want for you

I'm the same personality as you so you understand I'm serious about it and I'm not playing, we want the same thing

You're not alone anymore , everything that happens to you both I want to know and you can tell me everything

You're my priority now and I'll do everything I can so we be together that's a promise

I will never say something or promise something before I'm 100 sure of it

I don't want you to be sad or to be disappointed or cause issues to your life, on the contrary I want you both as happy as possible and build a future for us so we can be happy together, have a future together and a warm family

I always will tell you everything and never hide anything because I want us to always be honest and sincere and have loyalty to each other

I always will ask your opinion first because I respect you and value your opinion

♥"

I'm never going to let you down

I'm never going to disappear without notice

What we have is much more than just conditional love, what will happens when the conditions are not met anymore ? When we get old ? When we get sick ? When we have financial issues or job issues ? Who is going to be there for us in that moment ?

I want us together forever and getting old together, have unconditional love for each other, always take care of each other, be nice and try to make another happier, work as a team for each other and push each other to be better and reach our goals

I'm not going anywhere whatever happens we fight and we fix

I'm here for you both and I will always choose to stay

There is a part of my heart for you both already and you're with me everyday

We fight and work on our future together

If we believe in that we can get there one day and tell our new warm family how we did it together and be proud of it

♥"

18:59 Quentin LECLER "I'm sorry I didn't told you I just have short term contract now

To be honest with you I thought you won't talk to me anymore because you wouldn't be sure of me and if I can support you both or not

Before I work almost 5y in the same company and I had all the benefits and long term contract

Then just in November last year my boss announced me he want to let me go

The reasons he said mostly about money issues but also the ex abused too much and use the company car sometimes for herself

He just give me two month notice to find something else

I struggle to find and could only find this job even it's short term contract but I still had something in Luxembourg and same salary I had before but not all the benefits I had

Anyway for me nothing change about you I hope for you nothing will change about me as well "

19:02 Quentin LECLER "I was worried in the beginning because I didn't know you that's why I didn't want to mention it

Now I know you

I think nothing will change for you and you just want to support me and be there for me

You're all I ever needed in my life

♥"

19:22 Quentin LECLER "Ex just knew all about this and she never be there for me she never supported me instead she always put me down and make me look like nothing

The only thing she did is look another men when I struggle so much to find a new job and I found her with another men and kick her out of the house

I never want this again in my life

I believe you are the person that care and support me you already show it many times with my mom and for the jobs I applied and for the interviews

You did all better than her even we didn't even met

The house I bought all by myself even it's almost impossible alone now

It's not much but it's all good condition with three bedrooms and garden and solar cells "

Also the future telling that my real soulmate will love me and accept Ploy too. In that time i was so sad and i don't believe it i will find the man who will love me and accept my

baby, She also said my soulmate is a good and kind man like a monk, he will take care and support me and Ploy too.

Until i start talking with you and found you now, i just remembered her words that my sister recorded the voice for me because i worked and didn't go with them. I'm so happy to find you and i hope all the Fortune Telling said are comes true ☐ "

10:54 Quentin LECLER they should
10:55 AuAii The head office doesn't want to do, they just apologize for patients and want she comes back to do the treatment, all the company want is money

10:56 Quentin LECLER and thats it

10:03 Quentin LECLER "I just want we promise something to each other

Whatever happens we never hurt each other and always love, cares, be honest and sincere to each other

That's my promise to you ☐

I hope we marry each other one day but I never want to face divorce situation again in my life

I almost loose hope and close my heart because of what happened and I know you also "

10:12 AuAii "Yes me too, if i get married one day i will never wanted to divorce. If i marry that means i want to spend the rest of my life with him, share everything with him. I never wanted to hurt anyone and don't want anyone to hurt me too.

I just want to be happy with someone who I love, and i want to make my dream comes true, get married, have a warm family together that's what i want 😊"

10:13 Quentin LECLER We want the same for each other ☐

10:14 Quentin LECLER Im not much but I keep my promises ☐

10:17 Quentin LECLER "I don't think we can hurt each other because we both have good heart and we just want each other happy

We both get hurt a lot in the past and it's also why I never want to see you hurt again you and ploy and do everything so you both happy "

10:18 AuAii Yes that's good to hear, thanks for everything you do ☺
10:18 Quentin LECLER And I try to make you feel better and forgot the past because I also hurt a lot
10:18 Quentin LECLER I still hurt sometimes but I try to forget and you make me forget
10:18 AuAii [Sticker]
10:18 Quentin LECLER You help me forget the past
10:19 Quentin LECLER Sometimes when I'm sad I think about you and our trip together and it helps me
10:19 Quentin LECLER So I know I'm not alone
10:19 AuAii Yes i know how you feel , i also feel sometimes too but not much same as before , but you have helped me a lot, so thankful for you
□
10:21 Quentin LECLER I wish I could have done more for you both
10:22 Quentin LECLER Sometimes being good person is not always good you get abused I think we both had
10:25 Quentin LECLER "Im glad you think the same way as me about marriage

The marriage for many people nowadays including ex is just paper

For me it's not like that at all it has meaning and values and it's commitment for life with someone else "

10:32 Quentin LECLER Im glad I found you we have so many important things in common

10:45 Quentin LECLER "I just wanted to say that I opened my heart to you and trust you 100 about everything

For me you're very important and I take us very seriously even we never met yet but very soon

I will do everything for us and never let you go

Maybe some will think I'm kind of boring but I focus on my mom and you both and forget my past

I'm kind of naive person and I did big mistake to marry before but I've good heart and I want to do everything for you because I always feel good with you and you never ask anything from me except to be cared for and supported

You only care about what I do for you and the small attentions and details that shows I care about you and not how expensive the gifts or the hotels are

The more I know about you the more I feel we similar and want the same things and just be happy together

♥"

10:58 Quentin LECLER "But I should think about you instead

My only wish is to have met you sooner so I would be there for you when you needed "

12:02 AuAii Sorry have been busy with work

12:03 AuAii I'm in toilet to read your message 😊

12:06 AuAii Yes i know being good person is always good, God & Buddha knows what we do but we just did with the wrong person and it's never worked on it.

12:23 AuAii Yes we just feel good to each other in the same way and we have many things similar. I know money is important for our lives but it can't always buy all the happiness that you needed in life. Even with the ex, he's only stayed and eat at 5 stars hotels, rent expensive car and did everything luxury but i didn't feel happy and love with him, i always felt i'm alone but i just forecd myself to be happy with him because i'm having a baby with him and i thought he would change after having the baby, because he always said he wanted to have a baby with me since we started to be in a relationship but everything had been changed after i delivered Ploy, he has been changed a lot in bad way so i can't accept anymore. I prefer to choose Ploy and let him go away from my life, it was so hurt and i didn't want it's happened in my life because i always dreamt to have a warm family but he's destroyed everything, destroyed my life and it was the big mistake in my life to choose him and trusted him and had a baby with him. So this story teach me that money can't buy a healthy and all happiness in your life.

12:24 Quentin LECLER No worries I know you busy and have boss at office 😊

12:24 AuAii I don't want a rich man, i just want a normal guy who always love and care about me

12:24 AuAii I was in the toilet to type your message 😊

12:25 AuAii She might think i have been toilet for a long time 😊

12:25 AuAii Back to work now

12:26 Quentin LECLER Im glad we found each other and we can finally be happy together without forcing ourselves or be someone we are not

12:50 Quentin LECLER "I feel the same way as you

She come here expecting me to have more money to spend for her than I actually have

Since the first day she come even I traveled many countries with her she never be satisfied never be happy

She have luxury tastes but only want me to pay for it and never actually be happy to be with me

I loved her but she abused me so much and not love me

You cannot love someone and abuse him like that

She never want I see my friends or even my family she try to keep me away from my mom because my mom never liked her and she see clearly about her games and she was abusing me

She never be honest never be faithful even just a few days before mariage

I think I was just a way for her to come stay here in Europe and she get the visa and then find someone else if she want

She did same before me in Thailand always be in the toxic and abusive relationships

I wanted to please her but I always feel in my heart something was not right

The more I do for her the worse she treated me

She wanted to abused me so much and even get the house on her mom name and the car but I never accepted it

Since I refused her many things and start having issues with work she just go look someone else and dating in my back

I still have my mom and maki and blacko and still have my house here and the car and found new job

For me the look is not what matters the most and I fell in love with you not because you're beautiful but because of your good heart you truly cares about others and because you are good person and your parents teach you very well

The photo I like the most about you is the one near the temple where you smiling and I wanted to make you smile again even I couldn't smile myself for a long time

I'm sorry for long messages again "

12:50 AuAii Talk later 😊

12:51 Quentin LECLER "Sorry for long message we talk later

I don't want you have issues at work "

13:04 Quentin LECLER "I know you are totally opposite of her and you're not interested about that and that's one of the things I like the most about you also you honestly cares about me

I know money is not the most important thing but we still need it and it's my duty to support you both

It's normal for me to provide for you and loves, cares and support you both "

13:19 AuAii Dinner time for you now

13:19 AuAii Hope you enjoy your dinner

13:19 AuAii Sorry I'm busy today

13:20 Quentin LECLER "No worries

I'm sorry I write long messages again "

13:20 Quentin LECLER [Sticker]

21:36 Quentin LECLER Divorce request that's been processed already
just to be transparent with you
22:32 Quentin LECLER "It's same for me, since the divorce happened I
never date anyone

My personality and yours is similar and I don't trust easily and I don't open myself easily I'm not used to share my problems and I keep a lot to myself

I didn't think I was ready to love again because I was still heartbroken, so sad and depressed, I loose weight, I loose trust in myself and I loose confidence, I couldn't sleep properly and I wasn't interested in anything anymore

I actually needed help more than anything, talking about my past to recover and move on from this terrible relationship I had

I'm happy that I met you that time because we both had time to talk about our issues and listen and understand each other even it hurts and it's hard to trust and tell everything like we did but somehow I feel special connection with you and I feel I can trust you

It's what we both needed the most and that's how our story started

We just healed each other's hearts and do good to each other because we wanted each other feel happier and not sad and depressed like we used to

I listen your story and you listen mine I feel I understand you and you understand me perfectly

The more we talked the better I feel the better I get

Since we met, every week I only waited for the Fridays, the day we can see each other, I'm feeling so happy every time I see you and ploy and it makes me forget the past and focus on our future together

Your story touched me the most because of my mom past

I was shocked and so sad for you and ploy I was also that boy before with single mom and even it's long time ago I never forget how it is

I wanted to help you and be there for you both or at least make you feel I care about you both

You told me your story and it comes straight from your heart like my story

As my heart healed I decided to open my heart to you I started to have feelings for you even we never met yet but the more we talk the more I feel I getting closer to you

I feel you're the one I always looked for but never can find only in my dreams

You both all I wish for in my life

I always wanted to be married, to have a warm family with children to be happy together

All the things I never could do with ex but can do with you

I love you for who you are, for your good heart, for your smile, for your kindness, for always being caring and understanding person, for being so strong, for always try your best for the relationship, for always being honest, sincere and faithful person, for being my sunshine

♥"

12:13 AuAii Sorry was busy with work
12:15 AuAii It's good that you let her go and still have the house,
12:16 Quentin LECLER It's in my name but she try to make me buy it on her mother name
12:17 AuAii It's quite big to stay alone with Blacko, now i see that's why you have been busy with housekeeping on your day off 😊
12:17 Quentin LECLER She try to put it as Dowry on her mother name
12:18 AuAii Even the condo i live now, i still busy with housekeeping on my day off, laundry and take care Ploy 😊
12:18 Quentin LECLER It's keep me busy
12:18 Quentin LECLER [Sticker]
12:19 AuAii How can she do that?
12:19 Quentin LECLER "I always said no and we had marriage contract so in case of divorce she didn't get anything

I did because I was already feeling sometimes it's not right with her "

12:19 Quentin LECLER Something

12:19 AuAii Her mother is in Thailand, that's impossible and she seems selfish to do that by the way

12:20 Quentin LECLER She is selfish and It's because she abuse me from the beginning and

12:21 Quentin LECLER It's possible and it would make me homeless if I accepted

12:21 Quentin LECLER She try to make me car loan for her name also and make me pay for it

12:22 Quentin LECLER I always said no and when she understand she cannot get anything from me she searching other guys in my back

12:23 AuAii Sorry to hear that

12:23 Quentin LECLER This house I bought so she have work in the city for me it's far for my work but I accepted to sacrifice so she can work

12:24 Quentin LECLER Also I wanted to have family and we would have need bigger house than the apartment I stayed before close to my work

12:24 Quentin LECLER But I realize it's not possible with her

12:24 AuAii Yes i know you tried your best for her but it's never been enough for him

12:25 AuAii I never asked anything from the ex

12:25 Quentin LECLER Exactly

12:26 Quentin LECLER "But with you I feel totally different and I feel you genuinely care about me

Totally different from her and similar to me "

12:27 Quentin LECLER "I know you're totally different and not interested about that but want someone to care and love you respect you and be there for you

Not someone who have a lot of money but no heart "

12:28 Quentin LECLER And with who you would be miserable and sad and not happy

12:28 Quentin LECLER Because money cannot buy all that

12:29 AuAii Even my parents never asked anything from him, last time he asked me to go visit my parents in Surin and talked about getting married and about the sinsod, but my parents didn't asked about money or anything with him, they just said it's up to him, they just want him to love and take care of me and now my parents just regret with him to trust him to take care of me

12:30 AuAii We already tried our best and did the good things to them, but it's still never been enough for the wrong person

12:30 Quentin LECLER Yes I feel your parents are good people even I just saw your mom once

12:32 Quentin LECLER My mom feel the same way

12:32 AuAii Yes that's what i want but he never been understanding and giving go me, all he thinks is money can buy everything

12:32 AuAii He's only used money to solve the problem

12:33 Quentin LECLER Money is useless if you're going to feel miserable and sad and not happy with the wrong person

12:34 Quentin LECLER "Im happy we meet each other this way

We accepted our past and our mistakes to have better future together "

12:35 AuAii Yes he told me he can take care of me and i don't need to work after having a Ploy
12:35 Quentin LECLER Yes but if you're not happy what's the point
12:35 Quentin LECLER If you going to spend your life unhappy and sad it's not worth it
12:36 AuAii But i felt something wrong with him and didn't feel that right i prefer to work and find money by myself even i want to stay home and be with Ploy
12:36 Quentin LECLER Because he not the one for you and she was not the one for me
12:36 Quentin LECLER They both dishonest and cheating person
12:36 Quentin LECLER I could never trust her for anything cannot build family and have children
12:36 Quentin LECLER I always feel uncomfortable
12:36 Quentin LECLER And sad
12:37 AuAii But I don't think it works with him so i choose to work and ask my mom to help me take care of Ploy in Bangkok
12:37 Quentin LECLER It's good you kept your job there
12:37 AuAii Yes 100
12:38 Quentin LECLER You would be very mistaken to let him manage your life for you
12:38 Quentin LECLER "For me I would never ask you that

It's up to you to decide and I only be there to support and want the best for you "

12:41 AuAii Even i know Ploy's being a child only one time and she's growing up so fast , and i want to spend time as much as possible with her and take care her by myself but i didn't feel he can't support me, can't be a good father and good husband, and the worst thing i find out he has another girl so that's hurting me a lot

12:42 Quentin LECLER It's up to you to decide if you want to stay here and take care of ploy or if you want to study language and find work

12:42 AuAii Yes if i trusted i would lost my job

12:43 AuAii Sorry to talk about the past again

12:44 Quentin LECLER "I would never said I give you money and you stay here

I saw friends husband of her do that and just take girlfriend to stay at the house and cooking cleaning

I saw they not happy

It's not what I want "

12:44 Quentin LECLER "It's ok you can tell me anything that comes to mind and I listen and understand you

It help me to know you more "

12:45 Quentin LECLER It's the husbands of ex Thai friends

12:46 Quentin LECLER "I want you both happy

14:36 AuAii Because my mom only stayed home with her
14:36 AuAii So she's always excited and happy to go outside
14:37 Quentin LECLER "I'll bring something for your mom she always take care of ploy everyday when you work

She's so good mom for you "

14:37 AuAii Everytime she sees my sister she's always happy because my sister always brings her outside
14:37 AuAii Sometimes she's crying when my sister leaves to work 😊
14:38 Quentin LECLER And good grandmother for ploy
14:38 AuAii Thanks for always caring about my family ❤️
14:40 AuAii <https://vt.tiktok.com/ZSY1aW2hL/>
14:41 Quentin LECLER "It's normal for me I always care about the family of the one I love ☐

It's not easy for you but you have each other support and I wish I could do more for you to support and be there already "

14:41 AuAii <https://vt.tiktok.com/ZSY1awh2X/>

14:42 AuAii The thing i like about you is you always love and care about family, everything is family first ♥

14:43 Quentin LECLER It's because family it's the most important 😊

14:44 AuAii And i'm so proud of your mom to have a son like you, you always take good care of her and spend every weekend to see her, most of men go outside with friends, hang out and party

14:44 AuAii But you're so different, and that i like about you 🍀

14:45 AuAii I also don't have many friends, most of my time is with family 😊

14:45 Quentin LECLER "everything happens to you both I want to know and be there to support

You do same for me you always want to know about me and I be safe "

14:46 AuAii Yes all i want is someone i love to be happy, safe and healthy 🙏

14:47 Quentin LECLER "Maybe I seems boring guy but I don't like to party or drinking

My mom need me and I be there for her and spend time with her as much as I can "

14:48 Quentin LECLER Me too ☐

14:48 Quentin LECLER "Me too I just have a few friends I see sometimes

I spend time with my mom because she's all I have with you both "

14:49 Quentin LECLER And she sacrifice many things for me and give me everything

14:50 AuAii Yes me too, I'm kind of boring girl, don't party and don't drinking, i also went outside with the ex because he wanted me to go outside with his friends, for him friends are more important than family

14:50 Quentin LECLER Even she don't have much she always want the best for me and that's also what I want for my mom and for you both

14:51 AuAii Yes i know you do the best for your mom, because she's everything for you

14:51 Quentin LECLER Even I'm not rich but I be there for her and I want to be there for you both too it's what matters it's caring and loves it's not money or stuff

14:55 Quentin LECLER "Yes last year I told her I don't want to go party she said we just going to restaurant with friends but then she go to Khaosan Road with friends and just drink like crazy drunk together

I didn't like it and I didn't drink much just one or two glasses I was bored so much

She sees it and make joke and not cared me at all "

14:57 Quentin LECLER "I same as you I like to spend time with each other or have diner together in romantic places but don't need to be fancy can be local or anywhere actually

I also like nature a lot and just enjoy time together watch stars at night "

14:59 Quentin LECLER I don't need much at all just together be happy and it's all I need actually

14:59 Quentin LECLER "For me the most important thing is to care and loves each other and be happy with each other

It can be anywhere it doesn't matter"

15:00 AuAii Yes same last time he asked me to go outside with his friends, he asked me to drink a lot until I got drunk and he left me alone and went to Khaosan road with his friends

15:01 Quentin LECLER Just so selfish and careless it's not love at all

15:02 Quentin LECLER Someone who loves you cares about you and will never let you alone but want you safe

15:02 Quentin LECLER Will never ask to get drink if you don't like he will cares about you first before himself

15:04 Quentin LECLER "For me I would always ask about you first

It's not about me because you're more important than me and I always put you both first before myself for everything "

15:04 Quentin LECLER Your family is also more important than me

15:05 Quentin LECLER Im not selfish i always put the ones I loves first my mom and you both

15:05 Quentin LECLER I feel miserable for years like you in the relationship that was toxic for me exactly like you

15:07 AuAii Sorry Ploy's home now

15:07 Quentin LECLER With you im not trying everything comes natural and I just feel good and at home

15:08 AuAii I will feed her dinner

15:15 AuAii Thanks 🙏

15:15 AuAii Enjoy your time with Blacko 😊

15:30 Quentin LECLER "I just wanted to say I'm so happy we found each other ☐

I have similar personality as you and I don't trust easily and open my heart easily

I'm more introvert like you and spend time with family first

I'm not a party guy or the kind of guy use to dating a lot

all I want is to have a family and be happy together

I know many guys just want fun and party and drinking but it's not what I want

I'm always serious about relationships and i always invest myself as much as I can

I feel more comfortable texting about my story and my feelings

maybe we would have met we would not be able to share so much by talking to each other at least at first

This way there is no pressure we slowly getting to know each other"

15:56 Quentin LECLER You're not boring for me at all but more like my dream come true and the one I was always looking for

15:56 AuAii Yes i think so too, if we met in real life before i think we would never talked all about our past and we would never known each other like this. I'm happy we found each other now and we have same personality and like many things same ♥

15:57 AuAii Yes you're also the man who i'm looking for and it's my dream comes through 😊

23:14 Quentin LECLER "Sometimes I wonder how lucky I am to have found you.

It's true, at first, it looked too good to be true and we didn't know each other much.

Now we learned a lot about each other and keep learning more everyday

I didn't understand why we had so deep connection at first, now I know it must have been faith or karma or god that bring us together.

At first, I didn't understand why you would care about a guy like me, I'm nothing special physically, I'm not rich, I don't care about cars, I don't care about party, i don't like to get drunk, I just care about my mom (and you both now), I don't have a lot of friends, I'm not interested about materialistic stuff, I'm happy with what I have, I like nature and just spend time with the ones I love.

But then I learned to know you more and I found out you didn't care about all those things too.

More than that, you care about the same things as me, you want the same things I want in life, you always care about others first, you always put family first, you share many things with me even on our darkest times and I never thought it would happen in my life, I lost hope to find you and resigned myself that it would never happen to me.

But then you come into my life and it must have been faith or karma or god will.

You showed me all I ever looked for and searched for all my life, you make me trust again, you make me open my heart and love again.

It also must have been too good to be true for you to see a stranger like me care so much about you, your family even we never actually met in real life.

I think you also didn't know me much at first and realize now I always genuinely care about you both since you told me about your story and it touched my heart like no one else.

Also for me family is the most important thing.

I only wanted to make you happy because I know how it is to be sad, depressed, heartbroken and my mom also single mom like you and always needed to be so strong and I didn't want that for you.

I always wanted the best for you anything that makes you feel happier anything that would bring your smile back.

It was never about me and what I want but always about you and what I can do to make you feel more happy, to show you that you're not alone, you have my support and I would do everything I can for you because in the end all I do for you is my happiness

♥"

23:35 Quentin LECLER "You can check my long message and videos when you have time

I know you'll be busy tomorrow and I wish everything is going well at work for you 😊"

dim. 12/05/2024

00:43 AuAii Good morning from here 🌄

00:44 AuAii Hope you and Blacko having a sweet dream right now 😊

01:11 AuAii "Thanks for all you do for me to make me happy. Yes as much as we talked I can feel that we have many things similar and we like many things same each other.

All i like about you is you always love and care about your mom, and you always put family first that means if we have our own family one day you will put our family first, you will always love and care about our family, that's my dream to have a warm family with a good man like you 💞.

Also i like that you're not smoke, party and drinking much it's the same as me, i always pray to have a non smoking, drinking and party boyfriend and i wish my dream come true now 💞.

And one thing that you really impressed me is about Buddha, you like to go temple and learn about new cultures even you're not a Buddhist but you're still having and praying to the erawan that you bought from Thailand that means you're a good man who i can love, trust and spend all my life with ♥"

You don't like to party and get drunk and smoking too you like to spend time with the ones you love and your family instead.

You always make me feel good, you always support me and push me to be best version of myself.

You believe in Buddha and it's important for you.

Most importantly you are understanding person and open minded.

Even you're not Christian you still send me videos about it and we can talk openly and we never force our views and believes to each other.

You know I love your smile but what I really love is to see you happy and see twinkles in your eyes when we see each other

♥ "

When we loves we loves so hard and do everything to make it work and to make each other happy"

07:43 Quentin LECLER "One important thing I love about you is that you don't care about expensive gifts, expensive cars, fancy restaurants, the places we go.

You just cares about me wherever we are and you just want me to take care of you, to support you, to respect you and to pay attention to you

For you it's all that matters not the place I can take you or the stuff i can give you

You also easy going person and we both like something simple and not complicated and enjoy food together with family in the local places"

07:48 Quentin LECLER Even we have a lot of pain and suffering in our hearts I healed your heart and you healed mine and we make space in our hearts for each other ♥

I would never imagined you would be like this when we first met about 2 months ago

Honestly I didn't know what to expect after the previous toxic relationship and was worried and not trust and not really ready to love and open my heart to anyone

I would never imagined when we first met that you would be so caring, good heart women, that you would truly care about me and my mom, that we would have so many things in common, that I would realize you are actually my dream come true and the one I want to spend my life with

You're beautiful but it's not what makes me fall in love with you actually but more about your personality, your soul that so similar to mine and the fact that you put family first, truly care about religion and are a caring person not interested about the money stuff but more about the caring and the small attentions everyday, you're also supportive and always want the best for me and I just be happy with you"

21:05 Quentin LECLER "I know you be worried about me and ploy but the only reason I decided to go is to spend time with you both, not for myself, not to enjoy holiday at the beach, only to see you both and spend time together.

I hope I can learn to be like a father for her and make you both happy even just for a week.

I don't expect anything except us to be happy and hopefully one day to be together.

I know she still very young and I spend few weeks at my friend place in Italy so I heard his baby cried at night too, it's all very normal for me and of course I never be upset because of it.

I also helped his wife prepare and give milk powder because he work all day and his wife was alone taking care of all her children and she also cook Thai food and Italian food for us everyday.

The least I could do was to help her with the children and keep them busy.

She said I will be a good dad one day. It's all I wish for but could never have with ex.

I hope you're not too worried now and if anything on your mind we can talk about it by text or call 😊

All I want is to make you both happy and to have beautiful memories together ☐"

16:17 AuAii Finally she's sleeping now
16:26 Quentin LECLER i hope your family will like me too and we can have good time eating together :)
16:34 AuAii Yes u believe they will like you because you're so much different from thr ex
16:34 AuAii *I
16:37 Quentin LECLER my mom also will like you i think because she was always sad with ex and how she treated me and youre the opposite of her
16:38 AuAii I hope so too 😊
16:38 Quentin LECLER she always told me she wanted someone like you as stepdaughter
16:39 AuAii [Sticker]
16:40 Quentin LECLER someone caring and have good heart and not care about the money stuff but about each other and care about family
16:40 AuAii But maybe i'm not perfect for her because i already have a baby
16:42 Quentin LECLER it's not your fault
16:42 Quentin LECLER and she be understanding like me
16:42 AuAii [Sticker]
16:42 Quentin LECLER i also shouldnt marry ex before
16:43 Quentin LECLER but it leads me to you
16:43 Quentin LECLER and we would probably never met if i didnt
16:43 Quentin LECLER didnt
16:43 AuAii Yes i think so
16:44 AuAii If i don't have a baby, maybe we don't have a chance to meet, maybe i already date someone else here
16:45 AuAii It's God plans for our lives

16:45 AuAii It's the right time to meet
16:45 Quentin LECLER maybe but would they be the one for you ?
16:45 Quentin LECLER if they wouldnt accept ploy in the beginning
16:47 Quentin LECLER i think so but dating is one thing and living together for live another thing
16:48 Quentin LECLER and accepting each other
16:48 Quentin LECLER especially nowadays it's so hard to find someone like you who truly loves and cares
16:49 AuAii Yes i know, but when i first broke up, i try to forget and walk away from the painful
16:50 Quentin LECLER me too but cannot escape it needs time and support to heal
16:51 AuAii At that time I'm not ready to have someone yet, i just want someone to talk and heal me
16:51 Quentin LECLER i think need to accept it and learn from it but i dont think i can really forget just not thing about it too much
16:51 AuAii I think you're also the same
16:52 AuAii Until we found each other that we also just broke up
16:52 Quentin LECLER Yes mostly I needed someone to talk it's true
16:52 Quentin LECLER i wasnt ready to have anyone
16:53 AuAii And that time i want to help you and heal you from that
16:53 Quentin LECLER i wanted the same for you
16:53 Quentin LECLER i still want to do more for you both to forget the past and feel happier
16:54 Quentin LECLER we had chance to heal each other and cares each other
16:54 Quentin LECLER even we far away
16:54 Quentin LECLER but have same pain in our hearts
16:54 AuAii I still remembered the first day you sent me a long message on Tinder, i just went to toilet to read and answered your long message 😊
16:55 Quentin LECLER I loose hope to find good person like you i still worried and scared
16:55 Quentin LECLER about ex
16:56 AuAii Yes thanks for helping me from that bad situation i my life
16:56 Quentin LECLER i didnt want to hurt again and have pain because i just heartbroken
16:56 Quentin LECLER so i was worried
16:57 Quentin LECLER we helped each other :)
16:57 AuAii I didn't believe that i could move on so fast after start talking with you
16:57 Quentin LECLER for me you become very important and i would never imagine it would be like that in the first place
16:57 Quentin LECLER but i just feel happier with you and you bring sunshine to my life
16:58 Quentin LECLER after few months even few years of sadness
16:58 Quentin LECLER and we both need happy times
16:59 Quentin LECLER for our holidays to help us focus on our future together]
16:59 AuAii Yes I feel and want the same way as you ☐
17:00 AuAii 1 minute left 😊
17:00 Quentin LECLER for me i'm nothing special and feel lucky to have you in my life

17:01 AuAii Yes me too 😊
17:01 Quentin LECLER i know we e
17:01 AuAii I feel lucky to have found you
17:01 Quentin LECLER we met on tinder but i hate that app it's all about the looks and it's not what interest me actually it's not what makes you stay for life with someone
17:03 Quentin LECLER and it reminds me the ex who always put the photos i take for her to date others guys in my back
17:03 AuAii Yes me too even i met the ex from that app, but i feel so hurt so i just want to do everything to forget the past that hurt me so i just installed and registered again
17:03 Quentin LECLER so i was worried and just look for someone to talka
17:03 Quentin LECLER actually
17:03 Quentin LECLER i wasnt ready for date at all
17:03 AuAii Yes me too
17:04 Quentin LECLER i'm happy you were there to talk with me
17:04 Quentin LECLER and we helped each other
17:04 Quentin LECLER and you trust me about your past
17:05 Quentin LECLER and if there is anything you have me to talk about it
17:05 Quentin LECLER maybe it would have been different if you didn't have ploy it's true
17:06 AuAii I'm so happy and lucky to find you
17:06 Quentin LECLER maybe we wouldnt have met
17:06 AuAii You're my safe zone ❤️
17:06 AuAii I always feel safe when i'm talking to you
17:07 Quentin LECLER but maybe the guy who would'nd accept ploy wouldn't accept you like you are
17:07 Quentin LECLER and you would end up sad again because you couldnt be yourself
17:07 AuAii Yes i think so
17:08 Quentin LECLER because if he not accept ploy how you know he would accept everything about you because he dont know you yet
17:08 Quentin LECLER so its conditional love
17:08 Quentin LECLER not true love
17:08 AuAii It's not easy to find someone who has same personality and accepted who you're
17:08 Quentin LECLER yes its very rare nowadays
17:08 AuAii Yes i think so too
17:09 Quentin LECLER its about superficial stuff and money
17:09 Quentin LECLER and always conditional love
17:09 Quentin LECLER and it doesnt last long
17:09 AuAii Yes the ex also changed after i have Ploy too
17:10 AuAii He told me he couldn't live like this
17:12 Quentin LECLER Because he wasn't ready to take responsibility
17:12 Quentin LECLER Of being a dad
17:12 AuAii At that time i have changed a lot after give birth to Ploy, and i couldn't believe how selfish he's leaving me to have a new gf after he told me he wanted to have a baby after i gave him a baby, he's destroyed everything in my life
17:13 Quentin LECLER Because he still party guy and not mature enough
17:13 AuAii But i didn't understand why he said it if he's not ready to
17:14 AuAii He's destroyed my life

17:14 AuAii Sorry to talk the past again
17:14 AuAii I should focus on our future together now
17:14 Quentin LECLER Don't feel sorry
17:15 Quentin LECLER I'm here for you
17:15 Quentin LECLER We be there for each other
17:15 AuAii Thanks for always listening and being by my side
17:15 Quentin LECLER And support each other
17:15 AuAii I'm so lucky to have you into my life now
17:16 Quentin LECLER Me too ☐
17:16 AuAii You not only accepted me, you also accept Ploy too
17:16 AuAii Sorry you might have to drive back home now
17:17 AuAii Blacko is waiting for you now

18:49 Quentin LECLER Sorry I was driving
18:49 Quentin LECLER Just back home
19:02 Quentin LECLER "My future is with you both and it also means I'm
here for you both and to listen to you about everything that happens to
you good or bad and also about your past

I want to understand you and get to know everything about you good or bad so we know about each other more

I want we always be ourselves and never hide anything to each other but instead always be open and talk everything including our problems to each other"

19:07 Quentin LECLER "I always love unconditionally and give my all to the one I love

I don't want anything back but my only wish is to be truly love and truly cared the same way

Until now it never happened to my life

I just want to be happy with you both and hopefully have a warm family and a future together it's my only dream "

19:07 Quentin LECLER Its all I need and I couldn't be happier

19:07 Quentin LECLER It's all I ever wanted

19:09 Quentin LECLER "What I want is not always the best for me and also not always what my heart wants so I decided to follow my heart only

I make mistakes to think my love would be enough it doesn't work one way "

19:22 Quentin LECLER <https://vm.tiktok.com/ZGeC3quAs/>

19:29 Quentin LECLER "https://vm.tiktok.com/ZGeC3W3CS/

I think it's mistake to try to impress others because you don't need to impress the ones that loves you and cares about you

Only get fake conditional love

My ex same your ex always need to show off and only cares about money looks and sport car to impress

I never cares about either of that and about anything that she cares about and she never cared about anything I cares about "

19:42 Quentin LECLER "I don't think there is perfect relationship because we're just human being and we make mistakes and we're not perfect

It's our ability to communicate and be understanding to each other that's most important

Everything else is not important the appearances is not important, we get old like everyone else

The money is not important anyone can loose his job one day

The cars is not important it's just a tool to get from point a to point b not to show off

If the love is conditional based on our physical appearances or money or cars what happened when you loose them ? What happened when we get old? It's not working

If the love is truly unconditional it last forever"

21:23 Quentin LECLER [Photo]

22:48 Quentin LECLER "I just wanted to say that I will always be by your side whatever happens

We might have arguments about something in the future but know that I'm always a person that try to fix things instead of breaking things and always try to talk instead of avoiding the issues or run away from them

Another thing about me is that even I be cheated on in the past I never did and will never do

Same about chatting with other girls in the back she did with other guys but I never did to her and I will never do

It's one of the few things I never can accept same with the lies

I try to forgive her the first time and do my best one more time but it never can be the same once the trust is gone it's totally gone

She did a second time and it just too much and she needed to leave directly she abused me for far too long already

Maybe it's hard to believe me with the kind of people nowadays more interested to have fun than to take responsibility and serious enough to have family but I think I'm different from those people

I just always do what I think it's right and never follow others

I make my own mind and I just follow my heart and keep hoping for the best

So far I've been lucky enough god bring us together

I know it's my duty to do my best to care, love and support you both and to deserve your love and cares and support too

It always need to be mutual and based on respect and understanding

I only afraid of one thing is to loose you and I know it will never happened because I will always do my best to show love, care and support to you

To make you feel safe and understood

To make you feel you're not alone anymore and I be there for you both

To show you I can learn to be like a dad for ploy even she's not mine but for me I want to care her like she is my own

♥"

But the things we want and the things we need is different

Maybe I'm not like most guys out there but all I said to you is the truth and all I want for us and I always be honest with you about everything

Maybe it's naive thinking or maybe it's hard to believe for some people but I'm just like that

I'm not doing something to get something in return

The only thing I want is to have mutual love and caring to each other and us to be happy together :)"

15:11 AuAii That's good to hear that she's getting better:)

15:13 AuAii That's good to hear and that's what i like about you ☺

15:15 Quentin LECLER It must be hard to trust for you like it is for me and I'm happy I trust you 100 and open my heart to you and you where there for me when I needed someone to talk to ☐

I like everything natural and peaceful, but my look outside just opposite inside

15:20 Quentin LECLER Maybe that's why you worried about your IG and your past before

15:20 Quentin LECLER When we started getting to know each other

15:21 Quentin LECLER But I never judge a book by the cover :)

15:22 Quentin LECLER And what actually interests me is to get to know the real you

15:22 Quentin LECLER And it's the future and what we do now that's important and the lesson we learned :)

02:05 AuAii Good morning from here 🌄

02:06 AuAii Hope you and Blacko having a sweet dreams ☐

02:55 AuAii Mine is more worse than you, he asked me to go to his friend wedding in Bangladesh and get 10 days off from work on January, and i did everything he asked even i sick and had a COVID i still find time to do and get the visa by myself and he just messaged me the day before we planned to leave Thailand and go there together. He's just messaged me that he's not going to wedding and i just replied Ok because i know something wrong because he didn't text me almost a week before our trip. It's so funny i asked him before i find out that he has another gf, i texted him " I know you don't love us anymore , do you want to stop so you can have more freedom? " And he just answered me"Yes Ok", i never thought i could heard this from him, Ploy's only 4 months and he said that to me after giving birth to his baby, at that time i felt crazy and i didn't know what to do next, i have a lot of things in my mind. I just messaged his friend and he told me by accidentally about he's in the hotel opposite the condo with another girl and he helped me find out more on that's girl's Facebook, she posted many pictures with him and also is in the relationship with him, i was so choked, he used to asked and be in a relationship with me before and everything changed so quickly. At that time i was so hurt and i tried to keep painful alone, and i also i have Ploy to take care. I tried to do everything to keep a family for Ploy, i messaged that Thai girl but she's never read my message and blocked me. I told him to stop with that girl and come back to be a family for Ploy but he can't do it because he loves her, the girl he just met for a week and me who met for a long time and give him a baby as he wanted before. I felt so crazy that time but i have to be strong for Ploy and many times i had to cry alone in the bathroom because i didn't want anyone to know that i feel so weak and down.

03:02 AuAii Now i just feel happy to cut the wrong person out of my life. And now I'm more happy to find you, who always love and care about me and Ploy too. You helped me from the sadness , loneliness and now I'm getting stronger because of you thank you so much for helping me from that bad situation in my life. I hope we will love and be happy together forever

03:34 AuAii Yes me too ☐

03:37 AuAii I prefer a man like you ♥

06:49 AuAii Good morning 🌀

06:49 AuAii How are you?

06:51 Quentin LECLER "Thank you for sharing your story with me it must not be easy and bring very painful memories

I don't think he knows what loves really means

I don't think he has a heart at all

I'm just feel shocked and feel bad for you it's true what happened to you is worse than me a lot

How in the world could he abandon her ?

He is so weak he is not even a man but just a kid who want to have some fun

I'm sorry to say this but it's better he gone from your life I believe if you stayed together you would be depressed and sad

The ones who truly loves always find reasons to stay not reasons to leave

He wasn't for you and she wasn't for me

I choose you and always choose you to be in my life

I fell in love with what you are inside ☐

I will always be there for you both whatever happens "

06:51 Quentin LECLER "Good 😊

How are you feeling today ?"

06:51 Quentin LECLER Sorry yo have brought painful memories to you

06:55 Quentin LECLER "You did the same to my life if you remember the first time we both have sad eyes but now we always smiling and our eyes sparkling when we see each other and be happier ☐

I always wanted to make you feel better even I'm far away but I wanted you to feel I'm there for you and you're not alone anymore "

06:56 Quentin LECLER "I know but still it must hurt to remember

It still hurt for me sometimes "

06:57 AuAii Thanks i feel you always being by my side

06:58 AuAii Yes i know it's easy to forget the bad part in our lives

06:59 Quentin LECLER "If we was a man he would only care about you both and be faithful whatever happens

If he was a man he would talk to you to fix the problems

If he was a man he would never abandon his children

He just a boy who want party and have fun not someone ready to have a family and take responsibilities and be a dad and husband "

07:00 Quentin LECLER Like me you didn't loose much anyway and we are better without them now and it give us chance to meet each other

07:01 Quentin LECLER Just don't blame yourself because we all did mistake to choose the wrong person for our lives

07:02 Quentin LECLER But god bring us together for a reason

07:05 AuAii Thanks for coming into my life and always cheer me up

15:23 Quentin LECLER I'll need SIM card but I don't know it's good or
not in airport just for one week

15:24 AuAii How's much for one week?

15:26 Quentin LECLER I don't remember but last year I paid maybe 800
baht for 2 weeks

15:27 Quentin LECLER Maybe in 7/11 it's cheaper than airport

15:43 AuAii Yes it's cheaper outside

15:45 Quentin LECLER How is ploy going ?

15:54 AuAii Actually it has the WiFi at the airport?
15:55 Quentin LECLER "I think so because I had to disable my 4g

Last time my boss complained he paid 50€ in Thailand 😊"

15:55 Quentin LECLER Because of roaming
15:56 Quentin LECLER So every time I need to disable just to be sure
15:56 Quentin LECLER There is free WiFi at airport
15:56 Quentin LECLER Also in the plane
15:56 Quentin LECLER It's included
15:57 Quentin LECLER So we can text and call 😊
15:59 AuAii That's good 😊
16:00 AuAii Maybe you can buy at 7/11 outside it's more cheaper
16:06 Quentin LECLER I think so 😊
16:07 Quentin LECLER I didn't told him where I go and he called me when
I was in Thailand 😊
16:10 AuAii Oh really?
16:10 AuAii He didn't get mad?
16:11 Quentin LECLER No I supposed to stay 2 weeks but I called him to
extend to one month
16:11 Quentin LECLER I called on WhatsApp and he said ok
16:12 Quentin LECLER "He asked about the weather I show him the beach
and 30 degrees

In the office it was -5 and snowing (hahaha)"

16:12 Quentin LECLER I was in koh samui that time
16:13 Quentin LECLER When I back Belgium I go straight to the office
and it was snowing a lot and I get sick 😊
16:14 Quentin LECLER He get mad after when he get the bill 😊
16:14 Quentin LECLER I had to pay (hahaha)
16:14 AuAii I see 😊
16:15 AuAii Is that your current boss or previous boss?
16:15 Quentin LECLER Previous one
16:16 Quentin LECLER He thought I would never go back from Thailand
(hahaha)
16:16 Quentin LECLER Actually I would stay if I could 😊
16:37 AuAii Sorry just finished shower
16:38 AuAii Why he thought that way?
16:39 Quentin LECLER I don't know (hahaha)
16:39 Quentin LECLER He kind of thinking too much 😊
16:39 Quentin LECLER And he never go to Thailand
16:39 Quentin LECLER Enjoy 😊
16:40 Quentin LECLER Maybe he thought I would search jobs there
16:41 Quentin LECLER I actually did 😊
16:43 AuAii I see 😊
16:44 Quentin LECLER But in Thailand it's not so easy for employees
there and I have a friend who struggle even with engineer degree and can
speak Thai
16:45 AuAii Yes I remembered you told me that
16:45 AuAii Yes it's not easy here

16:46 Quentin LECLER It's not much taxes but you need to pay for healthcare for retirement for social security and if you loose your job it's very hard
16:46 Quentin LECLER You loose everything
16:46 Quentin LECLER Pretty much
16:46 AuAii In case the company there send you to work here
16:47 AuAii Yes I know it's not easy here
16:47 Quentin LECLER "Yes that's why I decided we move here instead

It's far from perfect but it's more fair "

16:47 AuAii You have to pay for everything and get less salary than there
16:47 Quentin LECLER Here I don't pay taxes a lot in Luxembourg too
16:48 AuAii That's good
16:48 Quentin LECLER Yes and the rent is not so cheap near bts
16:48 Quentin LECLER It's even more expensive than here
16:48 Quentin LECLER Some area
16:49 AuAii Yes it's expensive especially inside the town
16:49 AuAii I see
16:50 Quentin LECLER "Here I just pay about 20000 baht without the interests for 3 bedroom and garden

Because the loan interest money can get back from government "

16:50 Quentin LECLER Every year
16:51 Quentin LECLER So it's not bad I don't think you can do that in Thailand
16:51 Quentin LECLER But I'm not sure
16:52 AuAii That's good and cheaper than I pay here for 1 bedroom
16:52 AuAii No I don't think in Bangkok have this
16:52 Quentin LECLER Really it must be so expensive in that area
16:53 AuAii Or maybe outside Bangkok might have
16:53 AuAii But not in central of Bangkok
16:53 Quentin LECLER It's the government give you money from tax return
16:53 Quentin LECLER Actually
16:53 Quentin LECLER Because of the loan here
16:53 Quentin LECLER But it's might be different in Thailand because you don't pay much taxes
16:54 Quentin LECLER The good thing is you not far from work
16:55 Quentin LECLER Here I drive 1h to the office 😊
16:55 Quentin LECLER But it's true it's too expensive
16:55 Quentin LECLER For 1 bedroom
16:56 Quentin LECLER "Actually I would not have bought this house just for me

I bought for the ex so she can find work in the city even for me it's far but I just make sacrifice because she needed a job "

16:56 AuAii Yes maybe it's not much same as there but I still have to pay every month
16:57 Quentin LECLER "Yes it must be hard for you and I don't know how hard it is because I'm not in your situation

But I'm here for you anyway :)"

16:58 Quentin LECLER And for ploy 😊
16:58 Quentin LECLER Sorry it might be late for you already
16:59 Quentin LECLER I didn't want to bored you :)

17:01 AuAii Ploy's just waking up again
17:01 AuAii Did you have lunch?
17:01 Quentin LECLER What happened ? Is she miss you already ?
17:02 Quentin LECLER Yes just had seafood spaghetti
17:05 AuAii Maybe my sister tried to hug her and then she wakes up
17:05 Quentin LECLER I see
17:11 AuAii I will try to sleep now
17:11 AuAii Hope you have a great day with Blacko
17:11 AuAii Enjoy your dinner together later

19:05 Quentin LECLER "I think it's what happened to us it wasn't love
but selfish one way love and they wanted we change but never wanted to
change themselves

We always the problem never be enough

They want to please themselves only in the selfish way

There was never real mutual love

There was only one way love that they abused to get what they wanted because they knew we have good heart and try so hard in relationships to make it work so they abused it "

19:06 Quentin LECLER [Photo]

19:12 Quentin LECLER "It's all I want for us nothing more

All I ever wanted and dreamed of but never can find until now

I just wanted to have a warm family just like you and now it's our chance to have it, to be happy together, to love each other without reasons, without conditions, accept ourselves for who we are

♥"

19:31 Quentin LECLER <https://vm.tiktok.com/ZGeXutaPn/>

22:00 Quentin LECLER "You know I didn't told you the full story yet, when we go to Phuket last year in may with ex she had massage for many hours even she told me she just go for one hour

I stayed at the beach waiting her and she never text me or said anything that she would stay more longer

She just back after 4 hours and said nothing

After that we just back at the room in the hotel and I asked her why she not let me know she would stay longer and it's not respectful to me

She started yelling at me and said I should be lucky to have a girl like her with me because many guys wanted her and if I'm not happy I can go back alone and started make more threats to me to let me back alone to my country

I always feel so uncomfortable with, her never respected, never cared for and I couldn't say anything without her to get upset, start yelling and after that getting violent"

22:15 Quentin LECLER "I'm sorry to talk about my past again 😊

I know we both have been abused and tried so hard for nothing

You always been so kind to me and never asked anything from me but instead always cared about me and my mom and make me feel I'm not alone anymore that you be there for me

Everytime we see each other I feel so happy to see you both

I could only dreamed to find you and to have a warm family together

I wanted you to feel happier even I was so sad and depressed but the more I know about you both and your past the more I wanted to be there for you and to give you hug and make you feel you're not alone anymore even I'm so far away but just to make you feel special and important because you are so important for me

I know it may sound crazy because we never met in real life and yet I feel I be more closer to you in two months than I ever feel with ex for the last 4 years

I don't know how to explain this I feel I can understand you easily and you can understand me also

You think about me first and I think about you first too and we cares about each other without any reasons without any conditions

I always love unconditionally even it can hurt so much because it's not always mutual

I can't wait to be there for you both and spend time together

So we can forget about all happened to us to focus on our happiness and our future together ☐

I promise you that you will always have a special place in my heart and I'll do my best for our future together and I'm ready to make sacrifices

♥"

01:35 AuAii Yes it's never worked one way alone 😊

01:35 AuAii Yes i want that too with you ♥

01:43 AuAii Yes i know it was hard in the past because we doesn't have same character as the ex, everything was so difficult, we loved so hard and we tried so hard to keep the relationship work but it's never worked in one way. I know it's so hurt and it's not easy to forget sometimes but we should try and be more stronger. We should think about our future together so it will make us more happy and forget about the past that hurt

01:51 AuAii "It's ok you can talk and share everything with me, i know it's not easy to forget about the bad dream and the bad past in life but now you have me , you can say anything to me, I'll always be here to listen and stay by your side.

14:33 AuAii I think she'll be ok
14:34 AuAii She can sleep on the taxi or later
14:34 AuAii Sometimes she woke up at 5 AM lol
14:35 Quentin LECLER I see for me I need to drive 1h15mn to the airport here
14:35 Quentin LECLER and then wait 3h for the plane
14:35 Quentin LECLER for check in and luggages
14:36 AuAii That's quite take long time
14:36 AuAii You can park the car at the airport?
14:37 Quentin LECLER and 6h for the first stop and 3h waiting in Abou Dabi
14:37 Quentin LECLER yes it's about 5mn walk from terminal
14:37 Quentin LECLER and another 6h to bangkok
14:37 Quentin LECLER after that
14:38 Quentin LECLER maybe i'll be a bit tired (moon laugh)
14:39 Quentin LECLER i already booked in advance
14:39 Quentin LECLER about 100eur for 1week
14:39 Quentin LECLER 4000baht
14:47 AuAii I see
14:47 AuAii Why don't you use the Uber?
14:48 AuAii It might be cheaper and more convenient
14:48 Quentin LECLER it's going to be more expensive here
14:49 AuAii It's long flight, thanks for coming to see us ❤️
14:49 AuAii Oh i see
14:50 Quentin LECLER i dont even think there is uber there (moon laugh)
14:50 Quentin LECLER on the app it shows nothing
14:50 Quentin LECLER it's my happiness to come meet you both
14:50 Quentin LECLER meet
14:51 Quentin LECLER if you could you also would do for me
14:52 Quentin LECLER [Photo]
14:55 Quentin LECLER and public transport sucks here and taxi would cost same as parking+gas anyway
14:56 Quentin LECLER there is train + bus I could take but its more convenient by car
14:56 Quentin LECLER and no traffic on sunday
14:56 AuAii Ok i see
14:57 AuAii It's much different from here
14:57 Quentin LECLER a lot
14:59 Quentin LECLER here its better with the car
14:59 Quentin LECLER especially in the countryside
14:59 AuAii Yes that's right
14:59 AuAii Yea same here
15:00 AuAii In the country side it's not easy to find the taxi
15:00 AuAii It's also more convenient with the car too
15:01 Quentin LECLER because where my mother live its very remote place everyone need cars because there is not many bus
15:01 Quentin LECLER i think its similar as your mother place too
15:02 Quentin LECLER maybe one day you can visit us :)
15:02 Quentin LECLER i hope
15:03 Quentin LECLER there is country we can visit together too like turkey you dont need visa it's also nice
15:04 Quentin LECLER but better you come here next time :)
15:05 Quentin LECLER we can talk about it during our holidays :)

15:10 Quentin LECLER i check to take train but there is no bus so early in the morning (moon laugh)
15:10 Quentin LECLER and i would have needed to pay for parking at the train station anyway (moon laugh)
15:14 Quentin LECLER It's my big baby 😊
15:14 Quentin LECLER [Photo]
15:15 AuAii He will miss you
15:15 AuAii Sorry have been busy playing with Ploy

15:15 AuAii Trying to put her to sleep
15:15 Quentin LECLER no worries take your time with her :)
15:16 AuAii But it seems she still have more energy to play with me 😊
15:20 Quentin LECLER my mom told me the week i'll go holiday she dont have treatment and have her friend come
15:20 Quentin LECLER so it's good so she dont hurt
15:20 Quentin LECLER when i'm not there for her
15:21 Quentin LECLER and have friend with her
15:21 Quentin LECLER also blacko will be with friends
15:22 Quentin LECLER this boss is more strict with holidays but i'll try my best to be there for you both
15:22 Quentin LECLER just i couldn't go as often as i wish but i'll do my best so we can have our holidays together
15:23 Quentin LECLER promise
15:26 AuAii If you can't come often it's ok i understand i don't want you get trouble with work
15:26 AuAii That's good to hear
15:26 Quentin LECLER I don't want to leave you there for long and i don't want to make you wait for me too long too
15:27 AuAii So she won't be hurt there alone and you won't be worried too much about her
15:27 AuAii I understand it's life
15:27 Quentin LECLER all my days off I'll take for you I promise
15:27 AuAii I used to have a long distance relationship before and i always understand
15:28 Quentin LECLER an we can discuss later to see when we can take our holidays together
15:28 Quentin LECLER I did too and maybe my mistake is to have been too quick to make her come
15:28 Quentin LECLER i just didnt want we stay long distance for long time
15:29 Quentin LECLER also for you I don't want to make you wait
15:29 Quentin LECLER and it's good if we can plan our future and our holidays in advance
15:29 Quentin LECLER so we know we will be together soon
15:30 AuAii I hope so too 🙏
15:31 AuAii But i know we might need time for this progress
15:31 Quentin LECLER but I'll tell you everything about it and we will talk together :)
15:32 AuAii Yes we'll do as a team work
15:32 Quentin LECLER I will wait for you as long as it takes :)

15:35 AuAii [Photo]
15:35 AuAii She's sleeping now 😊
15:35 Quentin LECLER I think if everything is going well we can ask for family and friend visa in 6 months for you to come here
15:35 Quentin LECLER Already
15:36 AuAii Everyday she sleeps in the difference way 😊
15:37 Quentin LECLER They just ask proof about 45€ per day for your stay
15:37 AuAii I hope so too ☐
15:37 Quentin LECLER And other things but it's not so hard to get
15:39 Quentin LECLER i did before mostly you'll need to prepare for interview
15:39 Quentin LECLER if they have all the documents they need it's already good
15:40 Quentin LECLER but there is still time to talk about it :)
15:40 AuAii Yes 🖱
15:40 Quentin LECLER i know they even ask my mother name
15:40 Quentin LECLER and details about my family
15:41 AuAii Ok i see
15:41 Quentin LECLER to make sure we know each other for example
15:41 Quentin LECLER how we met
15:41 AuAii Yes they need more information
15:41 Quentin LECLER why you want to come see me
15:41 Quentin LECLER and things like that
15:42 Quentin LECLER they want to make sure you have money for your stay have job and family in thailand
15:42 Quentin LECLER and not come here and never leave like that
15:42 AuAii I see
15:42 Quentin LECLER but for you it's already good because you have job for long time
15:42 Quentin LECLER and work as employee
15:42 AuAii Yes
15:43 Quentin LECLER because if you be self employed or have your own business it's more complicated
15:43 AuAii But even i work long and have documents from work the USA embassy still didn't even look at any documents lol
15:43 Quentin LECLER lol
15:44 Quentin LECLER I'm not sure how they work
15:44 Quentin LECLER its not same as european union
15:44 Quentin LECLER but I did already
15:44 AuAii I see
15:44 Quentin LECLER so its not impossible
15:44 Quentin LECLER and she not even employee
15:44 AuAii I think it's more easily in Europe
15:44 Quentin LECLER but she work self employee as real estate agent
15:44 AuAii I read many reviews
15:45 Quentin LECLER i think so
15:45 Quentin LECLER but still they reject many
15:45 Quentin LECLER because they not prepared good
15:45 Quentin LECLER even in belgium
15:46 AuAii I see

15:47 Quentin LECLER I even do document with pictures and how we met and what we will do in belgium
15:48 AuAii I saw some reviews you can make a visa for visiting in Europe, it's more easily if you have the letter from people who live there in the country
15:49 Quentin LECLER

Someone that want a peaceful and happy life

Someone that shares common goals and interests in life with me

Someone who always support me and pushes me to be the best version of myself in the good but most importantly in the bad times

Someone I can trust blindly about anything, someone faithful, respectful and honest

Someone I can have a warm family with, grow old together and simply be happy together

20:56 Quentin LECLER "I just wanted you to know that I spend the most wonderful and happiest week of my life with you 😊

Spending time with you just confirmed me that you're the one for me you're my soulmate and the one I searched and looked for all my life but never can find and I almost resigned myself I would never find you

Everything is easy and smooth with you and you always take care about me, loves me and understands me ☐

It's especially hard for me because I'm not happy here without you alone with Blacko in the house I didn't choose for myself and far from my mom and work 😊

It's also true I have my mom and I need to be strong for her

But for me I could have the best job or salary, the biggest and fanciest house in the world it would mean nothing if we're not together

I know we also need money for our future and for our children but money cannot buy happiness

I would be happy with you anywhere and I would sacrifice anything to be with you both

I don't want to waste more time and I want us to be together forever

If you can be happy here with me then we can check for short stay visa first I think it's easier to get

I want to marry you and have my life with you grow old together

I want you be my last and I want you to always be by my side

You're the love of my life always

♥"

21:02 Quentin LECLER "The French guy told me I would need to take decision to bring you here or go live in Bangkok with you because I would feel unhappy and sad all the times without you

thailande/?_x_tr_sl=fr&_x_tr_tl=en&_x_tr_hl=fr&_x_tr_pto=wapp

I think it would be easier this way"

12:27 Quentin LECLER what do you think
12:30 Quentin LECLER "for the family/friends visa last time i go in
thailand two times for 1month and half

so it will be hard to do now because you cannot take many days off and
it's one of the requirements is to provide proof of stable relationship"

12:31 Quentin LECLER so the best for us is to marry in thailand i think
12:32 Quentin LECLER then legalize marriage to belgium embassy and make
you come here after with ploy
12:34 Quentin LECLER and it's easier to marry in thailand instead of
asking for marriage visa and do the marriage here in belgium
12:52 AuAii Yes i think so too, it's more easy to do here in Thailand
first

12:54 Quentin LECLER i think so
12:54 Quentin LECLER lunch time for me

You're more than my dream come true

In you I find my soulmate and it doesn't mean everything will always be perfect between us but that means we're meant to be together whatever happens

I think God or Buddha bring us together for a reason

It's true it's hard to trust and especially after what happened to you so I understand why you scared and worried about me and I might change or be different from the one you know but I promise to never change

It's true here life is hard it's not holiday like in Thailand and I have to work and it's cold and many things are different from Thailand like it's not very convenient so I want to be sure that's what you want and if you have anything to ask me about it I will answer honestly

I'm not like your ex very far from it

I'm not selfish I always think about you both first and put you and play before myself

My plan is to marry you in Thailand and live happy together with you and play nothing else just to have a warm family together

I only scared to loose you and you to forget about me and I worry about your happiness that's all that matters for me

I don't want you to come just for me and be unhappy or homesick like I didn't want your mom take ploy so we be together only and I can just spend time with you alone

Actually this trip was about you and ploy and so you can feel happier

The fact that I can make you both feel happier fill my heart with joy and I don't need anything else

Making someone else happy especially the ones you love like you and ploy is the most beautiful thing and it's my own happiness to make you both happier

I hope I succeed

Maybe you won't believe me but it's my heart speaking

♥"

I know life is not easy to live abroad but if you stay with someone you love everything will be more easily and i know you will always care of me and won't let me down so i don't worry too much, many people can live and stay abroad and i believe i can do it too , especially to be with someone i love it's worth than anything in the world ♥"

I hope you know how important you are and what I'm ready to do for you

I hope you know that I choose you and will always choose you I don't need better I already have you the women of my dreams

I hope you know my dream come true last week and I couldn't be happier man to have you both as my family

You're my soulmate and I promise to never leave you but always fight for you and put you and ploy first

I'm always loving so hard and give everything into the relationship and my total trust

Sometimes it's not good to do but with you I'm trusting you and you trusting me too

This trip was all about you both happiness not myself

I just wanted you have happy moments with me and it's my own joy and happiness to make you and ploy happy

It's make me 10x more happy to make the ones I love happy

It's never was about me I hope you know that

I always trust your words and I just wanted to bring that smile on your beautiful face that alone makes me happy so much just looking at you and see you happy or share good meals together

Just small things and details is enough with me

I'm just simple guy but I have a big heart and I love you endlessly

Miss you so much and love you so much babe 🥰

22:11 Quentin LECLER "I just wanted to say this

I can't believe my dream come true with you ☐

I always look for you in my life before but never can find you until now
☐

I don't need to pretend I don't need to try hard I don't need to change
myself to be someone I'm not I can just be happy with you and just be
myself

Before I thought it's too good to be true and it might be different when
we met in person but actually it was the opposite it was better than I

expected it was perfect for me just happy moments together that we deserve so much in our lives ☐

I'm happy I make this happened I'm happy I bring you love and joy and happiness to you and ploy and now I feel we so much closer and love each other so much even it's been 3 months since we start talking but it felt a lot longer for me

When I miss you I always imagine myself together laughing and spending time together just holding hands and watch the sunset together or cuddling in bed and you put your head on my shoulder and I hold you in my arms and we sleep together so good ☐

For now we cannot be together all the time we want and it's also a reminder that time is precious and we should make the most of it and not loose time but hope for the best and always follow our heart I did with you and I'm so happy I did I didn't listen anyone I just listen my heart and follow it

It's true we never know what to expect in life and sometimes it's just pure happiness like we had together and sometimes it's hard times and heartbroken and sadness and depression

With you I always felt I could open my heart because since the beginning I felt you always listen to me and truly care about me

It's hard to find someone like you with good and pure heart and kind that always care about others and listen and not judge

I always wanted and I only want your happiness for you and for ploy

I'm happy I spend time with her and she get more use to me and let me feed her and be close to her I'm sure she will get more use to me in the future

We always love so hard and together I never felt so much love for each other it's never happened to me before it's always me who give more love than I get back with you it's totally different I always feel your love and cares me so much every time we spend together even simple things like get a drink for you you always think about me without me to ask anything just because you care me and think about me and I love this so much about you it doesn't need to be much the small attention and cares said everything about how much we are loved and cares for

I miss you so much and love you so much babe ☐

The time is running so slow when I'm not with you and so fast when we are together

I wish I never leave you it break my heart and you see in my eyes my sadness to leave you

It take days for me to accept that I had to leave you even I never want it

I have my mom to take care and I hope she will be good enough to good Thailand with me

I hope she have chance to meet you and ploy and we eat bbq together with your family

I hope she will see how beautiful your country is and I hope she will feel home like I feel every time I go there

The stress of the life here is gone when I'm there I feel more home than here in Belgium

It's true I feel a lot more happier there with you

My only wish is for us to grow old together and remember all we had to do to be together all the sacrifice we had to make but in the end it was worth it because all the money in the world cannot buy happiness

Our moments together is priceless it's unique and pure

I'll do everything for us to be together and I know you will do the same for me

♥"

16:47 Quentin LECLER Yes but in the beginning he didn't know her
16:47 Quentin LECLER But he was still good to her
16:47 Quentin LECLER And maki
16:48 AuAii Ok i see
16:48 Quentin LECLER And also I go with blacko to Thai restaurant before and he was good to Thai staff
16:48 Quentin LECLER Just the Belgian boss he didn't like
16:48 Quentin LECLER And bark at him 😊
16:49 Quentin LECLER Because he raise his voice to me and blacko didn't like
16:49 Quentin LECLER He kind of guardian dog
16:50 AuAii I see
16:50 Quentin LECLER So he not aggressive with everyone like that without reasons
16:51 AuAii Ok that's good
16:51 Quentin LECLER Im sure he will be good to you
16:51 Quentin LECLER And ploy
16:51 Quentin LECLER Actually my mom just scared just because he's heavy and don't know he's so big
16:52 Quentin LECLER Sometimes
16:52 Quentin LECLER He think he's like baby 😊
16:52 AuAii I remembered last time we drove motorbike back hotel, one dog comes so close to us, like he wants to bike
16:52 Quentin LECLER Oh yeah I remember 😊
16:52 AuAii Some dog don't park and come to bike you directly
16:52 Quentin LECLER Maybe we scared him
16:53 Quentin LECLER It was kind of scary 😊
16:53 AuAii Bark*

16:53 AuAii I hope so too
16:54 Quentin LECLER We was ok before
16:54 Quentin LECLER He
16:54 AuAii Yes he will be your little baby forever
16:54 Quentin LECLER Never bite her or be aggressive
16:54 AuAii But maybe he can be a good boy and big brother to Ploy
16:54 Quentin LECLER Just sometimes he careless and heavy 😊
16:54 Quentin LECLER I think so he protective to his family
16:55 Quentin LECLER Just sometimes can be clumsy and because he's
heavy can hurt without meaning to
16:56 Quentin LECLER So still need to watch him
16:56 AuAii Yes i know
16:57 Quentin LECLER Actually it's better never put the dog alone with
young children
16:57 Quentin LECLER Even small dog
16:57 Quentin LECLER Never know what can happen
16:58 AuAii Yes i think so
17:00 Quentin LECLER Actually I saw sometimes the small dog can hurt
more
17:00 AuAii Yes i think so
17:00 Quentin LECLER Even maki try to bite the mail guy
17:01 Quentin LECLER But blacko never bite anyone
17:01 Quentin LECLER Always barking only
17:01 Quentin LECLER And people stay far from him usually 😊
17:01 AuAii Yes it's because he's a big dog
17:01 AuAii So people scared at him
17:02 Quentin LECLER I think so
17:02 Quentin LECLER I go with him to the beach and let him run free
17:03 Quentin LECLER And he never be aggressive but go run with other
dogs and prop there
17:03 Quentin LECLER It's also stranger but different
17:03 Quentin LECLER In the house he kind of guardian from stranger try
to come inside
17:06 AuAii Ok i see
17:06 AuAii He is a good boy
17:06 AuAii Always try his best to protect you and the house

It's not just my mom who thinks about you both I also do every single day.

I know there is steps to do first before I can bring you here.

I'm someone responsible and never would put you in hard situation but instead always think about you both and your happiness first.

Even If that means waiting for you more longer even if it means I would need to be more patient and i would need to be unhappy for more longer here.

I care about you both and your happiness more than myself and my own happiness.

Are we going to be more happy together here or there in Thailand ?

I know if I didn't have my mom I wouldn't want to stay here and I would have follow you there.

Maybe we can try here first and if you don't like it we can move there.

I know I would be happy anywhere and I know it's also hard in Thailand but I just don't want to see you unhappy babe

I love you and I miss you so much ☐😊

I would do anything for you both I hope you know that

♥"

12:13 Quentin LECLER my previous boss just hired someone else now
12:13 Quentin LECLER so he just wanted to get rid of me also because of her
12:13 Quentin LECLER i just found out few days ago
12:14 Quentin LECLER it's was not about economical reason or about my work but just because of things he didnt like and her using the company car

12:27 AuAii Even I don't like this job much but I still choose to work here

12:27 Quentin LECLER I see

12:28 Quentin LECLER If I cannot find work i like i would still get anything with permanent contract i can get

12:28 Quentin LECLER for us

12:28 Quentin LECLER I should find because i already have 8years exp

13:16 AuAii I see

13:17 AuAii I think she's just can't wait to be home

13:17 Quentin LECLER I think so

13:17 Quentin LECLER She miss maki

13:18 Quentin LECLER She ask about Thailand visa for retirement

13:18 Quentin LECLER If she getting better

13:19 AuAii She wants to stay in Thailand?

13:20 AuAii I think Maki misses her too

13:20 Quentin LECLER Maybe I told her to go first with me if she like it or not

13:20 Quentin LECLER In September

13:21 AuAii I see

13:21 Quentin LECLER Also she need to check with insurance and there is conditions for retirement visa

13:21 Quentin LECLER There

13:21 AuAii Ok I see

13:22 Quentin LECLER For me I would already be there if i retired already 😊

13:23 Quentin LECLER Let's see if she getting better first and then after she go with me in September

13:24 Quentin LECLER Here she's not so happy like me actually

13:29 AuAii I think she will like it here

13:29 AuAii Because of the weather here is more warmer and food
13:30 Quentin LECLER I think so too
13:30 AuAii But maybe for the hospital and economy is not so good like there
13:31 Quentin LECLER For retirement visa they ask 800.000 baht on Thai account I think
13:31 Quentin LECLER I'm not sure
13:32 Quentin LECLER And insurance for hospital
13:32 Quentin LECLER And she still keep her retirement from Belgium
13:32 Quentin LECLER My friend mother did that the one you saw before
13:32 Quentin LECLER She work in Belgium before
13:33 AuAii I see
13:34 AuAii But firstly I hope she's getting better and recover from the sickness
13:37 Quentin LECLER I hope so
13:44 Quentin LECLER But I think it make her hope also and feel better to think about our next trip together and she want to come to see you both
13:52 AuAii I hope she's getting better and can come to Thailand for vacation too
13:53 Quentin LECLER I hope so
13:53 Quentin LECLER i think it's good she think positive and about our trip and you both
13:54 Quentin LECLER and we care about her and she always love the beach and didnt go for long time
13:54 Quentin LECLER she never wanted to go with me before with the ex
13:54 Quentin LECLER and always sad
13:55 Quentin LECLER so this time i'll try my best for her too so she can come with me and i hope she will be ok
13:55 Quentin LECLER we will need to go get her passport first and she'll need to be better so i can make apointment
13:59 AuAii Yes I hope so too 😊
13:59 Quentin LECLER she will need to come with me for the passport here
14:00 Quentin LECLER it can take some time so i hope we can go soon
14:00 AuAii She still doesn't have password?
14:00 Quentin LECLER she never travel outside europe before
14:00 Quentin LECLER so she never needed one
14:00 Quentin LECLER now we need to go to luxembourg to ask one for her
14:01 Quentin LECLER but it's not hard to do
14:01 Quentin LECLER we already have all the documents just need to make apointment to order one
14:03 AuAii Ok I see
14:03 AuAii Yes I know it's not difficult to get one
14:03 Quentin LECLER we supposed to do for her but then she start getting sick
14:04 AuAii But the most important she needs to be healthy and strong first before traveling
14:04 Quentin LECLER yes I know it will give her more strengh also
14:04 Quentin LECLER to think about our next trip
14:04 Quentin LECLER and meet you and ploy
14:05 Quentin LECLER and i'ts important when you be sick
14:13 AuAii Yes hope we can meet one day 😊

14:14 Quentin LECLER you know she just have me and so she think about positive things

14:14 Quentin LECLER and our trip

14:15 Quentin LECLER and she will meet you both :)

14:52 Quentin LECLER [Photo]

<https://citizenremote.com/visas/thailand/>

but first need to take care of my mom and she getting better and she can come with me too"

15:53 Quentin LECLER for my mom i could sell the house and have the amount for her when she getting better

15:54 Quentin LECLER so she can be with me and you still be with your mom too

16:03 Quentin LECLER "but there is a lot more jobs opportunity than there:

[https://remoteok.com/remote-react-jobs"](https://remoteok.com/remote-react-jobs)

16:11 AuAii Ok babe

16:12 AuAii But your mom healthy is the most important

16:12 AuAii I think there is better hospital there

16:14 Quentin LECLER for now she need to follow treatment let's see when she get better

16:15 Quentin LECLER because if she come live in thailand it'll not cover I think with the insurance

16:15 Quentin LECLER so for now i need to find job here

16:15 Quentin LECLER or maybe remote from here

16:15 Quentin LECLER to be with her and take care of her

16:17 Quentin LECLER maybe in the future if she cured and get better she can retire in thailand and we can live there together

16:19 Quentin LECLER how is ploy and your mom going ?

06:46 Quentin LECLER How is work going ?

06:54 Quentin LECLER "Babe something I wanted to tell you before about my past

I also worried about her Instagram and people she texted there

She always used to make fun of me but actually it was not because I was jealous but because I loved her and cared about her and also didn't want to loose her

I didn't feel good of some photos she posted but I let her do anyway because it's her freedom to do it so I said nothing

I just didn't imagine she would blackmail me and also texting other guys in my back there and said it's nothing

If we text someone else while in relationship it's never nothing and it's unacceptable

I'm was not feeling comfortable with that and i think it's normal and not jealousy

What do you think ?"

14:54 Quentin LECLER I see
14:54 AuAii Yes didn't even have time to check on my phone
14:54 Quentin LECLER is it happens often like today??
14:55 Quentin LECLER I see that
14:55 Quentin LECLER a little bit busy too
14:55 Quentin LECLER my boss just come to office now
14:55 Quentin LECLER [Sticker]
14:56 AuAii Be careful lol

14:56 Quentin LECLER i think my boss more chill than yours
14:56 Quentin LECLER [Sticker]
15:01 AuAii Yes i think so
15:02 Quentin LECLER "i think about it and maybe it's best to try for you to come once i get the contract here

i don't know it's going to be easier there with ploy and after she grow up and for education"

15:02 Quentin LECLER what do you think?
15:02 Quentin LECLER it's true for my mom it's better there when she recover
15:04 Quentin LECLER but we still have time to think about it
15:04 AuAii Yes i think so too
15:05 AuAii I think she needs to follow up with the doctor there
15:05 Quentin LECLER "maybe for you it's going to be harder for language and work at first

for ploy future it's better in thailand it's expensive for good education"

15:05 Quentin LECLER it's better here because it's free also
15:06 AuAii Yes i think so
15:06 Quentin LECLER but also i don't want you be depressed here because it's hard and weather is bad
15:06 Quentin LECLER and you miss your family and friends
15:07 AuAii Here if you want to study in good school you have to pay a lot of money to be international school
15:07 Quentin LECLER yes it's like in us
15:07 Quentin LECLER it's not fair
15:07 Quentin LECLER so i think for ploy future its better here my mom don't know that she never go thailand
15:08 Quentin LECLER and we get many help also for children but in thailand there is nothing
15:08 AuAii Yes even like hospital here also expensive if you want a good hospital with good service
15:09 Quentin LECLER yes it can be good if you have a lot of money but it's not the majority of people there
15:09 Quentin LECLER can afford it
15:09 Quentin LECLER so it's not fair and harder for most people
15:09 AuAii So i just worried about your mom if she needs to follow up with the doctor and the insurance is not covered
15:10 Quentin LECLER Yes I know it's good for the weather for my mom and easier life
15:10 Quentin LECLER for retirement
15:11 Quentin LECLER but it can be very expensive for hospital
15:11 Quentin LECLER so maybe we try first so you can come here with me and we can still go thailand sometimes with my mom
15:12 AuAii Yes we can do and try that first
15:13 Quentin LECLER hope my dream come true and we can have our marriage and live together :)
15:13 Quentin LECLER my mom don't know how it is in thailand and the friend i have there don't have easy too
15:14 Quentin LECLER me too i don't really know how it is in thailand actually
15:14 Quentin LECLER i never work there

15:15 Quentin LECLER but I see how you work so hard
15:15 Quentin LECLER seems harder than here
15:16 AuAii Yes i know it's harder work here in Thailand
15:16 Quentin LECLER the good think would be that you don't need to
leave your family and friends and my mom would be with us too
15:17 AuAii That's why many people want to go work abroad
15:17 Quentin LECLER I see
15:18 Quentin LECLER I think for ploy it's better here
15:19 Quentin LECLER but it's true what my mom said cannot go anywhere
without car and you'll stuck in the house
15:19 Quentin LECLER with bad weather
15:20 Quentin LECLER but I think it's better than thailand for the
future
15:21 Quentin LECLER i'll need to explain how life is in thailand to my
mom because she don't know
15:22 Quentin LECLER also for retirement you get nothing almost
15:22 AuAii Yes let see if she can come Thailand first
15:23 AuAii And let see if she will like it
15:23 Quentin LECLER yes
15:26 Quentin LECLER i think she will like it
15:26 Quentin LECLER for retirement it's good but need to be good
health first
15:32 Quentin LECLER enjoy time with mom and ploy:)
15:34 AuAii I just do laundry
15:34 AuAii Will feed Ploy dinner now

00:27 Quentin LECLER [Photo]
00:40 Quentin LECLER "I love you so much babe and miss you so much

I had the happiest week of my life with you and you're the only one who can make me smile this way

I miss you more everyday and counting the days until we can be together again

I miss our cuddling and hugs our soft kisses, holding hands and just sleeping next to each other your head on my chest

For me our week together was perfect

I wouldn't change anything if I could I would just back in time to live it again with you

It's so hard for me to live without you

I wouldn't imagine it would be so hard

You're the one I always looked for and the only one who can understand me so well, the one I want to grow old and have a warm family with, the one I want to marry and spend my life with

If I didn't had my mother I would go to be with you instead of staying without you here sad and unhappy money is nothing without happiness

You bring me so much more than you think

Money is not the most important and our memories together the love we have for each other that's what matters the most not the things or money we have

When we will get old what we will have left is our love for each other and nothing else will matters

We will be proud of us and our warm family that we build

And we will be rich maybe not with money but with the happiness of what we accomplished together proud of us and our warm family

The decisions we make now will change our lives and I'm ready for anything just so I can make my dream come true with you

My only wish is to be with you because you're my happiness

I hope you know how much you mean to me

I hope you know I would sacrifice anything for you

I hope you know the love I have for you "

00:42 Quentin LECLER Is infinite and I'll always love you with all my heart ♥

00:51 Quentin LECLER "Whatever happened between us I'm the one who always will try to fix and talk

I'm not the one who will runaway or left you because of arguments

The couples who stay together all their life decided to fight for each other of course they had arguments but they choose to work together whatever happens and fix and talk

That's what I want for us

I know we had holidays together and life here is very different

I already feel good about you and not worried for our future because I see that you love me so much and you want I'm happy and cares about me

You always so kind with me and thinking about me

I never want to break your heart and never want to fight with you

I'm someone calm I don't like to fight or have arguments

With you I feel we always can have good communication and good understanding

We both clumsy and we both easy going and we not take ourselves too seriously

If you be with me here I promise to do everything for you

I always did but this time I don't need to force myself because for the first time in years I would just be happy to do it

I can just be myself with you you're not going to judge me or change me and I'm not going to judge you or change you

"

00:57 Quentin LECLER "My only fear is to have my heart broken again

I don't think I could open it again to someone else it would be too much for me

But I choose to trust you and open my heart to you because I feel we both share the same pain and never want it for each other "

01:11 Quentin LECLER I would have go there with you already and get any job I can do and be happy just because I'm with you

01:28 AuAii Good morning from here 🌄

17:25 Quentin LECLER I'm sorry to hear that babe I knew working so hard it's not good

17:25 Quentin LECLER If you feel it's too much then it's not worth risking your healthy

17:26 AuAii And i know sometimes it's not good for Ploy too

17:26 Quentin LECLER And I know you need to take care of ploy and need this job

17:26 Quentin LECLER But if you can find something less stressful it's better for you

17:26 AuAii Yes i know

17:26 Quentin LECLER Yes she miss you

17:27 Quentin LECLER If you come here maybe we not rich and cannot go out many times and traveling but we be together and you can take care of her

17:38 Quentin LECLER New graduate have hard time to find job

17:38 Quentin LECLER You need few years experience

17:38 AuAii Yes they just can train them and pay less salary and save money

17:39 Quentin LECLER I see it's different than here

17:39 Quentin LECLER Here they want someone have experience and don't need to train

17:39 AuAii Yes I think it's depends on the company

17:39 Quentin LECLER And already ready to work

17:40 Quentin LECLER They don't care about how much depends about experience

17:40 Quentin LECLER I'm sorry it must late you should get rest

17:40 Quentin LECLER Be

17:40 Quentin LECLER For tomorrow if you want to talk I'm here and if you want my help I can try to help you

If it doesn't work I'm ready to sell the house and try to bring my mom and blacko with me to be together

I'm sorry about your work and you be so stressed I feel something changed about you but didn't know what it is

Please if you have hard time or feel depressed or sad or stressed call me or text me I will listen and be understanding and will want to help you

It's what a couple does and I want to marry you and live with you and grow old with you

We support and cares for each other it's ok to share your emotions and your feelings with me

I will never runaway or leave you because of that

I will always be there for you and ploy

10:47 AuAii Now she's only eat orange

10:48 Quentin LECLER I see she not feel sick or something ?

10:55 AuAii I don't know

10:56 AuAii She doesn't sick

10:56 AuAii But maybe she bored of food

10:56 Quentin LECLER I see

12:54 AuAii Home now

12:55 AuAii Ploy's sleepy

12:55 Quentin LECLER Just do some housekeeping now 😊

12:55 AuAii Still not give her a shower yet

12:56 AuAii She's already sleeping now

12:56 AuAii Her hair still wet 😊

12:57 Quentin LECLER "Agency come to give me estimate of the value of the house just in case i want to sell in the future

So I would have enough to buy condo and move there if I cannot bring you here"

13:00 AuAii Ok babe

13:00 Quentin LECLER But let's see first with work next week also my mom needs for for now I cannot let her alone
13:00 Quentin LECLER But it's just to see the amount I can sell to have an idea
13:00 AuAii But i think it's better to be there because your mom can't be there alone
13:01 Quentin LECLER Yes I'll do my best to make you come here first
13:01 Quentin LECLER You and ploy
13:01 AuAii Yes i know it might take time
13:02 Quentin LECLER I hope my mom will get better and one day she can go there
13:02 AuAii Yes i hope so too
13:03 Quentin LECLER It would be better for her
13:03 AuAii Yes the weather here is good for her
13:04 Quentin LECLER If you come here you will loose the job and family so it might be hard for you and I need the contract first
13:04 Quentin LECLER I don't want to put you in trouble
13:04 AuAii But maybe for the hospital is not good enough here unless you pay more money to get a good service
13:05 Quentin LECLER But i'll do my best so it's not take too long time for us
13:05 Quentin LECLER Yes she will need to get better first
13:05 AuAii Yes
13:05 Quentin LECLER She will need insurance too
13:06 Quentin LECLER "I just don't want we separate for long so I try to find options for us

Also I don't want you wait for me for long"

13:07 Quentin LECLER And I don't want to lose time
13:07 AuAii Yes i understand
13:08 Quentin LECLER So I think about my mom and you both first
13:08 Quentin LECLER And what best to do for you both
13:09 AuAii Thanks babe for always thinking about us ❤️
13:10 Quentin LECLER "I know it always take time to process documents here and if we marry there it can take few months until I can make you come here

And few months before to prepare the documents for marriage "

13:11 AuAii Yes everything needs time and process
13:12 Quentin LECLER "We can try short time visa for family and friends but if it failed we loose time a lot

We don't know each other for enough time

And it's my dream come true to marry you and have our pre wedding pictures together ☐"

13:13 AuAii Yes we can do that together and make our dream come true ❤️
13:14 Quentin LECLER [Sticker]
13:15 AuAii Ploy's sleeping now i will go down to bring up the water
13:16 Quentin LECLER Ok babe talk later 😊
13:25 AuAii She's waking up lol
13:26 AuAii Try to put her back to sleep more

13:26 Quentin LECLER It's about our future and it's the most important thing for me it's we are together and happy you and ploy □

13:27 AuAii [Sticker]

13:29 Quentin LECLER "My mom she said it's better I go buy condo there and find work and sell the house and she will come when she get better

But she don't know Thailand and she will miss me too"

13:30 Quentin LECLER She said there you keep your job and family and we can have our own place

13:30 Quentin LECLER and she can come with us later but she will miss me and be alone when she sick it's not good

13:31 AuAii Yes i know it's not good for her to be there alone

13:32 AuAii If she's healthy I'm not so worried if she's there alone but now she's not strong enough to be there alone, she need you

13:33 Quentin LECLER Yes I know

13:33 Quentin LECLER I hope she get better soon

13:35 Quentin LECLER So she can see how it is in Thailand and decide if she want to stay

13:35 Quentin LECLER But she need go get better and wait end of treatment

13:35 Quentin LECLER And doctor approval

13:39 AuAii Yes i hope she's getting better soon

13:40 AuAii And it's better if she can come to visit first and then decide it later uf she likes it here or not

13:41 Quentin LECLER I think so

13:41 Quentin LECLER I think she going to like it because here it's hard and cold

13:42 Quentin LECLER Its not convenient as Thailand

13:44 AuAii Yes maybe she likes for holidays

13:44 AuAii But maybe for living here she might not like it

13:45 AuAii Let's see in the future if she likes it

13:45 Quentin LECLER Let's see

13:46 Quentin LECLER But many people here retire in Spain or Portugal

13:46 Quentin LECLER Because it's just more enjoyable to live there

13:48 AuAii I see

13:48 AuAii Yes everything is more convenient here

13:49 AuAii But also need to spend a lot of money here too

13:50 Quentin LECLER Yes but not like here

13:50 Quentin LECLER It's way cheaper there

13:51 Quentin LECLER Maybe not your area that is pretty expensive

13:51 Quentin LECLER But I believe with my mom retirement she can live there better than here

13:52 Quentin LECLER Here it's not enough

13:54 Quentin LECLER Let's see how she feel about it

13:55 Quentin LECLER "But here many people think it's easier to live but it's not like that much

There is good things but it's not like paradise either "

13:55 AuAii Ok i see

13:56 AuAii Something good something bad

13:56 Quentin LECLER I had experience before and without language and for foreigner it's not easy

13:56 Quentin LECLER And limited to jobs like restaurant and things like that

13:57 Quentin LECLER So it's very important to learn at least one language here because English is not official language

13:57 Quentin LECLER Ex not take seriously and she just can find work as cook here

13:59 Quentin LECLER So it's very important I get the permanent contract first in the beginning you will need to learn

14:01 Quentin LECLER Even for me some jobs cannot do because they ask to speak Dutch 😊

14:04 Quentin LECLER Yes nowhere is perfect

14:06 Quentin LECLER But there is foreigner here and Thai people have the language French or Dutch and jobs so it's not impossible to do

14:06 AuAii Ok i see

14:07 Quentin LECLER It's just English is considered a plus for language need French + English or Dutch + English

14:08 AuAii I see

14:08 AuAii Mostly people there speak French or Dutch?

14:08 Quentin LECLER It's always good to have English not everyone can speak it here

14:09 AuAii I see

14:10 Quentin LECLER 75% French

14:10 Quentin LECLER 70*

07:14 AuAii Why that happened?

07:15 AuAii Is it cold again?

07:22 Quentin LECLER Yes

07:22 Quentin LECLER Because it's sometimes hot and not cold at night

07:23 Quentin LECLER So I get sweaty a lot at night for no reason

07:23 Quentin LECLER And feel dizzy

07:23 Quentin LECLER Now it's just 10 degrees

07:24 Quentin LECLER Maybe I sleep and get cold at night

07:30 Quentin LECLER How is your back going ?

07:33 AuAii It's ok now
07:33 AuAii Hope you're getting better soon
07:33 AuAii Take care

09:08 AuAii They open late
09:09 Quentin LECLER It's Belgium (hahaha)
09:09 Quentin LECLER I make appointment at 5pm
09:09 Quentin LECLER Today
09:09 Quentin LECLER Usually the doctor here only open from 4pm
09:09 Quentin LECLER Or you need to make appointment first
09:10 AuAii Ok i see
09:10 Quentin LECLER It's very different from Thailand I think
09:10 AuAii What's time it closes?
09:10 Quentin LECLER It's more convenient there
09:11 Quentin LECLER 6:30
09:11 AuAii Yes it's 24 hours here
09:12 Quentin LECLER The only difference is it cost nothing much
09:12 Quentin LECLER Because we pay a lot of taxes here

09:13 Quentin LECLER But it's not so convenient and good like Thailand
09:14 AuAii I see
09:15 Quentin LECLER The taxes goes for healthcare social security and retirement and other things that's why it's covered mostly
09:16 AuAii I see
09:16 AuAii That's also good
09:17 Quentin LECLER Yes but everyone pay for it actually
09:17 Quentin LECLER From salary
09:17 Quentin LECLER So it's not really free but it's better than nothing
09:17 AuAii Yes it's better than here i think
09:18 AuAii I also pay taxes every month too
09:18 AuAii But not same as there
09:18 AuAii And never get it back
09:19 Quentin LECLER I saw in Thailand there is retirement there too go Thai
09:19 Quentin LECLER But you get like 3000 baht per day
09:19 Quentin LECLER Month*
09:19 Quentin LECLER Really
09:20 Quentin LECLER Yes it's higher here but you get more from retirement and healthcare
09:20 Quentin LECLER Oh really
09:21 AuAii Yes it's cheap here
09:21 AuAii You will get it when retirement
09:22 Quentin LECLER I see
09:22 Quentin LECLER How can you live with that amount?
09:23 Quentin LECLER Here it's minimum 65.000 baht
09:23 Quentin LECLER Same if you loose your job you get 7500 baht per month I think
09:23 AuAii Back to work now
09:24 Quentin LECLER Here you still get at least 65% of last salary
09:24 AuAii Talk later
09:24 AuAii Have a great day
09:24 Quentin LECLER Ok babe I'm going to rest
09:24 Quentin LECLER I feel dizzy a little

14:15 AuAii And has a hot temperature
14:20 Quentin LECLER I see you told me she not easy with food for few
days
14:20 Quentin LECLER Maybe the doctor can check her
14:27 AuAii I think that's notmal for the baby
14:28 AuAii Same as adult

14:29 AuAii But nowadays she doesn't like it

13:21 AuAii How's your day going?
13:35 Quentin LECLER Housekeeping day 😊
13:35 Quentin LECLER How is your work going ?
14:20 Quentin LECLER [Photo]
14:21 Quentin LECLER "In Luxembourg salary is based on experience and
it's a lot higher pay and less taxes than Belgium
About 150.000 baht for your work per month after taxes "
14:22 Quentin LECLER "So that's why it would be interesting for our
future if you want to learn the language and work here

Also for education it's better than Belgium for ploy "

14:23 Quentin LECLER I'll just need to find place not far from the
border for rent
15:04 AuAii Ok i see
15:04 AuAii Sorry was busy at work
15:05 Quentin LECLER How is it going ? Seems very busy today for you
15:05 Quentin LECLER Hope everything ok there
15:07 AuAii Yes it's busy
15:07 Quentin LECLER Is more patients than usual today ?
15:10 AuAii Yes a lot of doctors
15:10 AuAii Just finished work
15:10 Quentin LECLER I see
15:10 Quentin LECLER Good 😊
15:11 Quentin LECLER Seems hard day for you today
15:11 Quentin LECLER Enjoy with your evening with mom and ploy 😊
15:11 AuAii Yes tomorrow will more harder
15:12 Quentin LECLER I hope not too hard for you
15:12 AuAii Start early 8.30 and finish late 8 PM or later
15:12 Quentin LECLER Very long hours
15:13 Quentin LECLER But if I have the new job I'll drive a lot too
just not traffic jam so it don
15:13 Quentin LECLER Ok

15:14 Quentin LECLER And can find some place closer to
15:14 Quentin LECLER Too
15:14 AuAii I see
15:14 Quentin LECLER But there is 1h lunch 😊
15:15 Quentin LECLER And also if I work in Belgium I need to wait 1
year to take days off
15:15 Quentin LECLER And still need to drive too and traffic jam a lot
15:15 Quentin LECLER And less salary and benefits
15:16 Quentin LECLER So in my opinion it's better to work in Luxembourg
15:18 AuAii I see
15:18 AuAii When you start work?
15:18 Quentin LECLER He will make me salary offer next week
15:19 Quentin LECLER I Supposed to start end of July
15:19 Quentin LECLER It's permanent contract directly
15:19 AuAii [Sticker]
15:20 Quentin LECLER And they pay for gas fees
15:20 Quentin LECLER So it's not that bad I get better package than my
previous boss
15:20 Quentin LECLER Actually
15:21 Quentin LECLER It's important because if we want to be together
here they'll ask for salary slips and contract
15:22 Quentin LECLER So it will be better for us financially because
you cannot work in the beginning without the language
15:23 Quentin LECLER So I can take care of you both
15:36 AuAii Ok thanks for caring about us
15:37 Quentin LECLER Yes it's important for me to planned everything
for us because if you come here I need to take care of you both
15:37 Quentin LECLER Also you'll leave your job and family and friends
there
15:41 AuAii Yes i know it's hard sometimes
15:42 Quentin LECLER Yes so I want everything going well if you come
here 😊
15:42 Quentin LECLER And do my best for you both
15:43 Quentin LECLER You not worried ?
16:06 AuAii Yes your mom makes me worried
16:07 Quentin LECLER Don't be worried babe
16:07 Quentin LECLER Blacko is good boy just clumsy

16:11 Quentin LECLER Sometimes my mom worry too much

there because many things is different from here and everything is not
convenient same here, even the weather or transportation
16:12 Quentin LECLER Yes it's different
16:12 Quentin LECLER But it's not really a problem

16:15 Quentin LECLER No bts or sky train
16:15 AuAii I see

16:16 Quentin LECLER It's true the weather is not so good 😊
16:16 Quentin LECLER And cold
16:16 Quentin LECLER But at least we will be together
16:16 Quentin LECLER And for our future and ploy future it would be better I think
16:17 Quentin LECLER What do you think ?

16:17 AuAii Yes i know
16:18 Quentin LECLER I don't think there is perfect country but for family and education here it's more fair than Thailand
16:18 Quentin LECLER And also can go learn and work in many countries
16:18 AuAii For Ploy future it's better to be there because you told me education is free there
16:19 Quentin LECLER But it's your choice
16:19 Quentin LECLER Yes
16:19 Quentin LECLER But I also want you be happy here
16:19 AuAii Yes i will be happy to be with someone i love

It seems magical for me and I could finally be myself and be happy with you

I tried to spend as much time together as I could but the time run so fast with you there and so slow here

It's hard for me to be far away from you here and It may sound silly but I would take the plane for a week just to have few moments with you

But I understand you work hard and don't really have much time left it's just that I love you and miss you so much that I would just do it if you asked me

You always will be my priority and I'll always do everything I can for you both

13:24 Quentin LECLER "The company in Luxembourg said they'll make me salary offer when I interview last Friday and now I called them and they said they waiting other candidates this week and let me know next week

They also said it's been 3 months they looking and found no one

Don't you think it's weird ?

I really cannot trust the people here I'm getting bored

My previous boss told me he will have work for me so let's see at least I have something "

13:25 Quentin LECLER But really I feels like waste of time and money with people like them

13:25 Quentin LECLER Changing minds at all times

13:41 AuAii And it's not good to say that if they're not sure

13:41 AuAii Yes sorry to hear that

13:41 Quentin LECLER Yes exactly

13:41 Quentin LECLER It's weird

13:43 Quentin LECLER I'm not sure it's good sign if they behave this way with candidates

13:43 Quentin LECLER It's not professional and not respectful

13:45 Quentin LECLER If they wasn't interested why they talk about salary package and make me an offer?

13:45 Quentin LECLER "And then wait other candidates this week

It doesn't really make sense "

13:46 Quentin LECLER Or maybe they just didn't want to admit I cost them too much and just wait other candidates who ask less salary

13:46 Quentin LECLER To save money

13:49 Quentin LECLER But if that's the case they just not being honest and straightforward and it's hard to trust people like that

13:57 Quentin LECLER "Also they said HR in holidays this week so I'll need to wait one week for the salary offer

Isn't it weird ?"

14:01 Quentin LECLER Sorry to disturb with my problems

14:08 Quentin LECLER It just make me a bit upset

14:10 AuAii It's ok i understand how you feel

14:11 Quentin LECLER Also a bit disappointed

14:11 AuAii Yes it's not good to say like that

14:11 Quentin LECLER Yes it's weird

14:12 Quentin LECLER If they not sure they shouldn't say anything about making me an offer

14:12 AuAii Yes i think so

14:12 Quentin LECLER It's hard to understand sometimes

14:13 Quentin LECLER With my previous boss at least he not say something if he not sure

14:13 Quentin LECLER And not give false hope

14:14 Quentin LECLER Especially I drive there for long and interview in person

14:14 Quentin LECLER Instead of just do video call meeting
14:16 AuAii Yes i know how you feel
14:16 AuAii Maybe you're right they just want people who asked for less salary
14:16 Quentin LECLER But I did my best it's not my fault if they're not protest
14:16 Quentin LECLER Professional
14:17 AuAii Same as here too, they want to find people with less salary
14:17 AuAii That's why i still keep patience and work here
14:17 AuAii Yes i know
14:17 Quentin LECLER "Yes but good luck with that because they even told me they're looking for 3 months already

And the last one they hired just stay one day only "

14:17 AuAii It's not about about your fault
14:18 Quentin LECLER I think so
14:18 AuAii I see
14:18 Quentin LECLER The boss told me himself
14:19 Quentin LECLER There is not many people willing to go work there with low salary and not paid transportation
14:19 Quentin LECLER So I don't think they're going to find someone so easily
14:20 Quentin LECLER Yes I'm getting bored of it
14:20 Quentin LECLER Especially they're so picky and cheap

01:38 AuAii Hope you sleep well and sweet dreams 😊

04:51 AuAii Sorry I have been so busy recently with many stuffs to do and sorry that we don't have much time to talk like before. 06:38 Quentin LECLER "Don't be sorry babe

I understand 100 and just want to support you and cheer you up and I wish I could do more for you both

15:52 Quentin LECLER At least
15:57 AuAii Yes just small pay
15:58 AuAii I prefer to take my time for Ploy but I can't, I have to work and wait until all done
16:02 Quentin LECLER I see
16:02 Quentin LECLER I understand you it must be hard
16:02 Quentin LECLER Here it's 2x salary hour
16:02 Quentin LECLER For extra work
16:02 Quentin LECLER By the law
16:03 Quentin LECLER And also it's limited cannot do many times
16:03 Quentin LECLER I know it's sad they dont leave you choice and also not respectful much
16:10 Quentin LECLER Enjoy your evening with ploy and your mom 😊
16:21 AuAii Trying to put her back to sleep
16:22 AuAii No just 1.5
16:22 Quentin LECLER I see
16:25 Quentin LECLER "I mean here in Belgium / Luxembourg

Here you cannot work more than 10 hours (extra hours included) per day and extra hours is maximum 2 hours per day

Maximum work per week (extra hours included) is 48 hours "

16:25 Quentin LECLER I think it's very different from Thailand
16:27 Quentin LECLER I check in Belgium you get 50% more per hour and if Sunday / holiday it's 100% more
16:27 Quentin LECLER But it's different in Luxembourg
16:29 Quentin LECLER You don't pay any taxes on the extra hours for example so it's more salary than Belgium
16:30 Quentin LECLER But for the employees here it's not something usual
16:36 AuAii I see
16:50 AuAii Ploy's sleeping now
16:50 AuAii Going out to clean up the stuffs

In Luxembourg, the law provides that women who work full time are entitled to two breastfeeding breaks of 45 minutes each per day, after having made a written request to their employer. It is possible to combine these two periods in one go over the course of a day. For women working part-time, the breastfeeding break is calculated proportionally according to the working time worked.

A breastfeeding woman cannot be forced to work at night; this exemption can be extended until the child's first birthday."

17:02 Quentin LECLER I think it's better for the mother and children here

17:03 Quentin LECLER I hope we can be here together soon so your life don't need to be so hard and you will have more time for ploy and for us

13:18 AuAii I have long day at work and have to take care of Ploy too
13:18 AuAii I really don't even have time for myself
13:19 Quentin LECLER I understand babe
13:19 AuAii And also my mom getting tired with taking care of ploy here alone while i work and she wants to go back Surin

13:19 Quentin LECLER We can talk about it and call each other I think it will be better for you to talk about it

13:20 AuAii And this makes me feel so sad

13:20 AuAii And i don't know what to do

13:20 Quentin LECLER I think ploy should stay with you for now

13:20 Quentin LECLER She still too young

13:21 Quentin LECLER I know your mom is tired but she need to wait a little bit more until she grow up

13:38 Quentin LECLER She should be understanding about your situation I know it's hard for her but she need to be there for ploy until she older and you need to be with her she's still too young

13:41 Quentin LECLER I just want to help babe were there for each other remember

13:44 AuAii Yes i know and i can't force her to stay if she doesn't want to

13:44 AuAii I don't want to be so selfish to her

13:44 AuAii I know she misses her home too

13:44 Quentin LECLER I know but she's your mom and she should understand your situation too

13:45 Quentin LECLER It's very hard for you to

13:46 Quentin LECLER I understand babe

13:46 Quentin LECLER But if she go who will take care of her ?

13:47 Quentin LECLER She still need you she's too young

13:47 Quentin LECLER And you will be depressed without her

13:49 Quentin LECLER Or she will need to go nursery during the day

13:49 Quentin LECLER So you still can be with her after work

14:04 Quentin LECLER I'll try my best for us to be together here but it probably will take few months

14:23 AuAii I don't know what should i do

14:24 AuAii It's just messed up on my mind

14:24 Quentin LECLER So you want to call to discuss ?

14:25 Quentin LECLER Do

14:25 AuAii If she goes nursery, i have to pay more money almost my salary it's very expensive here

14:25 Quentin LECLER I see

14:25 AuAii Also i finish work late 7 - 8.30 PM,

14:25 AuAii Thr nursery will be closed

14:26 Quentin LECLER Can you ask your mom if she can wait a little bit more ?

14:26 Quentin LECLER That ploy be older

14:26 AuAii And I will be more tired with traveling to nursery every morning and after work

14:26 Quentin LECLER I see I just looking for options for you

14:28 Quentin LECLER If you still want to come here with ploy there is few steps to do and it will take at least few months

14:30 Quentin LECLER 📞 Auc. réponse

14:33 Quentin LECLER A nanny would be cheaper ?

14:41 AuAii Sorry still working

14:42 AuAii Might be finished late

14:42 Quentin LECLER Sorry I thought you finish

14:42 AuAii More expensive

14:42 Quentin LECLER Good luck with the work babe

14:42 AuAii And not easy to trust anyone you don't know to take care your baby

14:42 Quentin LECLER I see
14:42 Quentin LECLER Yes of course
14:43 Quentin LECLER "The best solution would be to wait until she get older

But it's your mom and your own decision "

14:45 Quentin LECLER "I know we talked about this before and I still think it's better

I understand your mom want to go back and take ploy with her

But she will miss you she very attached to you and you very attached to her it's normal

I'm not sure it's good for ploy and you to do it now "

14:45 Quentin LECLER *to wait

14:46 Quentin LECLER "It's going to be very hard for her and she's still too young

It can cause trauma for her too"

14:48 Quentin LECLER "I would talk with your mom and ask her to wait more longer

Explain her that she still too young and need you

You both attached to each other and break that can cause ploy trauma when growing up

Also you will be so depressed

It's not selfish to ask because she is your mom and your situation is difficult

At least ask her to wait few more months "

14:49 Quentin LECLER You're alone and you need someone to support you and help you with her

14:49 AuAii If i have a choice i will let her goes with my mom

14:49 AuAii Or i just quit the job and take care her by myself

14:50 Quentin LECLER I know that's why it's not selfish to ask help from your mom

14:50 Quentin LECLER Because you don't have anyone else

14:50 AuAii I know she has been helping me for a long time now

14:50 AuAii And she's also tired and not strong enough

14:51 Quentin LECLER I know but just few more months until she be 1y or 1y and half

14:53 Quentin LECLER I'm sorry to hear that

14:53 Quentin LECLER "I don't know what to do to help you

It's not many options "

14:55 Quentin LECLER Either she accept to wait a few more months or take the risk ploy going to have anxiety and trauma issues

14:55 Quentin LECLER Because of she will miss you

14:57 Quentin LECLER Also you will be so much depressed and sad

14:57 AuAii Yes i know but i have no choice

14:58 AuAii And i must accept what i choose
14:58 Quentin LECLER I know
14:58 Quentin LECLER Maybe we can call and talk about it ?
14:59 AuAii I'm still at work

22:02 Quentin LECLER "She never fully recovered from what happened to her and never wanted to marry again and have children

I also had trauma since very young about what happened and had nightmares many times

07:25 Quentin LECLER Ploy is sensitive I can see that since I met her first time
07:26 Quentin LECLER She need time to adapt to changes
07:26 Quentin LECLER Your mother should be gentle with her and not compare every baby is different
07:26 AuAii Yes I know
07:27 AuAii It's ok I don't trust anyone nany to take care of Ploy
07:27 AuAii I see many news about it

10:02 Quentin LECLER "Try to talk with your mom

She need to understand that you only have her to take care of ploy and
it's very hard for you because you need to keep your job to pay
everything

I know it's not easy for her and she be there for you since the beginning
and she getting old but she should be more patient with Ploy

She still very young and your mom should be gentle and make her feel good
and comfortable so she can eat and drink easier she should play games
with her with the food so Ploy

She shouldn't blame Ploy or compare her to other babies it's not fair for
Ploy

If I be there I would have help your mom take care of her and make her

I understand it's very hard and you don't have time for nothing my mom stop working and sacrifice her career for me

It's thank to Belgium government social security and other benefits that she could have done that it's not possible in Thailand

My mom always dreamed to find a good man and have a family

But she made big mistake of her life with my dad

She was already 35-36 when she had me

She always wanted to have a baby and a family

But my dad changed with her and when she had me he not take care of me and take responsibility of me he smoke and drink and not serious

He did many bad things to my mom and did to me to hurt my mom like smoking in the car and damage my lungs

She couldn't accept it anymore and had to divorce and take full custody of me"

19:48 Quentin LECLER "I know you have a good heart babe just like me

It's Just sometimes you try to protect yourself by being distant and close yourself

But you don't need to do that with me I'm not going to hurt you I promise"

20:18 Quentin LECLER "Sorry I didn't have time to answer you properly:

It's important to apologies when we hurt each other and I'm glad you did every time and you think about me and my wellbeing

It's true I not eat and sleep much these last few days because I been worried about our relationship and your IG a lot

I apologies if I hurt you or said something you didn't like or make you feel I try to control you or invade your privacy and your personal space

I won't do it again I promise

We have to respect each other space but also respect each other feelings too and if we have a fight we should talk and not be distant and stop talking and not try to solve the issues because it will only get worse and I know how it ends very badly

Please promise me if something happens in the future you will talk to me and we will fix it together

Please try to be open with me and gentle and careful with the words because I only want the best for you and for ploy"

20:19 Quentin LECLER I'm sensitive about the words and it can hurt me very bad

20:30 Quentin LECLER "It's true about your IG I said before its your past life and I accept it because it's past

I told you what's important is what you do now with me

It's true the ex did also post sexy there and have multiple men's there

I never feel comfortable with it but I trusted her and I loved her so much and I said nothing until she cheated 2 times and I had to divorce her

I never checked her and wasn't even on her IG i never controlled her

She profit me and save a lot of money and let me pay all and never do anything and take me for a maid in my own house profit my boss car until he had enough and fire me and then she had to find new guy because I didn't have job and she said no money no honey"

20:35 Quentin LECLER "And I didn't told you half of the story yet because I didn't want you feel I'm so stupid men and naive

I had to stop working and take medicine everyday and painkiller and for post trauma stress

I try to understand your life there with ploy and I want you share everything with me

Please understand me and the trauma I been through

You'll decide for yourself what's best to do

Like you said actions speak louder than words

It's what you do now that matters and we all be judge on our actions "

20:53 Quentin LECLER "I know you been hurt more than me

Please be nice with me i promise I won't hurt you

I love you 😊 "

20:59 Quentin LECLER "I'm not rich guy but I've good heart and I love you

I will do everything to help you and ploy"

20:59 Quentin LECLER Please be good with me and don't break my heart I've been hurt too much already

20:59 Quentin LECLER Promise me

21:00 Quentin LECLER I have to be good to work and I cannot sleep and think too much when I stressed with our relationship

21:07 Quentin LECLER Please if you have anything on your mind something you want to tell me don't keep it to yourself tell me 😊

21:13 Quentin LECLER "Please don't be distant with me and talk to me more if you can and call me if you have time😊

21:17 Quentin LECLER "Im sorry you feel bad with the old picture of ex I should have removed them sooner

She did again I kicked her out with police and divorce her

I'm nice but enough is enough"

22:32 Quentin LECLER Guy

22:32 Quentin LECLER Now she on her own I not give her anything and I don't care

22:34 Quentin LECLER "I be nice but enough is enough and she pay the price

She think she smarter than me and can cheat me without I noticed but I did and she don't even know how

Why I would keep contact with someone like that "

22:34 Quentin LECLER It just a waste of my time

22:35 Quentin LECLER Girls that are just there for the money is not worth anything to me

22:37 Quentin LECLER "It's not what I'm looking for

I'm not looking for women to have fun like most men

I'm looking for women that have good and pure heart and kind and smart

Someone I can spend my life with and get old and can trust with everything

Not a girl who are there for the money or to profit"

22:37 Quentin LECLER I'm sure you understand what I mean

22:38 Quentin LECLER Sure we all need money but it's not the most important for me it's the connection we have

22:38 Quentin LECLER The common interest the smiles and laugh and happy times and sweet moments

22:38 Quentin LECLER I had that with you for a week

22:38 Quentin LECLER I hope we can still have it together

22:39 Quentin LECLER I trust your words please don't break my heart

22:39 Quentin LECLER Good night from here ☺

22:39 Quentin LECLER [Sticker]

22:39 Quentin LECLER [Sticker]

22:42 Quentin LECLER You know what I want with you the question is do you want that too ?

23:03 Quentin LECLER "I will try to sleep

I'm feeling a bit better thanks for apologies and think about me "

23:03 Quentin LECLER I love you babe ☺

23:05 Quentin LECLER I will go tomorrow I be late and forgot it's close early

23:07 Quentin LECLER "It's what I want for you and play

I'm nothing special but I've good heart and care about you and love you so much "

23:11 Quentin LECLER "I'm sorry if you feel I wanted you to work and let play go to nanny

I wanted we be here together and you take care of her but it takes time for the paper work and we will need to be married first

In the meantime I can help you as I can if you need for you and play"

23:13 Quentin LECLER I hope you can trust me and see the kind of men I am

23:14 Quentin LECLER Why did he want to see her and never did before or even video call her ?

23:14 Quentin LECLER Now

23:16 Quentin LECLER "You have me in your life

You're everything for me please remember that"

23:16 Quentin LECLER We will soon

23:18 Quentin LECLER "Tell me everything that's on your mind

Sometimes you not talk and shares and keep to yourself you know

It's hard for me to fully understand what you going through if you don't tell me

Please try to be more open with me about your life because I care about you"

11:08 Quentin LECLER If you need
11:09 AuAii I don't have many choices
11:09 Quentin LECLER You just tell me

11:13 Quentin LECLER But I don't know you ready for that and trust me enough
11:13 Quentin LECLER Yet
11:13 AuAii It's not easy too, it might take time
11:13 Quentin LECLER Yes of course

I just want you to know that I will always support and help you both if you in the need and whatever you ex will decide I'll be there for you and her

14:31 AuAii I just checked email

14:31 AuAii It makes me more stressful
14:32 AuAii He didn't talk with about this
14:32 Quentin LECLER Do you want I come with you ?
14:32 Quentin LECLER To support
14:32 Quentin LECLER Do you want to do this for her ?
14:32 AuAii He's only said he has appointment on the 3rd
14:33 AuAii I don't think it's a good idea
14:33 AuAii I don't want to make more issues
14:33 Quentin LECLER How he knows you have day off
14:33 Quentin LECLER That day ?
14:34 Quentin LECLER I thought we will spend time together
14:35 Quentin LECLER Babe ?
14:35 Quentin LECLER When did he send you this email ?
14:37 Quentin LECLER I don't feel comfortable you go alone
14:37 Quentin LECLER With him at all
14:37 AuAii Do you think Ploy and i should go?
14:37 AuAii No he doesn't know
14:38 AuAii He didn't sent
14:38 AuAii It's from the embassy i think
14:38 Quentin LECLER "It's your decision for ploy if you want her to have it or not

You should not go alone"

14:41 Quentin LECLER It depends if you want her future and she go to the us in the future with her dad
14:42 Quentin LECLER "It's up to you what you think it's best for her

I only care about you and her safety with that men

I'm not comfortable you be alone with that men "

14:45 Quentin LECLER "You also need to think about if you truly think he want and can be a dad for her

If you feel he can take care of her

You should really think about it and decide for ploy

What's best for her and what you feel comfortable and right "

14:45 Quentin LECLER Take time to think about it
14:46 AuAii I won't go alone with him
14:46 AuAii If i go i will ask my sister to go with me
14:46 Quentin LECLER "I can only say to think about it carefully

And take the best decision for you and for ploy"

14:47 AuAii But he never talked about that with me
14:47 Quentin LECLER Not for him but for you and for ploy
14:47 Quentin LECLER It's not respectful
14:47 Quentin LECLER I won't feel good if you be alone there with him
14:48 Quentin LECLER You should ask someone to wait outside embassy too
14:48 Quentin LECLER Your sister not strong enough if he decide to do something stupid
14:50 Quentin LECLER "I have my opinion about it

I don't know what he want from her

I only knows he never care her for one year and it's not normal behavior for a dad

But it's up to you to decide "

14:51 Quentin LECLER "Also you no forced to go if you don't want

So it's your decision only "

14:52 Quentin LECLER He cannot force you to do anything

14:53 AuAii Yes i know

14:53 AuAii But i have to think about Ploy

14:57 Quentin LECLER I mean you should not come alone and if you're not feel comfortable alone with this guy you should have someone with you

14:57 Quentin LECLER That you trust

14:57 Quentin LECLER Also maybe he want to take ploy custody

14:57 Quentin LECLER Too

14:57 Quentin LECLER And go court

14:57 Quentin LECLER If he do this it will be bad for you

14:57 Quentin LECLER Really you should see lawyer about it

14:57 Quentin LECLER And think about it and postpone the appointment

until you be sure of what you sign

14:57 Quentin LECLER For

14:57 Quentin LECLER With the lawyer

14:57 Quentin LECLER I think he want ploy custody

14:57 Quentin LECLER And he will start by this process and then ask for custody

14:58 Quentin LECLER For her

14:58 Quentin LECLER In the US

14:58 Quentin LECLER You should see lawyer about it babe

14:58 Quentin LECLER You should but also you should really be careful

about what he want to do

14:58 AuAii No i don't think he wants to take Ploy

14:58 Quentin LECLER He could ask custody to the court

14:59 Quentin LECLER Shared *

14:59 AuAii He only wants freedom in his life

14:59 AuAii It's not possible to take Ploy there

14:59 Quentin LECLER I don't know him I don't know his plans

14:59 Quentin LECLER I just don't want something happens to you or ploy

14:59 Quentin LECLER I don't know if she had us nationality he could ask to us court

14:59 Quentin LECLER For custody

14:59 AuAii If you read the laws about the government US, it's not easy

14:59 Quentin LECLER And follow in Thailand

14:59 Quentin LECLER It's the first step to get custody

14:59 AuAii Some case take 5 years to get the passport

15:00 Quentin LECLER "For me I would go lawyer to be sure about what he wants

To be sure there is no consequences for you "

15:01 Quentin LECLER I don't know im just worried about this men plans

15:01 Quentin LECLER So why does he want to do this now ?

15:05 Quentin LECLER "Child custody in Thailand for an unmarried couple

If the father of the child born out of the marriage files a legitimation of child in Thailand, the custody issue can be petitioned together with the legitimation case. The court in the same case will decide whether the father is suitable to exercise the partial or whole custody over the child.

"

15:06 Quentin LECLER https://www.siam-legal.com/legal_services/Child-Custody-in-Thailand.php

15:06 Quentin LECLER It's possible he ask this 😊

15:06 Quentin LECLER To the court

15:06 Quentin LECLER Even you're not married

15:07 Quentin LECLER He Need to fill legitimation of child in Thailand

15:08 Quentin LECLER I would check with the lawyer just to be safe

15:09 Quentin LECLER But it's just my opinion and I just tell you because I worried for you

I don't want the same happens with you and ploy "

15:13 AuAii I don't know i just want Ploy to have a good life

15:13 Quentin LECLER I don't know if the US law apply if ploy get the nationality

15:13 AuAii I always think about her future

15:13 Quentin LECLER But can you trust him ?

15:14 AuAii About?

15:14 Quentin LECLER Custody

15:14 AuAii I just want her to have US nationality

15:14 Quentin LECLER I don't know if there is other consequences to go there and to this

15:15 Quentin LECLER I would see lawyer about it

15:15 Quentin LECLER I know

15:17 Quentin LECLER It's your decision and you know better what's best for her

15:17 Quentin LECLER If she have nationality are you sure he Can't get custody ?

15:18 Quentin LECLER And ask in the US?

15:20 Quentin LECLER You should do what you feel comfortable for you and ploy

15:20 Quentin LECLER Then you should do it for her

15:21 Quentin LECLER Just be careful

15:23 Quentin LECLER If she get us nationality then he can fill custody request in the us

15:28 Quentin LECLER Are you really sure about that ?

15:30 Quentin LECLER Why did they send so late ?
15:30 Quentin LECLER Normally they should send letters like this weeks before appointment
15:31 Quentin LECLER It also means he fill for you the request without your agreement ?
15:31 Quentin LECLER Or did you agree to do it ?
15:32 Quentin LECLER Can he fill this for you without your agreement ?
15:35 Quentin LECLER "If there is no bad consequences (custody) do it for her

But what about our future together if there is consequences ?

We would never be able to be together "

15:39 Quentin LECLER Babe ?

16:06 Quentin LECLER "Do you want I make appointment with lawyer for you ?

22:35 Quentin LECLER "I really thought about this over and over again
and the only explanation that make sense after everything you told me
about him and his new gf :

- he probably did or will do visa for his new gf like he planned to do
for you before

- he want ploy to have US nationality to request custody of her and bring her there

- he want his new gf to take care of ploy there

It's the only explanation that makes sense about his actions and the fact he do all of the things in a rush and without notice you and he knows perfectly well you will do nationality for her because you want the best for her and you would not think that he would take care of her there or ask custody

I just hope I'm wrong for you

he destroyed your life and now want to find ways to take ploy from you"
22:35 Quentin LECLER "We should see lawyer and let him talk to you about this

I have the address already it's close to terminal 21"

22:48 Quentin LECLER I can be wrong about this but better be safe than sorry

22:50 Quentin LECLER It's just the timing is very weird and there is not many explanations

23:06 Quentin LECLER "I think his plans to have you and his gf together failed

He destroyed your life already but he will not stop there

He also want to take ploy from you to destroy and hurt you even more "

23:06 Quentin LECLER I really hope I'm wrong for you and for ploy

23:10 Quentin LECLER "I wouldn't let your sister alone to take ploy to him

She should bring someone else preferably another guy "

09:57 Quentin LECLER We talk about it before

09:58 Quentin LECLER You said it would be better for us and for ploy

09:58 Quentin LECLER But now it seems you're not sure about it

09:58 Quentin LECLER So I don't know what changed

10:02 Quentin LECLER What make you change your mind

10:22 Quentin LECLER If you be worried about something we can talk about it so I can explain you

11:14 AuAii [Sticker]

11:16 AuAii Are you home now?

11:25 Quentin LECLER Yes

11:25 Quentin LECLER I called my boss he give me work to do

11:26 Quentin LECLER Still feel sick

12:25 Quentin LECLER How is your work going ?

12:32 AuAii Have been busy

12:32 AuAii What's the question?

12:40 Quentin LECLER About before you wanted to come but now you don't know

12:41 Quentin LECLER What changed ?

12:41 Quentin LECLER Because we didn't even have time to talk about it

13:13 Quentin LECLER "I mean you wanted to go to the us with your ex before

Maybe you still want that now "

13:14 Quentin LECLER And you don't need to learn new language

13:15 Quentin LECLER To go to the us for ploy future

13:40 AuAii No i don't want to go there , why would i go there for the man who break my heart and destroy my life

13:41 AuAii There's many things i have to think about

13:41 Quentin LECLER I don't know because it good life for ploy future and she can have nationality there

13:41 Quentin LECLER And you don't need to learn new language

13:42 Quentin LECLER What things ?

13:42 Quentin LECLER I don't want to rush you just to know what you worried about
13:43 AuAii I don't know my life will be more easily to go and live there with you
13:44 AuAii Maybe Ploy's still too young to go there
13:44 AuAii I don't know if i can handle everything there
13:44 Quentin LECLER Why ?
13:44 AuAii I don't know your language, your culture
13:44 Quentin LECLER You don't need to handle anything just have time for ploy
13:44 Quentin LECLER And if you want learn the language
13:44 AuAii I won't think too much if i go alone
13:44 AuAii I just worried about Ploy
13:45 Quentin LECLER I know
13:45 AuAii I don't know if she will be ok with that
13:45 Quentin LECLER I don't think it's difference if she go now or two years later
13:45 Quentin LECLER With what ?
13:45 Quentin LECLER We have everything she need here
13:45 Quentin LECLER Same as there
13:45 Quentin LECLER Not much difference
13:46 Quentin LECLER Culture is not much different from anywhere else
13:46 Quentin LECLER Just the language and people can speak English too mostly
13:47 AuAii Okay
13:47 Quentin LECLER "I think it will be better for you

Not so stressed and worried everyday like your life there "

13:48 Quentin LECLER It's more slow life here
13:48 AuAii Yes i know
13:48 Quentin LECLER It's not Thailand
13:48 Quentin LECLER We have family / work balance
13:49 Quentin LECLER Government help for family , benefits retirement not like Thailand
13:49 Quentin LECLER If one day you want to work and learn language you can get better a lot than Thailand
13:49 Quentin LECLER In the dental clinic
13:50 Quentin LECLER And if you want to take care of ploy I support you here and you have time with her and we have time during my homework and weekends in the park together
13:50 Quentin LECLER "Compared to the situation there with stressed everyday and worried about the future all the times

I don't think it's hard to know what's best "

13:50 Quentin LECLER And bad work conditions
13:51 Quentin LECLER Also for ploy she will be better to see you not stressed and worried
13:51 Quentin LECLER And have time for her
13:51 Quentin LECLER "But I don't want to keep you if you don't like

You can come and try if it works for you"

13:51 Quentin LECLER First
13:51 Quentin LECLER And if you like we can stay here

13:52 AuAii Also you said everything is not easy and convenient same as Thailand
13:52 AuAii I can't drive so it's not easy for me
13:53 AuAii So I don't how i can live and handle there with Ploy
13:53 Quentin LECLER I know it's not perfect but it's still better than your situation it's about stressed and your future
13:53 Quentin LECLER It's more important
13:53 Quentin LECLER You cannot keep like this for long
13:53 Quentin LECLER It's too hard
13:53 AuAii I don't know if we have any issues with you, what can i do, all my family is here
13:54 AuAii You always overthinking about everything
13:54 Quentin LECLER "You can learn to drive it not hard I can teach you

I can give you one car "

13:54 AuAii So I don't know i could handle this
13:54 Quentin LECLER Just few times because I didn't understand few things
13:55 Quentin LECLER Not everything babe
13:55 Quentin LECLER Just some things I don't understand and it's not clear for me
13:56 Quentin LECLER I know we need to trust each other
13:56 Quentin LECLER I know it's big responsibility for me to take you here
13:56 Quentin LECLER With me
13:57 Quentin LECLER We should talk about all this
13:57 Quentin LECLER I don't ask you to come now we should see each other more first
13:57 Quentin LECLER So we can trust each other
13:59 Quentin LECLER "You know why I overthinking also because we don't talk and open about everything

I know I should work on myself and trust you more"

13:59 Quentin LECLER It's hard for me especially with my past
14:01 AuAii How's about my past
14:02 Quentin LECLER I know it's a lot worse than mine
14:02 AuAii It's more worse than you
14:02 Quentin LECLER And it's hard to trust someone else
14:02 Quentin LECLER But I'm not here to hurt you
14:04 Quentin LECLER "I know

I don't know every details and I see you so stress at ploy birthday when your mom give me alcohol I wonder what happened "

14:04 Quentin LECLER Many things I don't know about your past
14:04 Quentin LECLER But I see you be hurt and have trauma from it
14:04 Quentin LECLER Probably it will stay for all your life
14:05 Quentin LECLER I don't want to keep you here if you're not happy
14:05 Quentin LECLER Babe
14:05 Quentin LECLER You can come few weeks to try
14:05 Quentin LECLER Im not bad men
14:05 Quentin LECLER I don't do everything to come see you to hurt you
14:06 Quentin LECLER Sometimes it's even you who hurt me because you be so hard and strong words sometimes

14:07 Quentin LECLER And hard with me
14:07 Quentin LECLER You know I don't want to hurt you or ploy
14:08 Quentin LECLER Why I would come all this way ?
14:09 AuAii I can't take long holiday like that If i go there that means
i have to leave this job
14:09 Quentin LECLER Or for a week
14:10 Quentin LECLER I don't know
14:10 Quentin LECLER "First we should talk about it and be sure of each
other

Be sure we want to have a future with each other and get married

It's not small things to decide"

14:11 AuAii Yes i know
14:11 Quentin LECLER Especially you get hurt a lot
14:11 AuAii It's hard to decide
14:11 Quentin LECLER And hard to trust someone else
14:11 AuAii Yes same as you too
14:11 Quentin LECLER But for me I love you and I want a future with you
I just want we keep being honest and talk to each other
14:11 Quentin LECLER More
14:12 Quentin LECLER When we have issues or something in mind
14:12 Quentin LECLER In relationship it's not good to keep to ourselves
14:12 Quentin LECLER We should be more open to each other
14:13 Quentin LECLER It help to trust each other more
14:14 AuAii Yes i know
14:14 Quentin LECLER Maybe one day you trust me enough so I can really
understand you
14:14 Quentin LECLER And you know I'm just there for you not to hurt
you or change
14:15 Quentin LECLER I hope you know I'm serious I wouldn't do all this
if I wasn't
14:15 Quentin LECLER "I would have go friends or partying like other

But I'm not those men's"

14:15 Quentin LECLER I just come for you and ploy and spend time with
your family

14:16 AuAii Ok thanks 🙏

few time wine with my mom

I don't know what happened so you be so stressed about it

But don't worry with me"

14:16 Quentin LECLER About that
14:16 Quentin LECLER Im not smart

14:18 Quentin LECLER I do because I love you and also ploy even I'm not
her real dad but so she have birthday like everyone else and be happy
14:18 Quentin LECLER And it makes me so happy to see her enjoy her gift
and smile
14:19 Quentin LECLER "It's the little moments together it not about the
place or anything else

Just be there for each other that matters "

14:19 Quentin LECLER The most

14:21 Quentin LECLER "Also no one is perfect not you not me

If we don't talk and fix it won't work with anyone "

14:22 Quentin LECLER It's never perfect the relationship it's about understanding and communication

14:23 Quentin LECLER I also learn hard way about this

14:23 Quentin LECLER When we keep things for ourselves instead of talking and try to fix things

14:24 Quentin LECLER It just get worse and worse

17:40 AuAii Say the truth
17:40 Quentin LECLER It's true
17:40 Quentin LECLER I removed all messages
17:40 Quentin LECLER So he cannot see anything
17:40 Quentin LECLER And block him
17:40 AuAii You talking before
17:41 Quentin LECLER Not before he told you he wanted to see ploy
17:41 Quentin LECLER It's after

17:43 Quentin LECLER I believe you
17:43 Quentin LECLER That's why I come
17:43 AuAii No
17:43 AuAii Show me
17:43 AuAii Now
17:43 AuAii I want to see
17:43 Quentin LECLER I told you I unsend all
17:43 Quentin LECLER And block
17:43 Quentin LECLER Because he lying to me
17:44 Quentin LECLER He said he broke up because of the guys on your Instagram
17:44 Quentin LECLER He said he found new gf after the fight
17:44 Quentin LECLER And he said he not cheating during your pregnancy
17:44 Quentin LECLER But he never come see ploy
17:44 Quentin LECLER Or care her
17:44 Quentin LECLER He just pretend to care
17:44 Quentin LECLER So for me it's not good men
17:45 Quentin LECLER And also he told me about many girls and party guy and not serious men
17:45 Quentin LECLER And send me video drunk
17:45 Quentin LECLER So I block him
17:45 Quentin LECLER He not good men
17:45 Quentin LECLER And I choose to believe you and ploy
17:45 Quentin LECLER That's why I come
17:46 Quentin LECLER He even told me to go see bar girls instead he so fucked up guy
17:46 Quentin LECLER I ever see in my life
17:46 Quentin LECLER So I don't trust anything he said

17:47 Quentin LECLER I can tell he's not serious men
17:47 Quentin LECLER And all you said about him is true
17:47 Quentin LECLER He party guy drunker and playboy
17:47 Quentin LECLER It's all true
17:47 Quentin LECLER And also cannot take care of ploy
17:47 Quentin LECLER Not serious men at all
17:48 Quentin LECLER I make my own mind about him already
17:50 Quentin LECLER I don't trust anything he said
17:51 Quentin LECLER "Also he must be stupid he share me screenshots of
line and I see he send flowers to you

He pretend he happy and don't want anything with you don't have feelings
but still send you flowers"

17:51 Quentin LECLER For what
17:51 Quentin LECLER So I think he must be lying everything
17:52 Quentin LECLER He not make sense
17:53 Quentin LECLER And contradict himself many times
17:53 Quentin LECLER Maybe he drunk
17:54 Quentin LECLER He changed the story few times
17:54 Quentin LECLER Only people lying to that

20:37 Quentin LECLER "Believe it or not it's not me who talk bad about
you and I blocked him

But I remember everything that he said "

20:38 Quentin LECLER He told me you probably want to find a men from
USA with \$\$\$\$ because you love \$\$\$\$ but not spend much of it and save it
20:38 Quentin LECLER Instead
20:39 Quentin LECLER But his story feels strange he don't have feeling
but still send flowers
20:51 Quentin LECLER "He told me the reason he left you was because of
your IG and he asked to remove the hot pics and you refused and fight

He told me it's the reason he breakup and then after he said it's not the
reason but didn't explain

He told me he met his new wife after the breakup and not during pregnancy

He told me he wasn't happy with you and that you feel more distant and he
believe you where texting other men's

It still not make sense that he don't take care of ploy at all and not
come to see her

I choose to believe your story for the reason that I saw that you suffering a lot from the relationship and at your mom with the alcohol you seems like a trauma happened before

I choose to believe you because you take care of ploy and you're good mom

I choose to believe you because I can tell from what he said to me with girls he's indeed a party men a playboy not a serious family dad at all and cannot take care of the baby

I choose to believe you because I don't feel this guy is good men and I feel it must be much worse than a stupid Instagram fight when you have a baby together

It doesn't make sense so he must be lying to me and try to manipulate me to stop relationship with you

I think what you said was right he must have cheated on you with her and wanted you two together

He crazy like that he send me drunk video at party and I can tell he probably did that to you

I'm feeling bad now for you and ploy

Not because of the stupid Instagram stuff it really is not important and it's not real life it's artificial stuff and the Instagram men won't do anything to put you out of your situation

No I'm feeling bad for you and for ploy

I always wanted to be there for you and her

Trust me or not but I never had any plans only to be with you happy

I'll keep memories of her 1y anniversary and her smiling and happy to have her gifts

The money is important but if you don't have someone that truly love your baby then you have nothing

Don't fall into the same trap again and learn from it

I don't have much money but I love ploy and you

I makes mistake about the stupid Instagram stuff but it's really not that important

I want you keep that money for ploy save it or use it for ploy or for you it's your money

I won't disturb again I promise

I will get help for myself

I be here to talk if you want

But I'm not your friend if you want us to be friend it's better we stop talking permanently

It was good to know you and have happy moments with you and ploy

You know deep down I'm good men and try to help

I make many mistakes about jealousy and overthinking I know

I wish we still can have happy moments with you and ploy in the future but I understand if you don't want and stop with me it's understandable "

20:57 Quentin LECLER I didn't send bad messages to your ex
21:00 Quentin LECLER It's just Instagram it's not your life

15:48 Quentin LECLER about it?

15:48 AuAii Yes I asked him to stop partying and drinking alcohol because last time he has the accident on the highway and he can't drive anymore because he gets lost with the driving licence too but he can't do it still go partying and drinking

15:49 Quentin LECLER crazy
15:49 Quentin LECLER he have a baby with you
15:49 Quentin LECLER and still do this ?
15:49 Quentin LECLER you must have so much patience with him
15:50 Quentin LECLER did you fight with him
15:50 Quentin LECLER when he drunk?
15:50 Quentin LECLER or drink alcohol?
15:51 Quentin LECLER what did he said to you
15:51 AuAii I know i can't stopped him with partying, and i just told him
just call or text me when he gets back home so i know he's safe at home
but many times he doesn't care and doesn't text me and let me worry about
him, and we keep fighting about this
15:51 Quentin LECLER you must love him so much
15:51 Quentin LECLER but he doesnt
15:51 Quentin LECLER care
15:52 AuAii Yes i have to keep patience because i have a baby with him
15:52 Quentin LECLER so he must not love you to let you worried like
this
15:52 AuAii But he's still doesn't care
15:52 Quentin LECLER so what did you do ?
15:52 AuAii And he never take me to hospital all the pregnancy
15:53 Quentin LECLER yes you told me
15:53 Quentin LECLER i remember
15:53 AuAii And even ploy was born , he's still never go hospital with me
15:53 Quentin LECLER i feel bad for you i remember i told you i would
be there instead
15:53 Quentin LECLER if i coukd
15:53 Quentin LECLER could
15:53 Quentin LECLER so selfish
15:53 Quentin LECLER and careless
15:53 AuAii It hurts me a lot but i have to keep patience for everything
15:54 AuAii It's because i want Ploy to have a warm family
15:54 Quentin LECLER but you must know
15:54 AuAii But it doesn't work alone
15:54 Quentin LECLER it cannot work with him
15:54 Quentin LECLER you must know he not be a dad
15:54 Quentin LECLER but party men
15:54 Quentin LECLER you tried to make him change
15:54 Quentin LECLER but he not change
15:55 Quentin LECLER even now he still not come even for her birthday
15:55 Quentin LECLER of his own child
15:55 Quentin LECLER crazy
15:55 AuAii So i just give up and find out that he has a new girl
15:55 Quentin LECLER i know
15:55 Quentin LECLER i feel sad for you
15:55 Quentin LECLER having a baby with him
15:55 Quentin LECLER and found out he be with another
15:56 Quentin LECLER must want to die
15:56 Quentin LECLER and its too hard
15:56 Quentin LECLER but you need to keep strong for ploy
15:56 AuAii Yes my life is so suck than you
15:56 Quentin LECLER but you feel he destroyed your life
15:56 AuAii If I don't have a baby with him, I don't care
15:56 Quentin LECLER it doesnt need to alwaus be this way

15:56 Quentin LECLER always
15:57 AuAii I would blocked him and never talked with him again
15:57 Quentin LECLER yes this kind of men its better not have baby
15:57 Quentin LECLER because hes not responsible man
15:57 Quentin LECLER and dad
15:57 AuAii But i still have a baby to take care and i still need money
from him to support Ploy as he said
15:57 Quentin LECLER even the money he send the bare minimum
15:57 Quentin LECLER to you
15:57 AuAii Yes
15:57 Quentin LECLER and you just have barely enough
15:57 Quentin LECLER to feed her
15:58 Quentin LECLER and cant spend much for yourself
15:58 AuAii He spend more with the party and drink
15:58 Quentin LECLER and sacrifice yourself for her
15:58 Quentin LECLER i know
15:58 AuAii And spend more money with girls
15:58 Quentin LECLER i know you not trust but the money was for ploy
and in case something happens
15:58 AuAii He doesn't care of Ploy as he said he loves and cares Ploy
15:59 Quentin LECLER i didnt have any wrong intention behind this
15:59 Quentin LECLER i know you dont have much
15:59 AuAii His words and acting is just opposite
15:59 Quentin LECLER and you save a lot for ploy
15:59 Quentin LECLER he also told me this
15:59 Quentin LECLER he want to take care of her
15:59 Quentin LECLER go see her
15:59 Quentin LECLER take responsibility
16:00 Quentin LECLER but he do the opposite
16:00 Quentin LECLER he just change his words
16:00 Quentin LECLER many times
16:00 Quentin LECLER even about the breakup
16:00 Quentin LECLER he said one thing and after he changed his version
16:00 Quentin LECLER it doesnt make sense and i feel he lie about it
16:01 AuAii Nodody says they are bad
16:01 AuAii They always say the good thing
16:01 Quentin LECLER he said he broke up with you because of you
instagram
16:01 Quentin LECLER then he said its not the reason
16:01 Quentin LECLER but not explain
16:02 AuAii See
16:02 Quentin LECLER but you already have a baby with him that time and
it doesnt make sense to breakup for stupid stuff like this
16:02 AuAii He always think it's my fault
16:02 Quentin LECLER when you have a baby together
16:02 Quentin LECLER yes i think
16:03 Quentin LECLER or maybe he want to manipulate me
16:03 Quentin LECLER against you
16:03 Quentin LECLER make you look bad
16:03 Quentin LECLER because you didnt do what he asked
16:04 Quentin LECLER if he is so happy he dont have reason to see you
with his wife
16:04 Quentin LECLER he can see ploy alone
16:04 Quentin LECLER but he didnt do it

16:04 AuAii I don't know what he wants to do
16:04 Quentin LECLER maybe he want you accept him and his wife
16:04 Quentin LECLER and be together
16:04 AuAii But he said it's my fault that he can't see Ploy because of
me
16:05 Quentin LECLER why
16:05 AuAii Yes he asked me that to get along with him and his girl
16:05 Quentin LECLER he sick men

16:07 Quentin LECLER for it
16:07 Quentin LECLER maybe thats why he want to see you
16:08 Quentin LECLER thats why its not safe situation in the long term
16:08 Quentin LECLER because he dont need to pay anything
16:08 Quentin LECLER its just up to him
16:08 Quentin LECLER thats what i worried about
16:08 Quentin LECLER because you not married and there is no law
16:08 Quentin LECLER to make him pay for ploy
16:09 Quentin LECLER and support
16:09 Quentin LECLER what kind of men do this?

could never see Ploy again
16:11 Quentin LECLER but he seems to use his money to get what he wants
16:11 Quentin LECLER i worried he might just do that
16:12 Quentin LECLER but you will have hard time to pay for a condo
16:12 Quentin LECLER and work
16:12 Quentin LECLER and take care of ploy

21:01 Quentin LECLER "Babe,

I know I make big mistakes and hurt you so much with my bad words.

Just so you know I meant none of what I said, why did I said those bad words then ? Because I was furious, I was jealous, I felt betrayed, I felt cheated on, I didn't understand what I saw and I imagined things in my head (overthinking), I didn't know what to do, I felt hopeless and stressed, I felt it's happening same as my ex did to me all over again and I get crazy and write those nonsense bad words that hurt you so much and I regret doing it and feel bad about myself so much everyday for doing it.

I understand it's my problem and I should work on that with therapist. I will do it next Thursday and every week after that until I don't have those issues anymore.

I know I break the trust and the love you had for me and I probably deserve this.

I just wanted to say a few things before you decide to block me or ghost me completely :

1. I always love you and Ploy and always wanted to support you both and take care of you and her. It's genuine love not fake love.
2. I only come in Thailand for you and for Ploy to support and be happy together and to be by your side in your hard times.
3. I always thinking about you and Ploy first before myself and worried and feel bad about you and her since we start talking in march. It's not fake feelings and I'm not selfish man. I sacrifice things for the ones I love and I will keep doing that. I don't care about the stuff for myself, it's better I spend everything I have for the ones I love, for my mom that needs me and for blacko.
4. I know I'm not Ploy real dad but I wanted to be there for her anyway and nothing makes me more happy than to see her smiling and happy for her gifts. I enjoyed all our moments together and I'll keep our happy memories in my heart forever.
5. I know I can't fix your problems all by myself and you'll need to find out by yourself what to do but I always try my best to help and find solutions for you because I care about you and love you and Ploy.
6. I only wanted your happiness and for Ploy.
7. Your mom and sister always be good to me and I tried to make them happy too every-time I go there even it's small gifts. I'm sorry I disappointed them by hurting you because of my problems but I still love them and care about them.

8. I know you loose the feelings and trust for me because of the bad words I said but don't forget everything that I do before I only do all this because I love you there is no other reasons.

9. I know I have my issues about trust, jealousy, overthinking that I will need to fix and talk to psychologist and that's what I will do next Thursday and every week after that until I get better for myself and so I not hurt you anymore.

10. I know I also need to pray for forgiveness about what I did to you and make merit to temple and I do everyday to Erawan and I will keep doing it everyday even you breakup with me because I did wrong to you and you didn't deserve that.

Probably I don't deserve a second or even third chance but not everything I did was bad, many things I did was because I love you and cares about you before myself and make sacrifices for you and Ploy.

I wanted to thank you for all the happy times we had together and for talking with me since march and helped me get better from my past.

I hope you felt all the love I have for you and know that I'll always have a special place in my heart for you and for Ploy and I will never forget you whatever you decide to do with me.

I love you so much and I ruin everything because of my problems.

I wish I can get back in time and remove all the bad words but I can't.

I love you both forever 💕

Quentin"

17:31 Quentin LECLER It must be old post old photo

17:31 AuAii So i don't have anything about him
17:31 Quentin LECLER I don't remember but I think it's from the time you were together
17:31 Quentin LECLER It's photo
17:31 AuAii Hmm

17:31 AuAii U never checked and texted your ex
17:31 Quentin LECLER On the list
17:32 AuAii Why you do that?
17:32 Quentin LECLER I thought since August we stopped talking
17:32 Quentin LECLER Beginning of August
17:32 Quentin LECLER And I thought you had someone else
17:32 Quentin LECLER I start be stressed about it
17:32 AuAii Oh ok , you tried to give me more issues
17:32 Quentin LECLER And you didn't say I love you
17:32 Quentin LECLER Like before
17:32 Quentin LECLER To me since few weeks
17:32 AuAii Yes because i have a lot of problems
17:33 AuAii And you couldn't help me
17:33 Quentin LECLER I know but I thought your love is gone and you wanted someone else to
17:33 Quentin LECLER I had wrong idea
17:33 Quentin LECLER About it
17:33 AuAii And tell me to tell me to work and find a nanny
17:33 AuAii So i don't think we have the same thinking
17:33 Quentin LECLER And then there is the voodokit guy appears and start liking hot photos of you
17:33 Quentin LECLER And I believe you wanted him instead
17:34 AuAii And also i don't have much money to pay for the nanny
17:34 Quentin LECLER I did say that because you needed to keep working
17:34 Quentin LECLER To pay the bills
17:34 Quentin LECLER And I thought you also pay the condo
17:34 Quentin LECLER So you couldn't stop working
17:34 Quentin LECLER I know but i thought you get like 50-60k baht
17:34 Quentin LECLER And I could help
17:34 Quentin LECLER With the nanny
17:35 AuAii Maybe my salary is not enough to pay for it because i work long hours and i have to pay for the extra time for the nanny
17:35 Quentin LECLER But you had to keep working to pay the condo
17:35 Quentin LECLER I know but I didn't know everything
17:35 Quentin LECLER Your salary
17:35 AuAii How can i get that much money!?
17:35 Quentin LECLER The condo
17:35 AuAii It's Thailand
17:35 Quentin LECLER I don't know I'm not from here
17:35 Quentin LECLER And because the condo is about 30k
17:35 Quentin LECLER I didn't know your ex pay for it
17:35 AuAii If i get that much salary I don't need money from the ex
17:35 Quentin LECLER So I assume you get more money
17:36 Quentin LECLER Because it's in thong lor
17:36 AuAii I would blocked him and walk away from his life
17:36 Quentin LECLER I didn't know you had money from him

17:36 Quentin LECLER That time
17:36 Quentin LECLER For the condo
17:36 AuAii It's ok
17:36 Quentin LECLER And I didn't know you get less money
17:36 AuAii Stop talking about him
17:36 Quentin LECLER From work
17:36 Quentin LECLER Ok but understand me I didn't know everything and tried to help
17:36 AuAii I hate that
17:36 Quentin LECLER With what I know
17:36 Quentin LECLER It's not my fault about the nanny
17:37 AuAii It's ok you can't help me
17:37 AuAii And i don't need your help who thinks bad to me
17:37 Quentin LECLER And after I saw the vodookit guy and thought you go with him and don't care about me anymore
17:37 Quentin LECLER That's my overthinking issues
17:37 AuAii That's your problem
17:37 Quentin LECLER And I worried so much that's when I go talk with your ex end of August

17:38 AuAii Stop talking
17:38 Quentin LECLER Yes I'm sorry it's the only time I contact him
17:38 AuAii And think it's all my fault
17:38 Quentin LECLER After that I blocked him

17:39 Quentin LECLER So I guess he must be lying again
17:40 Quentin LECLER I'm sorry I lied to you
17:40 AuAii Yes he's a lia
17:40 Quentin LECLER It's after he told you he want to be at ploy birthday
17:40 Quentin LECLER That it happened
17:40 Quentin LECLER Before he didn't know me
17:40 Quentin LECLER I never contact him
17:40 AuAii I think he told you before me
17:40 Quentin LECLER So I don't know why he wanted to see you
17:40 Quentin LECLER After he told you about ploy birthday

17:42 Quentin LECLER And I cause you many issues
17:42 Quentin LECLER I'm sorry I did this
17:43 Quentin LECLER I only lie to you once about the ex i only contact
once and blocked him
17:43 Quentin LECLER I unsend all messages and delete him
17:43 Quentin LECLER And that's it
17:43 Quentin LECLER I know I'm stupid to think you want to date those
guys
17:44 Quentin LECLER And I have issues I need to fix and I'll go see
someone every week
17:44 Quentin LECLER To get better
17:45 Quentin LECLER It's late here
17:45 Quentin LECLER Wish you good night and sweet dreams ☺

17:47 Quentin LECLER "It's the only time I lied to you

I did because i knew it was a mistake to talk with that guy and you would
have think i believe what he says"

17:47 Quentin LECLER And tell me bad things about you
17:47 Quentin LECLER And I would loose your trust and love for doing
that
17:47 Quentin LECLER Because of my overthinking issues
17:49 Quentin LECLER The truth is that I love you so much and scared to
loose you so much that I make it happens
17:49 Quentin LECLER By my words and because of my issues
17:49 Quentin LECLER I make you loose your love and trust for me
17:49 Quentin LECLER And I will fix myself and see someone so it won't
happens again
17:49 Quentin LECLER I don't want to hurt you again
17:50 Quentin LECLER You be hurt enough
17:50 Quentin LECLER I supposed to make you happy and smile but I cause
you issues and for that I always will feel bad about myself and ask

17:51 Quentin LECLER I don't like this guy
17:52 Quentin LECLER He everything that I hate
17:52 Quentin LECLER Good night ☺
17:53 Quentin LECLER "I didn't say it's all your fault

I'm responsible for my own issues overthinking and jealousy "

17:54 Quentin LECLER "I don't think bad of you

I had the wrong idea about you because of my overthinking and jealousy"

17:55 Quentin LECLER "I didn't know how much you earn from that job

I only assume you had to pay the rent 30k so you would need about 50-60k"

17:56 Quentin LECLER "I didn't know any other way because you had to pay the condo (I didn't know your ex paid)

I would have paid for the nanny "

17:56 Quentin LECLER About 10-15k

17:58 Quentin LECLER "I tried to help you with what I knew that time

I know play is more important but I couldn't help you with everything "

17:59 Quentin LECLER And you couldn't stop working because I thought you had to pay the condo

18:03 Quentin LECLER "Don't forget I always love play and cares about her and you too

You said it's your problems but for me it was our problems and I wanted to help

I'm not selfish man and I sacrifice myself for the ones I love "

18:03 Quentin LECLER [Photo]

18:22 Quentin LECLER "I don't want better girl

I love you and I don't want to loose you

I make you loose feelings and trust because of my own issues

But I still love you I don't want anyone else

I want to get better for you "

18:23 Quentin LECLER I don't know if you want to wait I get better or not and try again after I hurt you so much

18:23 Quentin LECLER I believe love is not feeling is commitment to each other whatever happens and even we hurt each other we should fight and fix and talk

18:24 Quentin LECLER It's up to you what you feel is right and I will respect your choice

19:50 Quentin LECLER [Photo]

20:03 Quentin LECLER "I should have told you the truth that time

It's the only time I lied since we met

I didn't want you to know because everything he said I don't believe anyway and it was stupid to contact him in the first place

It just confirmed me what kind of men he is

But it would have break the trust and love you had for me"

20:04 Quentin LECLER I shouldn't have lied and be honest about it anyway I fear you wouldn't trust and love me after that

20:07 Quentin LECLER "I didn't know that time you needed his money or even that he send you money

You never told me

That's why I thought you get more salary than this"

20:08 Quentin LECLER I would have pay for the nanny
20:08 Quentin LECLER "It's not that I want you to work

It's just that time I thought you had to pay the condo and take care of ploy

You can't do that without salary "

20:09 Quentin LECLER So you stop loving me because of this ?
20:09 Quentin LECLER Because I couldn't help you and didn't know everything and told you about the nanny ?
20:10 Quentin LECLER You understand why communication is so important?
20:10 Quentin LECLER And hiding things is never good in relationships
20:11 Quentin LECLER "I'll go sleep

Good night 😊 "

20:11 Quentin LECLER [Sticker]
20:11 Quentin LECLER [Sticker]
20:12 Quentin LECLER And what would you have wanted I said instead ?
20:13 Quentin LECLER "I thought you pay the condo
"
20:14 Quentin LECLER "I couldn't help with the condo 30k and your salary 30k

That's why I talk about the nanny "

20:14 Quentin LECLER I would have pay for that

- I can bring you and ploy here and support you

- if you want you can get better future and work here and same for ploy "

03:27 Quentin LECLER He sent before

03:27 Quentin LECLER He send it with the other screenshots of the payments he make to you for the condo

03:28 Quentin LECLER How can I help and support you and ploy ?

03:30 Quentin LECLER Isn't that amount enough for your expenses and ploy and your mom ?

03:30 Quentin LECLER Not*

03:31 Quentin LECLER I tried to support before all happens and I said the bad words

03:31 Quentin LECLER And help

06:55 Quentin LECLER How can I help and support you and ploy ?

07:04 Quentin LECLER Can you tell me more about the problems you have ? You never said much about it before just with your mom and she wanted to back surin and with your ex you wasn't sure he keep sending the money

07:27 Quentin LECLER How much do you want to help and support you and ploy ?

07:30 Quentin LECLER You know since the beginning I'm not rich like your ex I never lied about it

07:31 Quentin LECLER But I still come for you and for ploy and be there for her more than him even it cost me more a lot more than him

07:31 Quentin LECLER But it's not only about money stuff for me

07:31 Quentin LECLER "It's about the love I have for you and ploy

That's why I come"

07:35 Quentin LECLER "If you pick someone with a good heart instead of a good wallet he wouldn't have left you for someone else during pregnancy whatever happened

He would have take care of you everyday and be there for you and for ploy and take care of her and love her and you "

07:35 Quentin LECLER That's what I want for you her ploy

07:35 Quentin LECLER And

07:38 Quentin LECLER He not even care to take good care of ploy and be there for her birthday what kind of dad is that ?

07:38 Quentin LECLER Even he have a lot of money and can come often to see ploy but he not do it

07:39 Quentin LECLER I don't have a lot of money like him but I still pay everything to be there for her birthday even I'm not her real dad

07:39 Quentin LECLER I only come for you and her

07:40 Quentin LECLER But I felt it's the right thing to do and I love you and her and have to be there for her birthday and see her happy it's true I should have bought the cake myself

07:40 Quentin LECLER But I be there for her

07:57 Quentin LECLER I'm happy I be like a dad for ploy even just for two weeks

07:58 Quentin LECLER I not talk to your ex it's from last time I told you in August he sent me the screenshots

08:11 AuAii You both too dangerous for me and Ploy

08:11 AuAii I never talked with you ex

08:11 Quentin LECLER Why you said that I'm nothing like him
08:11 AuAii Why did you talk to him?
08:11 Quentin LECLER I only talk one time when I told you
08:11 Quentin LECLER In August
08:11 AuAii Why?
08:12 AuAii Why you talk with him?
08:12 AuAii What's the reason?
08:12 Quentin LECLER Because I worried you're not love me after you
stop talking with the nanny
08:12 Quentin LECLER And you're wanted someone else
08:12 Quentin LECLER Else
08:12 AuAii I never talked with your ex?
08:12 AuAii Because i used to trust you
08:12 AuAii But now you destroy my trust
08:12 Quentin LECLER I know and I'm sorry I did
08:12 AuAii And i never trust you anymore
08:12 Quentin LECLER But he's not good man
08:12 Quentin LECLER And I block him
08:13 Quentin LECLER He's not good dad for ploy too
08:13 AuAii Yes me too i block him too
08:13 AuAii If you still calling and have no reason i will block you here
too
08:13 Quentin LECLER I asked him to take care of her and see her he
have money he never reply he never cared
08:13 Quentin LECLER There is reason
08:14 Quentin LECLER I want to apologies
08:14 Quentin LECLER For what I did
08:14 Quentin LECLER I can't sleep many nights
08:14 AuAii I used to trust you and tell you everything but now you tried
to talk with everyone i know and try to destroy everything
08:14 Quentin LECLER Since it happens because I feel bad about myself
08:14 AuAii Why you do it?
08:14 Quentin LECLER Since August and you fight with your mom I feel
you not love me
08:14 Quentin LECLER And wanted I support you that time
08:14 AuAii You can't tell him to do that, he's never listened to anyone
08:15 Quentin LECLER And you look for someone else
08:15 AuAii What do you think who you're to say that to him?
08:15 Quentin LECLER What kind of dad is that ?
08:15 AuAii He's not a dad
08:15 AuAii He's just a bad man
08:15 Quentin LECLER Because it's the truth
08:15 AuAii Play boy
08:15 AuAii Partying
08:16 AuAii I never wanted Ploy to meet this man
08:16 AuAii I will try to find a good dad for her
08:16 Quentin LECLER I wanted to be there for her
08:16 AuAii If not she'll have only me
08:16 Quentin LECLER And be like a dad for her
08:16 Quentin LECLER But I hope you find better than me and be happy
you and ploy
08:17 AuAii And i will tell her that her dad already died so she wouldn't
so sad
08:17 Quentin LECLER It's all I want for you both

08:17 AuAii Ok thanks
08:17 Quentin LECLER I have my own issues to fix
08:17 Quentin LECLER I'm not good enough
08:17 Quentin LECLER And not rich enough
08:17 AuAii I will try my best when Ploy is more growing up
08:17 Quentin LECLER To support you I couldn't send you 40k
08:17 Quentin LECLER To stay home
08:17 Quentin LECLER If I could I would
08:18 AuAii So i will need to spend more time and take good care of her as much as i can do
08:18 AuAii I don't want your money
08:18 Quentin LECLER You're a good mom
08:18 AuAii Just save your money to fix your problem
08:18 Quentin LECLER So what did you expect me to do
08:18 Quentin LECLER In August ?
08:18 Quentin LECLER When you're mom wanted to leave
08:19 Quentin LECLER And you be stressed so much
08:19 AuAii Yes i know
08:19 Quentin LECLER And don't know what to do

08:19 AuAii I have no choice i have to accept it
08:20 Quentin LECLER She bring ploy in surin already ?
08:20 AuAii That's all you wanted
08:20 AuAii And you just make issues for me
08:20 Quentin LECLER I never wanted this you know it
08:20 AuAii So you must be happy now
08:20 Quentin LECLER The first time we met in koh larn and she take ploy
08:20 Quentin LECLER And you crying
08:20 AuAii So stopped calling and making any issues for me
08:21 Quentin LECLER I never wanted you be separated from her I told you
08:21 AuAii Yes you did now
08:21 Quentin LECLER Can we still talk sometimes ?
08:21 Quentin LECLER I didn't want this
08:21 Quentin LECLER I never did
08:21 AuAii You tried to contact all my friends and destroy my trust
08:21 Quentin LECLER I thought you wanted someone more rich than me
08:21 AuAii And make any issues with my family too
08:21 Quentin LECLER And I be jealous with my problems
08:22 Quentin LECLER I never wanted that
08:22 AuAii Also why you contacting my ex!?
08:22 Quentin LECLER I did one time when I believe you're looking other man

20:18 Quentin LECLER Farewell and goodbye

20:32 Quentin LECLER What did you expect me to say and do ? Send you money to stay home to take care of ploy ?

20:33 Quentin LECLER What is it that you wanted exactly ? Is it what you called "support me and ploy" ?

20:36 Quentin LECLER "I offer you to pay the nanny now you understand why it would have been better for Ploy

You still would be able to see her everyday..."

20:36 Quentin LECLER Her

20:37 Quentin LECLER But stop thinking nonsense about me not care about Ploy I always been thinking about her and what's best for her

20:38 Quentin LECLER And you be separated from her is the last thing I wanted and you know perfectly well

22:56 Quentin LECLER [Photo]

22:58 Quentin LECLER "I don't know if it's really you or not but this is who I fall in love with

Not the one on IG showing her boobs to rich playboys

This is the one I will remember and keep good memories in my heart forever"

23:02 Quentin LECLER "Someone I will remember as good heart, kind and caring and loving.. Is it really you ?

It's so much different from the version of you that you show on your IG...

How are you ?"

23:04 Quentin LECLER "Do you want to be yourself or do you want to be someone you are not ?

Why do need attention so much ? What happened to you ?

I really wanted to understand you

So many questions left without answers..."

23:10 Quentin LECLER .

23:11 Quentin LECLER "I will just remember the happy times with you and Ploy and that's it

Thank you for helping me getting better from my past before and making me smile again

I hope you find caring, loving and responsible stepdad for Ploy

Farewell and goodbye"

23:18 Quentin LECLER " Why you seek attention from other guys so much ?

What good are you trying to fill inside you ?

What happened to you ?"

23:18 Quentin LECLER Void *
23:25 Quentin LECLER I hope to see you in another life and so you tell me everything that happened to you and so I can truly understand you
23:26 Quentin LECLER Because I used to love you but not the IG version the original version of you the kind and loving one
23:38 Quentin LECLER "--
Is it the reason why you look attention from other men in the past ?

Because your ex never gives to you and go party and left you alone while pregnant ?

Is it why you do to me because you feel I wanted to control you and you not feel love anymore and I you feel I not care about you and ploy and not support you ?"

23:40 Quentin LECLER It's not easy to understand you you know and not just me but for the next one

23:40 Quentin LECLER And I think I always wanted to talk and you open yourself to me about everything

23:47 Quentin LECLER "You said he left you alone not cares about you

Maybe you're looking for attention because of that

Not only he also left you alone while pregnant and after

Is it your way to get attention back that you not get from him ?

Why did you do the same for me ? I never left you alone or do you feel that way because of I wanted you to keep working and pay the nanny ?

Let me understand you..."
